

Vail Resorts, Inc. Announces Commencement of Convertible Senior Notes Offering

December 14, 2020

BROOMFIELD, Colo., Dec. 14, 2020 /PRNewswire/ -- Vail Resorts, Inc. (NYSE: MTN) today announced its intention to offer, subject to market and other conditions, \$500,000,000 aggregate principal amount of convertible senior notes due 2026 (the "Notes") in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). Vail Resorts also expects to grant the initial purchasers of the Notes an option to purchase, for settlement within a period of 13 days from, and including, the date Notes are first issued, up to an additional \$75,000,000 principal amount of Notes.

The Notes will be senior, unsecured obligations of Vail Resorts, will accrue interest payable semi-annually in arrears and will mature on January 1, 2026, unless earlier repurchased, redeemed or converted. Noteholders will have the right to convert their Notes in certain circumstances and during specified periods. Vail Resorts will settle conversions by paying cash and, if applicable, delivering shares of its common stock. The Notes will be redeemable, in whole or in part, for cash at Vail Resorts' option at any time, and from time to time, on or after January 1, 2024 and on or before the 25th scheduled trading day immediately before the maturity date, but only if the last reported sale price per share of Vail Resorts' common stock exceeds 130% of the conversion price for a specified period of time. If Vail Resorts elects to redeem less than all of the Notes, at least \$50.0 million aggregate principal amount of Notes must be outstanding and not subject to redemption as of the relevant redemption notice date. The redemption price will be equal to the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. The interest rate, initial conversion rate and other terms of the Notes will be determined at the pricing of the offering.

Vail Resorts intends to use the net proceeds from the offering for general corporate purposes.

The offer and sale of the Notes and any shares of common stock issuable upon conversion of the Notes have not been, and will not be, registered under the Securities Act or any other securities laws, and the Notes and any such shares cannot be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any other applicable securities laws. This press release does not constitute an offer to sell, or the solicitation of an offer to buy, the Notes or any shares of common stock issuable upon conversion of the Notes, nor will there be any sale of the Notes or any such shares, in any state or other jurisdiction in which such offer, sale or solicitation would be unlawful.
