SELLING STOCKHOLDERS

The information set forth under the caption "Selling Stockholders" in the Prospectus is amended and restated in its entirety as follows:

This Supplement relates to shares of common stock that are registered for reoffers and resale by selling stockholders who have acquired or may acquire shares of common stock pursuant to the Plan and who may be deemed "affiliates" of the Company. An "affiliate" is defined under the Securities Act as "a person that directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with" Vail Resorts, Inc. The selling stockholders may resell any or all of the shares of common stock at any time while this Supplement is effective.

Executive officers, directors or others who are considered to be affiliates of the Company who acquire common stock under the Plan may be added to the list of selling stockholders and their number of shares to be sold may be increased or decreased by the use of future prospectus supplements filed with the Securities and Exchange Commission.

Except as set forth below, no selling stockholders have informed us of an intent to sell any of their shares. The inclusion of the shares of common stock in the table below does not constitute a commitment to sell any shares.
