PROSPECTUS SUMMARY

The following summary is qualified in its entirety by, and should be read in connection with, the more detailed information and consolidated financial statements (including the notes thereto) appearing elsewhere in, or incorporated by reference into, this prospectus. The terms "Vail," "the Company," "we," "us" and "our" as used in this prospectus refer to Vail Resorts, Inc. and its subsidiaries and predecessors as a combined entity, except where it is clear from the context that such term means only the parent company. Our fiscal year end is July 31. Unless otherwise specified, "ski season" shall mean the period from the opening of any of our mountains for skiing to the closing of our last mountain for skiing, typically late October to early May, and "skier visit" shall mean one guest accessing a ski mountain for all or any part of a day or night and includes both paid and complimentary tickets and ski passes. "Beaver Creek" and other designated trademarks are registered trademarks of Vail Resorts, Inc.

The Company

Vail Resorts is one of the leading resort operators in North America. Through our premier properties we provide a comprehensive resort experience throughout the year to a diverse clientele with an attractive demographic profile. Included within our resort portfolio are four owned and operated mountain resorts in the Colorado Rocky Mountains:

- o Vail Mountain-- the largest and most popular single ski mountain complex in North America;
- o Beaver Creek Resort-- one of the world's premier family-oriented mountain resorts;
- o Breckenridge Mountain-- an attractive destination resort with numerous apres-ski activities and an extensive bed base; and
- o Keystone Resort -- a year-round family vacation destination.

We are one of the most profitable mountain resort operators due to the following competitive strengths:

- o ownership of premium resorts;
- o attractive guest demographics;
- o strong brand franchise;
- o scope, diversity and quality of our complementary activities and guest services; and
- o proximity of our ski resorts to both Denver International Airport and Vail/Eagle County Airport.

All of our ski resorts were rated among the top twelve ski resorts in North America in SKI Magazine's October 2001 readers survey, with Vail Mountain rated as the number two ski resort des-

tinuation in North America. We had an 8.7% share of skier visits in the United States for the 2000-01 ski season, with an 8.3% increase in skier visits at our four ski resorts from the 1999-00 ski season. In addition, Vail, Breckenridge and Keystone were the three most visited ski resorts in the United States for the 2000-01 ski season. Our ski resorts are located within 50 miles of each other, which enables us to offer guests the opportunity to visit each ski resort during one vacation stay and participate in common loyalty programs.

We also own leading non-ski destination resorts and hotels and operate a premier hospitality management company:

- o Grand Teton Lodge Company -- premier summer resort properties in and around Grand Teton National Park in Wyoming; and
- o Rockresorts International, LLC -- a luxury hotel management company currently with 10 properties under management.

We also own substantial real estate proximate to our resorts from which we derive significant strategic benefits and cash flow. In addition, we develop and sell technology-based products and services for the hospitality and resort industries.

For the quarter ended October 31, 2001, our revenue from resort operations and Resort EBITDA was \$57.4 million and a loss of \$24.6 million, respectively. It is normal for us to experience losses in resort operations in our first fiscal quarter due to the seasonal nature of our business. For the quarter ended October 31, 2001, our revenue from real estate operations and technology operations was \$15.9 million and \$1.1 million, respectively.

Resort, Real Estate &Technology

Resort

Vail Mountain

Located 100 miles west of Denver, Vail is the largest and most popular single ski mountain complex in North America, offering over 5,200 acres of unique and varied ski terrain interconnected by a large network of high-speed chairlifts. Vail's offerings include the world-famous Back Bowls, a top rated ski and snowboard school and a wide variety of lodging, dining and retail venues. Over the past two years, we have made significant investments in capital improvements, primarily to open Blue Sky Basin, which increased Vail's skiable terrain by approximately 645 acres, as well as to renovate The Lodge at Vail and to fund the expansion and upgrade of Vail's snowmaking systems and grooming equipment. Vail hosted the 1999 and 1989 World Alpine Ski Championships, the first time a North American ski resort has been selected to host this prestigious event twice. For ten of the last fourteen years, Vail has been rated the number one ski resort in North America by SKI Magazine. Vail was the most visited ski resort in the United States for the 2000-01 ski season, attracting in excess of 1.6 million skier visits.

Beaver Creek Resort

Located ten miles west of Vail, Beaver Creek is one of the world's premier family-oriented mountain resorts, offering its guests a superior level of service in a pristine alpine setting. Known for its unique diversity, European-style village-to-village skiing, exceptional snow quality and an award-winning ski and snowboard school, Beaver Creek offers more than 1,600 acres of skiable terrain, and operates 13 lifts connecting the Beaver Creek, Bachelor Gulch and Arrowhead villages. We have a significant presence of retailing and dining options in Beaver Creek Village and also own and operate two hotels, the Inn at Beaver Creek and The Pines Lodge. In addition, a joint venture, of which we are a partner, has recently commenced the construction of the Ritz-Carlton, Bachelor Gulch, which will be a 5-star hotel with 238 rooms and 23 luxury condominium residences, providing further high-end lodging options for our destination guests. This premier property is scheduled to open in the 2002-03 ski season. Beaver Creek has become one of the most popular resorts in the United States, attracting in excess of 675,000 skier visits in the 2000-01 ski season, its best ski season in its 20 year history. Beaver Creek was rated the number six ski resort in North America in SKI Magazine's October 2001 readers survey.

Breckenridge Mountain

Located approximately 85 miles west of Denver and 40 miles east of Vail, Breckenridge offers over 2,000 acres of skiing on four different mountain peaks, including open bowl skiing and excellent beginner and intermediate ski terrain. The Town of Breckenridge, situated adjacent to the ski area, has numerous apres-ski activities and an extensive and growing bed base, making it an attractive destination resort for national and international skiers. Since acquiring Breckenridge in 1997, we have made significant capital improvements to the resort, including one high-speed double loading six passenger chairlift, two high-speed quadruple chairlifts, a 50% increase in snowmaking capacity, and the opening of the first new on-mountain restaurant at Breckenridge in more than 12 years. We own and operate two lodging properties in the Town of Breckenridge--The Great Divide Lodge, which has undergone a substantial renovation, and the Village at Breckenridge, a resort property that includes lodging, condominiums and commercial space and serves as the primary portal to Breckenridge Mountain. With more than 1.4 million skier visits, Breckenridge was second only to Vail in terms of skier visits during the 2000-01 ski season. Breckenridge was rated the tenth most popular ski resort in North America in SKI Magazine's October 2001 readers survey.

Keystone Resort

Located 70 miles west of Denver and 15 miles from Breckenridge, Keystone features over 1,850 acres of skiing on three mountains interconnected by a network of 22 lifts, including two high-speed gondolas, one high speed six passenger chairlift and six high-speed quadruple chairlifts. Keystone has a large and advanced snowmaking system, which provides snowmaking coverage for more than 50% of its skiable terrain and which enables Keystone to be one of the first Rocky Mountain ski resorts to open each ski season and one of the last to close. As the largest single-mountain night skiing experience in North America, with 17 lighted trails including a halfpipe and terrain park, Keystone provides a 12.5-hour ski day. Keystone is a planned family-oriented community that offers numerous year-round activities and amenities, such as the Keystone Conference Center, where capacity was recently doubled, and The River Course, Keystone's second golf course, which opened in

2000. During the 2000-01 ski season, Keystone attracted more than 1.2 million skier visits, the third most visited ski resort in the United States. Keystone was rated the twelfth most popular ski resort in North America in SKI Magazine's October 2001 readers survey.

Grand Teton Lodge Company

Based in the Jackson Hole valley in Wyoming, Grand Teton owns and operates four premier summer seasonal destination resort properties in and around Grand Teton National Park. Within the park, we operate the Jackson Lake Lodge, a full-service 385-room lodge with conference facilities that can accommodate up to 650 people; the Jenny Lake Lodge, a AAA four-diamond 37-cabin lodge; and Colter Bay Village, a family-oriented facility with 166 log cabins as well as extensive camping and recreational facilities. Outside the park, we own and operate the Jackson Hole Golf and Tennis Club, which has the number one rated golf course (by Golf Digest magazine) in the State of Wyoming. We also operate and have a majority ownership interest in Snake River Lodge & Spa, which has 95 deluxe hotel rooms and 75 luxury condominium bedrooms. Located in Teton Village, Snake River Lodge operates year-round due to its desirable location at the base of the Jackson Hole ski area.

Rockresorts International

We recently completed the acquisition of a majority interest in Rockresorts International, a luxury resort hotel management company. In connection with this acquisition, we have secured contracts to manage five leading resort hotels across the United States: the Cheeca Lodge in the Florida Keys, The Equinox in Manchester Village, Vermont, La Posada Resort & Spa in Sante Fe, New Mexico, Rosario Resort in the San Juan islands and Casa Madrona in Sausalito, California. We have also flagged and manage six of our existing hotels under the Rockresorts brand: The Great Divide Lodge in Breckenridge, The Lodge at Vail, The Keystone Lodge, The Pines Lodge in Beaver Creek, the Snake River Lodge & Spa and the Lodge at Rancho Mirage. We believe Rockresorts provides a powerful brand name that we can leverage across our existing hotel portfolio and will create additional hotel management opportunities.

The Lodge at Rancho Mirage

We recently completed the acquisition of the Ritz-Carlton, Rancho Mirage, a four-star hotel located in the Palm Springs area of California. With its variety of luxury amenities, including a full service spa, salon and fitness center, outdoor swimming pool, three restaurants and 12,000 feet of meeting space, the Rancho Mirage caters to the same attractive demographic profile as our ski properties, thereby offering numerous cross-selling opportunities. The hotel has been renamed the Lodge at Rancho Mirage and re-flagged under our Rockresorts brand, expanding our portfolio of premier Rockresorts hotels.

Vail Marriott Mountain Resort

We acquired the Vail Marriott Mountain Resort from Host Marriott Corporation in December 2001. The Vail Marriott, which we operate, is located 150 yards from Vail's gondola and is the largest hotel in the Vail Valley with 349 rooms and amenities, which include a restaurant and bar, over

16,500 square feet of meeting space, indoor and outdoor pools, a full service spa, a 3,600 square foot fitness center, four tennis courts, and over 4,500 square feet of retail space.

Real Estate

We also benefit from our extensive holdings of real property in proximity to our resorts. Our real estate operations include the planning, oversight, marketing, infrastructure improvement and development of our real property holdings. As of October 31, 2001, the book value of our real estate held for sale was approximately \$173.0 million. In addition to the substantial cash flow generated from real estate sales, our resort operations benefit from these development activities through:

- o the creation of additional resort lodging which is available to our guests;
- o the ability to control the architectural theming of our resorts;
- o the creation of unique facilities and venues which provide us with the opportunity to create new sources of recurring revenue; and
- o the expansion of our property management and brokerage operations, which are the preferred providers of these services for developments on our land.

In order to facilitate the development and sale of its real estate holdings, Vail Resorts Development Company, a wholly owned subsidiary of the Company, also invests in mountain improvements such as ski lifts, snowmaking equipment and trail construction. These mountain improvements enhance the value of the real estate held for sale and also benefit resort operations. Generally, we seek to minimize our exposure to development risks and maximize the long-term value of our real property holdings by selling land to third party developers for cash payments prior to the commencement of construction, while retaining approval of the development plans as well as an interest in the developer's profit. We also typically retain the option to purchase any commercial space created in a development. We are able to secure these benefits from third party developers as a result of the high property values and strong demand associated with property in close proximity to our world-class mountain resort facilities.

Technology

In addition, we develop and sell technology-based products and services for the hospitality and resort industries. We own a 51% ownership interest in Resort Technology Partners LLC, which develops and sells, among other products, a comprehensive proprietary point-of-sale system tailored to the needs of resort companies. We also have a 49% equity investment in Lowther Ltd., a joint venture with Datalex plc, a leading provider of e-business solutions for the global travel industry.

Business Strategy

Internal Growth Initiatives. A key component of the business strategy for our mountain resorts has been to expand and enhance our core ski operations, while at the same time increasing the scope, diversity and quality of the complementary activities and services offered to our skiing and non-skiing guests throughout the year. Our resorts derive revenue through a combination of activities

available to guests, including lift ticket sales, ski and snowboard lesson packages, a large inventory of resort accommodations, retail and equipment rental outlets, a variety of dining venues, meeting and event planning services and other recreational activities such as golf, tennis, horseback riding, guided fishing, float trips, and on-mountain activities centers. As a result of this strategy, non-lift ticket revenue as a percentage of total Resort revenue has increased to approximately 70% of total Resort revenue in fiscal 2001, as compared to 52% in fiscal 1996.

Our focus on developing a comprehensive destination resort experience has also allowed us to attract a diverse guest population with an attractive demographic and economic profile, including a significant number of affluent and family-oriented destination guests, who tend to generate higher and more diversified revenues per guest than day skiers from local population centers. While our Resort revenue per skier visit is currently among the highest in the industry, we estimate that we currently capture only a portion of the total vacation expenditures of an average destination guest at our resorts.

In connection with this strategy, we have completed numerous internal growth initiatives over the past several years to add new attractions and improve on-mountain facilities, including:

- o the addition of Vail's new Blue Sky Basin, 645 acres of natural, gladed ski terrain serviced by four high-speed quadruple chairlifts;
- o the opening of The River Course at Keystone, Keystone's second 18-hole championship golf course; and
- o the development of the Red Sky Ranch golf community, located approximately 10 miles west of Beaver Creek, which will include 87 homesites and two championship golf courses.

We will also continue to enhance our existing hotel portfolio by completing selective capital improvements on room upgrades and adding hotel facilities, such as spas, meeting rooms, restaurants and other amenities. These expenditures are designed to enhance the overall guest experience, thereby enabling us to increase occupancy rates and average room rates and improve operations.

Selective Acquisitions of New Resorts and Properties. We will continue to seek potential acquisitions of additional ski and other destination resorts and properties, which we believe can be successfully integrated into our existing operations, enhance our ability to attract destination guests to all of our resorts and benefit from our capital investment and management expertise.

Our 1997 acquisition of Breckenridge and Keystone exemplifies this strategy. We believe we have successfully broadened the appeal of these resorts to destination guests and improved their operating performance through capital investment, coordinated marketing, improved central reservations and common, four-resort lift tickets. We have also realized efficiencies in our purchasing, information systems, accounting and legal areas by sharing these functions across all of our resorts.

With our acquisition of Grand Teton in 1999, we capitalized on an opportunity to further leverage our hospitality, dining, retail and recreation expertise while geographically diversifying our resort operations to the state of Wyoming. Furthermore, with its peak season from the late Spring to early Fall, Grand Teton has also significantly increased our summer Resort revenue.

We will also continue to selectively acquire hotel properties proximate to our resorts that we believe allow us to broaden our participation in the services available to our guests, increase our ability to offer "package" vacation products and, with respect to our ski resorts, increase Resort revenue per skier visit. The recent acquisition of the Vail Marriott reflects our implementation of this strategy.

Expanding Hospitality Business. The personal creation of Laurence Rockefeller in the 1950s, Rockresorts is one of the most storied resort brands in the United States. We believe that leveraging this powerful brand name will enable superior cross-marketing and form the basis for building a luxury resort hospitality business. Our 11 hotel properties currently under Rockresorts management provide us with a coast-to-coast presence, with 1,742 rooms in the aggregate.

We believe the acquisition of Rockresorts provides us with an excellent platform for further national and international expansion of our hospitality business either through third party management contracts, management contracts secured with minority equity investments or direct property ownership. Future expansion of our hospitality business will be focused on identifying properties that exhibit superior attributes consistent with the positioning of the Rockresorts brand, including desirable locations, attractive guest demographic profiles and reputation for high quality guest services.

Our principal executive offices are located at 137 Benchmark Road, Avon, Colorado 81620 and our telephone number is (970) 845-2500.

The Exchange Offer

Registration Rights..... You are entitled to exchange your outstanding notes for freely tradeable exchange notes with substantially identical terms. The exchange offer is intended to satisfy your exchange rights. After the exchange offer is complete, you will no longer be entitled to any exchange or registration rights with respect to your outstanding notes. Accordingly, if you do not exchange your outstanding notes, you will not be able to reoffer, resell or otherwise dispose of your outstanding notes unless you comply with the registration and prospectus delivery requirements of the Securities Act, or there is an exemption available.

The Exchange Offer..... We are offering to exchange \$1,000 principal amount of our 8 3/4% Senior Subordinated Notes due 2009, which have been registered under the Securities Act, for \$1,000 principal amount of our outstanding 8 3/4% Senior Subordinated Notes due 2009, which were issued in a private offering on November 21, 2001. As of the date of this prospectus, there are \$160.0 million principal amount at maturity of outstanding notes. We will issue exchange notes promptly after the expiration of the exchange offer.

Resales..... We believe that the exchange notes issued in the exchange offer may be offered for resale, resold or otherwise transferred by you without compliance with the registration and prospectus delivery requirements of the Securities Act, provided that:

- o you are acquiring the exchange notes in the ordinary course of your business;
- o you are not participating, do not intend to participate and have no arrangement or understanding with any person to participate in a distribution of the exchange notes; and
- o you are not an "affiliate" of ours.

If you do not meet the above criteria you will have to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any reoffer, resale or other disposition of your exchange notes.

Each broker or dealer that receives exchange notes for its

own account in exchange for outstanding notes that were acquired as a result of market-making or other trading activities must acknowledge that it will deliver this prospectus in connection with any sale of exchange notes.

Expiration Date..... 5:00 p.m., New York City time, on , 2002, unless we extend the expiration date.

Conditions to the Exchange Offer..... The exchange offer is subject to certain customary conditions, which may be waived by us. The exchange offer is not conditioned upon any minimum principal amount of outstanding notes being tendered.

Procedures for Tendering

Outstanding Notes..... If you wish to tender outstanding notes, you must complete, sign and date the letter of transmittal, or a facsimile of it, in accordance with its instructions and transmit the letter of transmittal, together with your notes to be exchanged and any other required documentation, to The Bank of New York, who is the exchange agent, at the address set forth in the letter of transmittal to arrive by 5:00 p.m., New York City time, on the expiration date. See "The Exchange Offer--Procedures for Tendering Outstanding Notes." By executing the letter of transmittal, you will represent to us that you are acquiring the exchange notes in the ordinary course of your business, that you are not participating, do not intend to participate and have no arrangement or understanding with any person to participate in the distribution of exchange notes, and that you are not an "affiliate" of ours. See "The Exchange Offer--Procedures for Tendering Outstanding Notes."

Special Procedures for Beneficial

Holders..... If you are the beneficial holder of outstanding notes that are registered in the name of your broker, dealer, commercial bank, trust company or other nominee, and you wish to tender in the exchange offer, you should contact the person in whose name your outstanding notes are registered promptly and instruct such person to tender on your behalf. See "The Exchange Offer--Outstanding Notes."

Guaranteed Delivery Procedures.....

If you wish to tender your outstanding notes and you cannot deliver such notes, the letter of transmittal or any other required documents to the exchange agent before the expiration date, you may tender your outstanding notes according to the guaranteed delivery procedures set forth in

"The Exchange Offer--Guaranteed Delivery Procedures."

Withdrawal Rights..... Tenders may be withdrawn at any time before 5:00 p.m., New York City time, on the expiration date.

Acceptance of Outstanding Notes and Delivery of Exchange Notes..... Subject to certain conditions, we will accept for exchange any and all outstanding notes which are properly tendered in the exchange offer before 5:00 p.m., New York City time, on the expiration date. The exchange notes will be delivered promptly after the expiration date. See "The Exchange Offer--Terms of the Exchange Offer."

Certain Federal Income Tax Considerations..... The exchange of outstanding notes for exchange notes will not be a taxable event for federal income tax purposes. You will not recognize any taxable gain or loss as a result of exchanging outstanding notes for exchange notes, and you will have the same tax basis and holding period in the exchange notes as you had in the outstanding notes immediately before the exchange. See "Certain Federal Income Tax Considerations."

Use of Proceeds..... We will not receive any proceeds from the issuance of the exchange notes.

Exchange Agent..... The Bank of New York is serving as exchange agent in connection with the exchange offer. The address, telephone number and facsimile number of the exchange agent are set forth in "The Exchange Offer--Exchange Agent."

Summary of the Exchange Notes

The summary below describes the principal terms of the exchange notes. Certain of the terms and conditions described below are subject to important limitations and exceptions. The "Description of Notes" section of this prospectus contains a more detailed description of the terms and conditions of the exchange notes.

Issuer.....	Vail Resorts, Inc.
Notes Offered.....	\$160,000,000 aggregate principal amount of 8 3/4% Senior Subordinated Notes due 2009.
Interest Payment Dates.....	Interest will accrue in the exchange notes from the last interest payment date on which interest was paid on the outstanding notes surrendered in exchange therefor or if no interest has been paid on the outstanding notes, from November 21, 2001 and will be payable semi-annually on May 15 and November 15 of each year, commencing May 15, 2002.
Maturity.....	May 15, 2009.
Original Issue Discount.....	The outstanding Notes were offered at an original issue discount for federal income tax purposes. The exchange notes will have original issue discount identical to that of the outstanding notes. Original issue discount has accrued from the issue date of the outstanding Notes and will continue to accrue and will be included as interest income periodically in a holder's gross income for U.S. federal income tax purposes in advance of receipt of the cash payments to which the income is attributable. See "Certain Federal Income Tax Considerations."
Guarantees.....	Certain of our subsidiaries other than those treated as Unrestricted Subsidiaries will guarantee the exchange notes on a senior subordinated basis. Future subsidiaries which are deemed restricted subsidiaries will also be required to guarantee the exchange notes if they guarantee any of our other debt. See "Description of Notes--Guarantees."
Ranking.....	The exchange notes will be unsecured senior subordinated obligations and will be subordinated to all our existing and future senior debt. The exchange notes will rank equally with all our other existing and future senior subordinated debt, including the existing notes, and will rank senior to all our subordinated indebtedness.

Our subsidiaries' guarantees with respect to the exchange notes will be general unsecured senior subordinated obligations of such guarantors and will be subordinated to all of such guarantors' existing and future senior debt. The guarantees will rank equally with any senior subordinated indebtedness of the guarantors, including their guarantees of the existing notes, and will rank senior to such guarantors' subordinated debt.

Because the exchange notes are subordinated, in the event of bankruptcy, liquidation or dissolution, holders of the exchange notes will not receive any payment until holders of senior indebtedness have been paid in full. The term "senior debt" is defined in the "Description of Exchange Notes--Subordination" section of this prospectus.

At December 26, 2001, after giving effect to the offering and the application of the net proceeds, we had approximately \$162.8 million of senior debt outstanding on a consolidated basis.

Redemption..... We may redeem the exchange notes, in whole or in part, at any time on or after May 15, 2004, at the declining redemption prices set forth in this prospectus plus accrued interest.

Optional Redemption..... On or prior to May 15, 2002, we may redeem up to 35% of the exchange notes with the net proceeds of certain equity offerings at 108.75% of the principal amount thereof, plus accrued interest, if at least 65% of the aggregate principal amount of the exchange notes remains outstanding. See "Description of Exchange Notes--Optional Redemption."

Prior to May 15, 2004, we may also redeem the exchange notes, in whole or in part, upon the occurrence of a change of control at a make-whole price as described under "Description of Exchange Notes--Optional Redemption."

Change of Control..... Upon certain change of control events, if we do not redeem the exchange notes, each holder of exchange notes may require us to repurchase all or a portion of its exchange notes at a purchase price equal to 101% of the principal amount thereof, plus accrued interest. Our ability to repurchase the exchange notes upon a change of control event will be limited by the terms of our debt agreements, including our Credit Facility. We cannot assure you that we

will have the financial resources to repurchase the exchange notes. See "Description of Exchange Notes--Repurchase at the Option of Holders--Change of Control."

Certain Covenants.....

The indenture governing the exchange notes will contain covenants that, among other things, will limit our ability and the ability of certain of our subsidiaries to:

o incur additional indebtedness;

o pay dividends on, redeem or repurchase our capital stock;

o make investments;

o engage in transactions with affiliates;

o create certain liens;

o sell assets; or

o consolidate, merge or transfer all or substantially all our assets and the assets of our subsidiaries on a consolidated basis.

These covenants are subject to important exceptions and qualifications, which are described in the "Description of Exchange Notes" section of this prospectus.

Risk Factors.....

See "Risk Factors" for a discussion of factors you should carefully consider before deciding to invest in the exchange notes.

SUMMARY CONSOLIDATED FINANCIAL AND OPERATING DATA

The summary historical data for the fiscal years 1997, 1998, 1999, 2000 and 2001 is derived from actual audited results for such years. On September 1, 1997, we changed our fiscal year end from September 30 to July 31. Accordingly, our fiscal year 1998 ended on July 31, 1998 and consisted of ten months. See the "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and our consolidated financial statements and the notes thereto included in our Annual Report on Form 10-K incorporated by reference herein. The summary historical data for the three months ended October 31, 2001 and 2000 is derived from our unaudited consolidated financial statements, which included all adjustments management considers necessary to present fairly the financial results for this interim period. All of these adjustments were of a normal recurring nature. The results of such interim periods are not necessarily indicative of results to be expected for the full year due to the highly seasonal nature of our business (which ordinarily produces losses for the first and fourth quarters). See "Risk Factors--Our business is seasonal in Nature."

-
- (1) Resort EBITDA (earnings before interest expense, income tax expense, depreciation and amortization) is defined as revenues from resort operations less resort operating expenses. Resort EBITDA is not a term that has an established meaning under generally accepted accounting principles ("GAAP"), and it might not be comparable to similarly titled measures reported by other companies. We have included the information concerning Resort EBITDA because our management believes it is an indicative measure of a resort company's operating performance and is generally used by investors to evaluate companies in the resort industry. Resort EBITDA does not purport to represent cash provided by operating activities, and should not be considered in isolation or as a substitute for measures of performance prepared in accordance with GAAP. For information regarding our historical cash flows from operating, investing and financing activities, see our consolidated financial statements included elsewhere in this prospectus.
 - (2) A skier visit represents one guest accessing a ski mountain for all or any part of a day or night and includes both paid and complimentary tickets and ski passes.
 - (3) Resort revenue per skier visit excludes revenue generated by Grand Teton Lodge Company and Snake River Lodge & Spa from the calculation because those business do not support any of our ski areas.
 - (4) Real estate operating income is defined as revenue from real estate operations less real estate costs and expenses, which include selling and holding costs, operating expenses, and an allocation of the land, infrastructure, mountain improvement and other costs relating to property sold. Real estate costs and expenses exclude charges for depreciation and amortization, as we have determined that the portion of those expenses allocable to real estate is not significant.
 - (5) Real estate held for sale and investment includes all land, development costs and other improvements associated with real estate held for sale and investment, as well as investments in real estate joint ventures.
 - (6) Total EBITDA represents earnings before interest expense, income tax expense, depreciation and amortization. EBITDA is presented because management believes it provides useful information regarding a company's ability to incur and service debt. EBITDA should not be considered in isolation or as a substitute for net income or cash flows prepared in accordance with GAAP, nor should it be used as a measure of our profitability or liquidity.
 - (7) We typically categorize approximately \$25 million to \$35 million per calendar year of total resort capital expenditures as maintenance capital expenditures.

- (8) Pro forma interest expense gives effect to the offering of the notes and the repayment of indebtedness under our old credit facility (which may be reborrowed) with the proceeds thereof as if it occurred on July 31, 2001. Pro forma interest expense does not give effect to the interest rates in effect under the Credit Facility, see "Description of Certain Indebtedness."
- (9) The ratio of earnings to fixed charges represents the number of times fixed charges were covered by pre-tax earnings before provision for interest expense. Fixed charges consist of interest expense, capitalized interest, amortization of debt issuance costs, and a portion of the operating lease expense deemed to be representative of the interest factor. The ratio is not presented for the three months ended October 31, 2001 and 2000 as the ratio is negative for these periods due to the seasonal nature of the Company's business, and is not indicative of results to be expected for a full fiscal year.
- (10) The pro forma ratio of earnings to fixed charges incorporates the use of pro forma interest expense described in (8) in the calculation of the ratio of earnings to fixed charges.

RISK FACTORS

You should carefully consider the following factors and other information in this prospectus before deciding to invest in the notes.

We are highly leveraged. At October 31, 2001, we had \$418.2 million of indebtedness, representing approximately 45.8% of our total capitalization. See "Capitalization." Furthermore, subject to certain restrictions in our Credit Facility and the indenture governing the notes and the existing notes, we, along with our subsidiaries, may incur additional indebtedness from time to time to finance acquisitions, provide for working capital or capital expenditures or for other purposes.

Our high level of indebtedness could have important consequences to you, including limiting our ability to:

- o obtain additional financing for acquisitions, working capital, capital expenditures or other purposes;
- o use operating cash flow in other areas of our business because we must dedicate a substantial portion of these funds to make principal payments and fund debt service;
- o borrow additional funds or dispose of assets;
- o compete with others who are not as highly leveraged; and
- o react to changing market conditions, changes in our industry and economic downturns.

We currently expect that we will be able to service our indebtedness out of cash flow from operations. If we are unable to generate sufficient cash flow to meet our debt service obligations, we will have to pursue one or more alternatives, such as reducing or delaying capital expenditures, refinancing debt, selling assets or raising equity capital. Each of these alternatives is dependent upon financial, business and other general economic factors that affect us, many of which are beyond our control. We cannot assure you that any of these alternatives could be accomplished on satisfactory terms or that they would yield sufficient funds to retire the notes and the indebtedness senior to the notes. While we believe that our cash flow from operations will provide an adequate source of long-term liquidity, a significant drop in operating cash flows resulting from economic conditions, competition or other uncertainties beyond our control would increase the need for alternative sources of liquidity. See the "Management's Discussion and Analysis of Financial Condition and Results of Operations--Liquidity and Capital Resources" section of our Annual Report on Form 10-K incorporated by reference herein.

Our future growth requires additional capital whose availability is not assured. We intend to make significant investments in our resorts to maintain our competitive position. We spent approximately \$57.8 million and \$77.7 million in the fiscal years ended July 31, 2001 and 2000, respectively, on resort capital expenditures and expect to continue making substantial resort capital expenditures. We could finance future expenditures from any of the following sources:

- o cash flow from operations;

- o bank borrowings;
- o public offerings of debt or equity;
- o private placements of debt or equity; or
- o some combination of the above.

We might not be able to obtain financing for future expenditures on favorable terms.

Our recent or future acquisitions might not be successful. In recent years, we have acquired several major ski resorts and other destination resorts and hotel properties, including the Ritz-Carlton, Rancho Mirage, the Vail Marriott and a number of real estate developments. Although we believe we have enhanced our earnings and achieved cost savings by integrating these acquisitions into our operations, we cannot assure you that we will be able to continue this successful integration, manage these acquired properties profitably or increase our profits from these operations. We continually evaluate and are currently evaluating potential acquisitions and intend to actively pursue acquisition opportunities, some of which could be significant. We would face various risks from additional acquisitions, including:

- o inability to integrate acquired businesses into our operations;
- o potential goodwill impairment;
- o diversion of our management's attention; and
- o unanticipated problems or liabilities.

These problems from future acquisitions could adversely affect our operations and financial performance.

Terrorist acts upon the United States could have a material adverse effect on us. The terrorist acts carried out against the United States on September 11, 2001 have had an adverse effect on the global travel and leisure industry. We cannot guarantee if or when normal travel and vacation patterns will resume. Furthermore, additional terrorist acts against the United States and the declaration of war by the United States could result in further degradation of discretionary travel upon which our operations are highly dependent. Such degradation could have a material adverse impact on our results of operations. Due to the revenue cancellations and shortfalls relating to September 11th and the weak economy, Resort EBITDA for the first quarter of fiscal 2002 was less than Resort EBITDA in the first quarter of fiscal 2001. As of the date of this prospectus, we anticipate that Resort EBITDA for fiscal 2002, excluding fiscal 2002 acquisitions, will be less than fiscal 2001 Resort EBITDA.

Our future development might not be successful. We have significant development plans for our resort and real estate operations. We could experience significant difficulties completing these projects, including:

- o delays in completion;

- o inaccurate cost estimates;
- o difficulty in receiving the necessary regulatory approvals; or
- o we may not benefit from the projects as we expected.

We may not be able to fund these projects with cash flow from operations and borrowings under our Credit Facility if we faced these difficulties.

We face significant competition. The number of people who ski in the United States (as measured in skier visits) has increased by approximately 10% since the 1985-86 ski season and there is substantial competition among ski resorts for these customers. The factors that we believe are important to these customers include:

- o proximity to population centers;
- o availability and cost of transportation to ski areas;
- o ease of travel to ski areas (including direct flights by major airlines);
- o pricing of our products and services;
- o snowmaking facilities;
- o type and quality of skiing offered;
- o duration of the ski season;
- o weather conditions;
- o number, quality and price of related services and lodging; and
- o reputation.

We have many competitors for our ski vacationers, including ski resorts in Utah, California, Nevada, New England and the other major resorts in Colorado. Our destination guests can choose from any of these alternatives, as well as non-skiing vacation destinations around the world. Our day skier customers can choose from a number of nearby competitors, including Copper Mountain, Telluride, Steamboat Springs, Winter Park and the Aspen resorts, as well as other forms of leisure such as attendance at movies, sporting events and participation in other indoor and outdoor recreational activities. This competition may adversely affect our skier visits and the pricing of our products and services.

We rely on government permits. Virtually all of our ski trails and related activities on Vail, Breckenridge and Keystone and a substantial portion on Beaver Creek are located on federal land. The United States Forest Service has granted us permits to use these lands, but maintains the right to review and approve the location, design and construction of improvements in these areas and on many

operational matters. The Forest Service can terminate most of these permits if required in the public interest. Although we do not know of any permit used by a major ski resort then in operation that has been terminated by the Forest Service over the opposition of the permittee, a termination of any of our permits would adversely affect our business and operations.

We have applied for several new permits or other approvals for improvements and new development. While these efforts, if not successful, could impact our expansion efforts as currently contemplated, we do not believe they would adversely affect our results of operations or financial condition. Furthermore, Congress may increase the fees we pay to the Forest Service for use of these federal lands.

We operate three resort properties within Grand Teton National Park under a concession contract with the National Park Service. The concession contract expires at the end of December 2002, at which time the contract renewal will be subject to a competitive bidding process. Should we not receive the renewal of the concession contract, we would be compensated for the value of our "possessory interest" in the assets of the three resort properties operated under the concession contract, which is generally defined as the replacement cost of such assets less depreciation.

We are subject to economic downturns. Skiing and tourism are discretionary recreational activities that can be impacted by a significant economic slowdown, which, in turn, could impact our operating results. Although historically economic downturns have not had an adverse impact on our operating results, there can be no assurance that a decrease in the amount of discretionary spending by the public in the future would not have an adverse effect on us.

We are subject to unfavorable weather conditions. The ski industry's ability to attract visitors to its resorts is influenced by weather conditions and the amount and timing of snowfall during the ski season. Unfavorable weather conditions can adversely affect skier visits. In the past 20 years our ski resorts have averaged between 20 and 30 feet of annual snowfall, significantly in excess of the average for U.S. ski resorts. However, there is no assurance that our resorts will receive seasonal snowfalls near the historical average in the upcoming or future ski seasons. Also, the early ski season snow conditions and skier perceptions of early ski season snow conditions influence the momentum and success of the overall ski season. We believe that poor snow conditions early in the ski season during the 1998-99 and 1999-00 ski seasons had an adverse effect on operating results for those periods. There is no way for us to predict future weather patterns or the impact that weather patterns may have on results of operations or visitation.

We are dependent on a seasonal workforce. Our resort operations are largely dependent on a seasonal workforce. We recruit worldwide to fill staffing needs each ski season, and utilize H2B visas to enable the use of foreign workers. In addition, we manage seasonal wages and timing of the hiring process to ensure the appropriate workforce is in place. While we do not currently foresee the need to increase seasonal wages to attract employees, we cannot guarantee that such an increase would not be necessary in the future. In addition, we cannot guarantee that we will be able to obtain the visas necessary to hire foreign workers, who are an important source for the seasonal workforce. Increased seasonal wages or an inadequate workforce could have an adverse impact on our results of operations; however, we are unable to predict with any certainty whether such situations will arise or the potential impact to results of operations.

Our business is seasonal in nature. Our ski and resort operations are seasonal in nature. In particular, revenues and profits at our ski resorts are substantially lower and historically result in losses in the summer months due to the closure of its ski operations. Snake River Lodge & Spa, while open year-round, generates the majority of its revenues during the winter season. Conversely, Grand Teton Lodge Company's peak operating season occurs during the summer months while the winter season generally results in operating losses due to closure of all revenue generating operations. However, revenues and profits generated by Grand Teton Lodge Company's summer operations are not sufficient to fully offset our off-season losses from our ski resorts. During the 2001 fiscal year, 76.5% of total resort revenues were earned during the second and third fiscal quarters. Quarterly results may be materially affected by the timing of snowfall and the integration of acquisitions. Therefore, the operating results for any three-month period are not necessarily indicative of the results that may be achieved for any subsequent fiscal quarter or for a full fiscal year. We are taking steps to smooth our earnings cycle by investing in additional summer activities, such as golf course development, and also through the acquisition of new resorts, such as Grand Teton Lodge Company. (See Note 13 of the Notes to Consolidated Financial Statements for Selected Quarterly Financial Data included in our Annual Report on Form 10-K incorporated by reference herein.)

Apollo Ski Partners has influence over us. Apollo Ski Partners owns approximately 99.9% of our outstanding shares of Class A Common Stock, giving them approximately 21% of the combined voting power with respect to all matters submitted for a vote of all stockholders. The holders of Class A Common Stock elect a class of directors that constitutes two-thirds of our board of directors. Accordingly, Apollo Ski Partners and, indirectly, Apollo Advisors, L.P. (which indirectly controls Apollo Ski Partners) will be able to elect two-thirds of our board of directors and control the approval of matters requiring approval by the board of directors, including mergers, liquidations and asset acquisitions and dispositions. In addition, Apollo Ski Partners and Apollo Advisors, L.P. may be able to significantly influence decisions on matters submitted for stockholder consideration.

Future changes in the real estate market could affect the value of our investments. We have extensive real estate holdings in proximity to our mountain resorts. We have made capital expenditures of approximately \$40.4 million and \$39.2 million in fiscal years 2000 and 2001, respectively, in our real estate operations. We plan to make significant additional investments in developing property at all our resorts. The value of our real property and the revenue from related development activities may be adversely affected by a number of factors, including:

- o national and local economic climate;
- o local real estate conditions (such as an oversupply of space or a reduction in demand for real estate in an area);
- o attractiveness of the properties to prospective purchasers and tenants;
- o competition from other available property or space;
- o our ability to obtain adequate insurance;
- o unexpected construction costs;

- o government regulations and changes in real estate, zoning or tax laws;
- o interest rate levels and the availability of financing; and
- o potential liabilities under environmental and other laws.

In addition, we run the risk that our new acquisitions may fail to perform in accordance with our expectations, and that our estimates of the costs of improvements for such properties may prove inaccurate. While we attempt to mitigate our exposure to these risks by selling multi-family development parcels to third-party developers who assume the risk of construction or by pre-selling single-family homesites or condominium residences to individual purchasers prior to the start of our construction projects, we cannot assure you that we will continue to do so in the future. Although we believe that the current market for the sale of our resort property is strong, we cannot assure you that such market conditions will continue. See the "Business--Real Estate" section in our Annual Report on Form 10-K incorporated by reference herein.

Your claims are subordinated to our and our subsidiaries' senior debt. Payments on the notes and the guarantees are subordinated to all of our and the guarantors' existing and future indebtedness, including amounts under our Credit Facility, other than the existing notes and other than any future indebtedness that expressly provides that it is equal to or subordinated in right of payment to the notes and the guarantees. As a result, upon any distribution to our creditors in a bankruptcy, liquidation or reorganization or similar proceeding with respect to us or our property, the holders of our senior debt and our guarantors' senior debt will be entitled to be paid in full before any payment may be made with respect to the notes and the guarantees. Claims in respect of the notes will be effectively subordinated to all liabilities, including trade payables, of any of our subsidiaries that are not subsidiary guarantors. At December 26, 2001, after giving effect to the offering and the application of the net proceeds, we had approximately \$162.8 million of senior debt outstanding on a consolidated basis.

Our subsidiary, The Vail Corporation, is the borrower under our \$421.0 million revolving Credit Facility and its obligations are guaranteed by us and certain of our subsidiaries. At December 26, 2001, after giving effect to the offering and the application of the net proceeds, we had approximately \$55.0 million outstanding, \$129.2 million of letters of credit issued thereunder and remaining availability of \$236.8 million (subject to limitation by the financial covenants of the Credit Facility).

At October 31, 2001, SSI Venture, LLC, in which we have a 51.9% ownership interest, had \$20.2 million outstanding under the \$25 million SSI Venture Credit Facility, all of which was guaranteed by one of our subsidiaries.

See the "Management's Discussion and Analysis of Financial Condition and Results of Operations--Liquidity and Capital Resources" section in our Annual Report on Form 10-K incorporated by reference herein.

Guarantees may be unenforceable due to fraudulent conveyance statutes. Although laws differ among various jurisdictions, in general, under fraudulent conveyance laws, a court could subordinate or avoid any subsidiary guarantee if it found that:

- o the guarantee was incurred with actual intent to hinder, delay or defraud creditors; or
- o the guarantor did not receive fair consideration or reasonably equivalent value for the guarantee and the guarantor was any of the following:
 - o insolvent or rendered insolvent because of the guarantee;
 - o engaged in business or transactions for which its remaining assets constituted unreasonably small capital; or
 - o intended to incur, or believed that it would incur, debts beyond its ability to pay at maturity.

If a court avoided a guarantee as a result of fraudulent conveyance, or held it unenforceable for any other reason, noteholders would cease to have a claim against the guarantor and would be creditors solely of Vail Resorts and the remaining guarantors.

There are restrictions imposed by the terms of our indebtedness. The operating and financial restrictions and covenants in our Credit Facility may adversely affect our ability to finance future operations or capital needs or to engage in other business activities. Our Credit Facility includes covenants that will require us to meet certain financial ratios and financial conditions which may require that we take action to reduce debt or to act in a manner contrary to our business objectives. If we breach any of these restrictions or covenants or suffer a material adverse change which restricts our borrowing ability under our Credit Facility, we would be unable to borrow funds thereunder without a waiver. A breach could cause a default under the notes and our other debt. Our indebtedness may then become immediately due and payable. We may not have or be able to obtain sufficient funds to make these accelerated payments, including payments on the notes.

In addition, the indenture governing the notes restricts, among other things, our ability to:

- o borrow money;
- o pay dividends on stock or make certain other restricted payments;
- o use assets as security in other transactions;
- o make investments;
- o enter into certain transactions with our affiliates; and
- o sell certain assets or merge with other companies.

If we fail to comply with these covenants, we would be in default under the indenture governing the notes, and the principal and accrued interest on the notes would become due and payable. See "Description of Notes--Certain Covenants."

There are possible implications from original issue discount. The outstanding notes were issued at an original issue discount ("OID") for U.S. federal income tax purposes. OID is the excess of (i) the stated redemption price at maturity of the notes over (ii) the issue price of the notes. U.S. holders will be required to include the OID in income as it accrues in advance of the receipt of cash payments attributable to such income, regardless of such holders' regular method of accounting for United States federal income tax purposes. The exchange notes will have original issue discount identical to that of the outstanding notes. In addition, if a bankruptcy case is commenced by or against us under the U.S. Bankruptcy Code after the issuance of the notes, the claim of a holder of notes may be limited to an amount equal to the sum of (i) the issue price and (ii) that portion of the OID which is not deemed to constitute "unmatured interest" for purposes of the U.S. Bankruptcy Code. Any OID that was not amortized as of the date of any such bankruptcy filing would constitute "unmatured interest." See "Certain Federal Income Tax Considerations" for a more detailed discussion of the U.S. federal income tax consequences to the holders of notes of the purchase, ownership and disposition of the notes.

We may not be able to purchase the notes upon a change of control. Upon certain change of control events, each holder of notes may require us to repurchase all or a portion of its notes at a purchase price equal to 101% of the principal amount thereof, plus accrued interest. Our ability to repurchase the notes upon a change of control event could be limited by the terms of our debt agreements. Upon a change of control event, we may be required to repay the outstanding principal and any accrued interest on any other amounts owed by us under our credit facility. We cannot assure you that we would be able to repay amounts outstanding under our credit facility or obtain necessary consents under such facilities to repurchase these notes. Any requirement to offer to purchase any outstanding notes may result in our having to refinance our outstanding indebtedness, which we may not be able to do. In addition, even if we were able to refinance such indebtedness, such financing may be on terms unfavorable to us. Certain provisions in our credit facility may delay, defer or prevent a merger, tender offer or other takeover attempt. The term "Change of Control" is defined in "Description of Notes--Certain Definitions."

The exchange notes will be new securities for which there is currently no public market. We do not intend to list the exchange notes on any national securities exchange or quotation system. The initial purchasers in the offering of outstanding notes have advised us that they currently intend to make a market in the exchange notes, but they are not obligated to do so and, if commenced, may discontinue such market making at any time. Accordingly, no market may develop for the exchange notes, and if a market does develop, it may have limited or no liquidity.

Failure to exchange your outstanding notes will leave them subject to transfer restrictions. If you do not exchange your outstanding notes for exchange notes, you will continue to be subject to the restrictions on transfer of your outstanding notes set forth in their legend because the outstanding notes were issued pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. In general, outstanding notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a trans-

action not subject to, the Securities Act and applicable state securities laws. We currently do not anticipate registering the outstanding notes under the Securities Act. As outstanding notes are tendered and accepted in the exchange offer, the aggregate principal amount of outstanding notes will decrease, which will decrease their liquidity.

USE OF PROCEEDS

The exchange offer is intended to satisfy certain of our obligations under the registration rights agreement. We will not receive any cash proceeds from the exchange offer.

The net proceeds from the original sale of the outstanding notes were \$148.1 million. We used the net proceeds from the sale of the outstanding notes to repay indebtedness under our Credit Facility (thereby increasing our borrowing capacity under the Credit Facility).

The following table sets forth our capitalization as of October 31, 2001, and as adjusted to reflect the sale of the notes and the application of the estimated net proceeds of this offering. See "Description of Certain Indebtedness."

THE EXCHANGE OFFER

Purpose and Effect of the Exchange Offer

Exchange Offer Registration Statement. We issued the outstanding notes on November 21, 2001. The initial purchasers have advised us that they subsequently resold the outstanding notes to "qualified institutional buyers" in reliance on Rule 144A under the Securities Act and to certain persons in offshore transactions in reliance on Regulation S under the Securities Act. As a condition to the offering of the outstanding notes, we entered into a registration rights agreement dated November 21, 2001, pursuant to which we agreed, for the benefit of all holders of the outstanding notes, at our own expense, to do the following:

- (1) to file the registration statement of which this prospectus is a part with the Commission on or prior to 60 days after the closing date of the outstanding notes,
- (2) to use our commercially reasonable best efforts to cause the registration statement to be declared effective under the Securities Act on or prior to 180 days after the closing date of the outstanding notes,
- (3) to use our commercially reasonable best efforts to keep the registration statement effective until the closing of the exchange offer, and
- (4) to use our commercially reasonable best efforts to issue, on or prior to 60 days after the date on which the exchange offer registration statement was declared effective by the Commission, exchange notes in exchange for all outstanding notes tendered prior thereto.

Further, we agreed to keep the exchange offer open for acceptance for not less than the minimum period required under applicable Federal and state securities laws. For each outstanding Note validly tendered pursuant to the exchange offer and not withdrawn, the holder of the outstanding Note will receive an exchange note having a principal amount equal to that of the tendered outstanding Note. Interest on each exchange note will accrue from the last date on which interest was paid on the tendered outstanding Note in exchange therefor or, if no interest was paid on such outstanding Note, from the issue date.

The following is a summary of the registration rights agreement. It does not purport to be complete and it does not contain all of the information you might find useful. For further information you should read the registration rights agreement, a copy of which has been filed as an exhibit to the registration statement. The exchange offer is intended to satisfy certain of our obligations under the registration rights agreement.

Transferability. We issued the outstanding notes on November 21, 2001 in a transaction exempt from the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the outstanding notes may not be offered or sold in the United States unless registered or pursuant to an applicable exemption under the Securities Act and applicable state securities laws. Based on no-action letters issued by the staff of the Commission with respect to similar transactions, we believe that the exchange notes issued pursuant to the exchange offer in exchange for outstanding notes may be offered for resale, resold and otherwise transferred by holders of notes who are not our

affiliates without further compliance with the registration and prospectus delivery requirements of the Securities Act, provided that:

- (1) any exchange notes to be received by the holder were acquired in the ordinary course of the holder's business;
- (2) at the time of the commencement of the exchange offer the holder has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of the exchange notes; and
- (3) the holder is not an "affiliate" of the Company, as defined in Rule 405 under the Securities Act, or, if it is an affiliate, that it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable.

However, we have not sought a no-action letter with respect to the exchange offer and we cannot assure you that the staff of the Commission would make a similar determination with respect to the exchange offer. Any holder who tenders his outstanding notes in the exchange offer with any intention of participating in a distribution of exchange notes (1) cannot rely on the interpretation by the staff of the Commission, (2) will not be able to validly tender outstanding notes in the exchange offer and (3) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transactions.

In addition, each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. The letter of transmittal accompanying this prospectus states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is acting in the capacity of an "underwriter" within the meaning of Section 2(11) of the Securities Act. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where the outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities. Pursuant to the registration rights agreement, we agreed to make this prospectus available to any such broker-dealer for use in connection with any such resale.

Shelf Registration Statement. We will, at our cost, (a) file with the Commission a shelf registration statement covering resales of the outstanding notes as soon as practicable, but, in any event, on or prior to the 60th day after the date we become obligated to file the shelf registration statement, (b) use our commercially reasonable best efforts to cause the shelf registration statement to be declared effective under the Securities Act on or prior to the 180th day after the date we become obligated to file the shelf registration statement and (c) use our commercially reasonable best efforts to keep the shelf registration statement continually effective, supplemented and amended to the extent necessary to ensure that it is available for resales of notes by the holders of Transfer Restricted Securities for a period of at least two years following the effective date of such shelf registration statement (or shorter period that will terminate when all the Notes covered by such shelf registration statement have been sold pursuant to such shelf registration statement or are otherwise no longer Transfer Restricted Securities), if:

- (1) we are not required to file the exchange offer registration statement or not permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or Commission policy or
- (2) any initial purchaser that is a holder of Transfer Restricted Securities notifies us prior to the 20th day following consummation of the exchange offer that (a) it is prohibited by law or Commission policy from participating in the exchange offer or (b) it may not resell the exchange notes acquired by it in the exchange offer to the public without delivering a prospectus and the prospectus contained in the exchange offer registration statement is not appropriate or available for such resales.

We will, in the event of the filing of the shelf registration statement, provide to each holder of the outstanding notes copies of the prospectus which is a part of the shelf registration statement, notify each such holder when the shelf registration statement for the outstanding notes has become effective and take certain other action as is required to permit unrestricted resales of the outstanding notes. A holder of outstanding notes who sells such outstanding notes pursuant to the shelf registration statement generally will (1) be required to be named as a selling security holder in the related prospectus, (2) be required to deliver the prospectus to purchasers, (3) be subject to certain of the civil liability provisions under the Securities Act in connection with such sales and (4) be bound by the provisions of the registration rights agreement which are applicable to the holder (including certain indemnification obligations). In addition, each holder of the outstanding notes will be required to deliver information to be used in connection with the shelf registration statement and to provide comments on the shelf registration statement within the time periods set forth in the registration rights agreement in order to have their outstanding notes included in the shelf registration statement and to benefit from the provisions regarding the increase in interest rate set forth in the following paragraph.

Terms of the Exchange Offer

Upon satisfaction or waiver of all the conditions of the exchange offer, we will accept any and all outstanding notes properly tendered and not withdrawn prior to the expiration date and will issue the exchange notes promptly after acceptance of the outstanding notes. See "--Conditions to the Exchange Offer" and "Procedures for Tendering Private Notes." We will issue \$1,000 principal amount of exchange notes in exchange for each \$1,000 principal amount of outstanding notes accepted in the exchange offer. As of the date of this prospectus, \$160,000,000 aggregate principal amount of the notes are outstanding. Holders may tender some or all of their outstanding notes pursuant to the exchange offer. However, outstanding notes may be tendered only in integral multiples of \$1,000.

The exchange notes are identical to the outstanding notes except for the elimination of certain transfer restrictions, registration rights, restrictions on holding notes in certificated form and liquidated damages provisions. The exchange notes will evidence the same debt as the outstanding notes and will be issued pursuant to, and entitled to the benefits of, the indenture pursuant to which the outstanding notes were issued and will be deemed one issue of notes, together with the outstanding notes.

This prospectus, together with the letter of transmittal, is being sent to all registered holders and to others believed to have beneficial interests in the outstanding

notes. Holders of outstanding notes do not have any appraisal or dissenters' rights under the indenture in connection with the exchange offer. We intend to conduct the exchange offer in accordance with the applicable requirements of the Securities Act, the Exchange Act and the rules and regulations of the Commission promulgated thereunder.

For purposes of the exchange offer, we will be deemed to have accepted validly tendered private notes when, and as if, we have given oral or written notice thereof to the exchange agent. The exchange agent will act as our agent for the purpose of distributing the exchange notes from us to the tendering holders. If we do not accept any tendered outstanding notes because of an invalid tender, the occurrence of certain other events set forth in this prospectus or otherwise, we will return the unaccepted outstanding notes, without expense, to the tendering holder thereof as promptly as practicable after the expiration date.

Holders who tender private notes in the exchange offer will not be required to pay brokerage commissions or fees or, except as set forth below under "--Transfer Taxes," transfer taxes with respect to the exchange of outstanding notes pursuant to the exchange offer. We will pay all charges and expenses, other than certain applicable taxes, in connection with the exchange offer. See "--Fees and Expenses."

Expiration Date; Extensions; Amendments

The term "expiration date" shall mean 5:00 p.m., New York City time, on , 2002, unless we, in our sole discretion, extend the exchange offer, in which case the term "expiration date" shall mean the latest date and time to which the exchange offer is extended. In order to extend the exchange offer, we will notify the exchange agent by oral or written notice and each registered holder by means of press release or other public announcement of any extension, in each case, prior to 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date. We reserve the right, in our sole discretion, (1) to delay accepting any outstanding notes, (2) to extend the exchange offer, (3) to terminate the exchange offer if the conditions set forth below under "--Conditions" shall not have been satisfied, or (4) to amend the terms of the exchange offer in any manner. We will notify the exchange agent of any delay, extension, termination or amendment by oral or written notice. We will additionally notify each registered holder of any amendment. We will give to the exchange agent written confirmation of any oral notice.

Exchange Date

As soon as practicable after the close of the exchange offer we will accept for exchange all outstanding notes properly tendered and not validly withdrawn prior to 5:00 p.m., New York City time, on the expiration date in accordance with the terms of this prospectus and the letters of transmittal.

Conditions to the Exchange Offer

Notwithstanding any other provisions of the exchange offer, and subject to our obligations under the registration rights agreement, we (1) shall not be required to accept any outstanding notes for exchange, (2) shall not be required to issue exchange notes in exchange for any outstanding notes

and (3) may terminate or amend the exchange offer if, at any time before the acceptance of such exchange notes for exchange, any of the following events shall occur:

(1) any injunction, order or decree shall have been issued by any court or any governmental agency that would prohibit, prevent or otherwise materially impair our ability to proceed with the exchange offer;

(2) any change, or any development involving a prospective change, in our business or financial affairs or any of our subsidiaries has occurred which, in our sole judgment, might materially impair our ability to proceed with the exchange offer or materially impair the contemplated benefits of the exchange offer to us;

(3) any law, statute, rule or regulation is proposed, adopted or enacted which, in our sole judgment, might materially impair our ability to proceed with the exchange offer or materially impair the contemplated benefits of the exchange offer to us;

(4) any governmental approval has not been obtained, which approval we shall, in our sole discretion, deem necessary for the consummation of the exchange offer as contemplated hereby; or

(5) the exchange offer will violate any applicable law or any applicable interpretation of the staff of the Commission.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any such condition or may be waived by us in whole or in part at any time and from time to time in our sole discretion. Our failure at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and such right shall be deemed an ongoing right which may be asserted at any time and from time to time.

In addition, we will not accept for exchange any outstanding notes tendered, and no exchange notes will be issued in exchange for any such outstanding notes if at such time any stop order shall be threatened by the Commission or be in effect with respect to the registration statement of which this prospectus is a part or the qualification of the indenture under the Trust Indenture Act of 1939, as amended.

The exchange offer is not conditioned on any minimum aggregate principal amount of outstanding notes being tendered for exchange.

Consequences of Failure to Exchange

Any outstanding notes not tendered pursuant to the exchange offer will remain outstanding and continue to accrue interest. The outstanding notes will remain "restricted securities" within the meaning of the Securities Act. Accordingly, prior to the date that is one year after the later of the issue date and the last date on which we or any of our affiliates was the owner of the outstanding notes, the outstanding notes may be resold only (1) to us, (2) to a person who the seller reasonably believes is a "qualified institutional buyer" purchasing for its own account or for the account of another "qualified institutional buyer" in compliance with the resale limitations of Rule 144A, (3) to an Insti-

tutional Accredited Investor that, prior to the transfer, furnishes to the trustee a written certification containing certain representations and agreements relating to the restrictions on transfer of the notes (the form of this letter can be obtained from the trustee), (4) pursuant to the limitations on resale provided by Rule 144 under the Securities Act, (5) pursuant to the resale provisions of Rule 904 of Regulation S under the Securities Act, (6) pursuant to an effective registration statement under the Securities Act, or (7) pursuant to any other available exemption from the registration requirements of the Securities Act, subject in each of the foregoing cases to compliance with applicable state securities laws. As a result, the liquidity of the market for non-tendered outstanding notes could be adversely affected upon completion of the exchange offer. The foregoing restrictions on resale will no longer apply after the first anniversary of the issue date of the outstanding note or the purchase of the outstanding notes from us or an affiliate.

Fees and Expenses

We will not make any payments to brokers, dealers or others soliciting acceptances of the exchange offer. The principal solicitation is being made by mail; however, additional solicitations may be made in person or by telephone by our officers and employees.

Expenses incurred in connection with the exchange offer will be paid by us. Such expenses include, among others, the fees and expenses of the trustee and the exchange agent, accounting and legal fees, printing costs and other miscellaneous fees and expenses.

Accounting Treatment

We will not recognize any gain or loss for accounting purposes upon the consummation of the exchange offer. We will amortize the expenses of the exchange offer as additional interest expense over the term of the exchange notes.

Procedures for Tendering Outstanding Notes

The tender of outstanding notes pursuant to any of the procedures set forth in this prospectus and in the letter of transmittal will constitute a binding agreement between the tendering holder and us in accordance with the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal. The tender of outstanding notes will constitute an agreement to deliver good and marketable title to all tendered outstanding notes prior to the expiration date free and clear of all liens, charges, claims, encumbrances, interests and restrictions of any kind.

Except as provided in "--Guaranteed Delivery Procedures," unless the outstanding notes being tendered are deposited by you with the exchange agent prior to the expiration date and are accompanied by a properly completed and duly executed letter of transmittal, we may, at our option, reject the tender. Issuance of exchange notes will be made only against deposit of tendered outstanding notes and delivery of all other required documents. Notwithstanding the foregoing, DTC participants tendering through its Automated Tender Offer Program ("ATOP") will be deemed to have made valid delivery where the exchange agent receives an agent's message prior to the expiration date.

Accordingly, to properly tender outstanding notes, the following procedures must be followed:

Notes held through a Custodian. Each beneficial owner holding outstanding notes through a DTC participant must instruct the DTC participant to cause its outstanding notes to be tendered in accordance with the procedures set forth in this prospectus.

Notes held through DTC. Pursuant to an authorization given by DTC to the DTC participants, each DTC participant holding outstanding notes through DTC must (1) electronically transmit its acceptance through ATOP, and DTC will then edit and verify the acceptance, execute a book-entry delivery to the exchange agent's account at DTC and send an agent's message to the exchange agent for its acceptance, or (2) comply with the guaranteed delivery procedures set forth below and in a notice of guaranteed delivery. See "--Guaranteed Delivery Procedures--Notes held through DTC."

The exchange agent will (promptly after the date of this prospectus) establish accounts at DTC for purposes of the exchange offer with respect to outstanding notes held through DTC. Any financial institution that is a DTC participant may make book-entry delivery of interests in outstanding notes into the exchange agent's account through ATOP. However, although delivery of interests in the outstanding notes may be effected through book-entry transfer into the exchange agent's account through ATOP, an agent's message in connection with such book-entry transfer, and any other required documents, must be, in any case, transmitted to and received by the exchange agent at its address set forth under "--Exchange Agent," or the guaranteed delivery procedures set forth below must be complied with, in each case, prior to the expiration date. Delivery of documents to DTC does not constitute delivery to the exchange agent. The confirmation of a book-entry transfer into the exchange agent's account at DTC as described above is referred to herein as a "Book-Entry Confirmation."

The term "agent's message" means a message transmitted by DTC to, and received by, the exchange agent and forming a part of the book-entry confirmation, which states that DTC has received an express acknowledgment from each DTC participant tendering through ATOP that such DTC participants have received a letter of transmittal and agree to be bound by the terms of the letter of transmittal and that we may enforce such agreement against such DTC participants.

Cede & Co., as the holder of the global note, will tender a portion of the global note equal to the aggregate principal amount due at the stated maturity for which instructions to tender are given by DTC participants.

By tendering, each holder and each DTC participant will represent to us that, among other things, (1) it is not our affiliate, (2) it is not a broker-dealer tendering outstanding notes acquired directly from us for its own account, (3) it is acquiring the exchange notes in its ordinary course of business and (4) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the exchange notes.

We will not accept any alternative, conditional, irregular or contingent tenders (unless waived by us). By executing a letter of transmittal or transmitting an acceptance through ATOP, as the case may be, each tendering holder waives any right to receive any notice of the acceptance for purchase of its outstanding notes.

We will resolve all questions as to the validity, form, eligibility (including time of receipt) and acceptance of tendered outstanding notes, and such determination will be final and binding. We reserve the absolute right to reject any or all tenders that are not in proper form or the acceptance of which may, in the opinion of our counsel, be unlawful. We also reserve the absolute right to waive any condition to the exchange offer and any irregularities or conditions of tender as to particular outstanding notes. Our interpretation of the terms and conditions of the exchange offer (including the instructions in the letter of transmittal) will be final and binding. Unless waived, any irregularities in connection with tenders must be cured within such time as we shall determine. We, along with the exchange agent, shall be under no duty to give notification of defects in such tenders and shall not incur liabilities for failure to give such notification. Tenders of outstanding notes will not be deemed to have been made until such irregularities have been cured or waived. Any outstanding notes received by the exchange agent that are not properly tendered and as to which the irregularities have not been cured or waived will be returned by the exchange agent to the tendering holder, unless otherwise provided in the letter of transmittal, as soon as practicable following the expiration date.

LETTERS OF TRANSMITTAL AND OUTSTANDING NOTES MUST BE SENT ONLY TO THE EXCHANGE AGENT. DO NOT SEND LETTERS OF TRANSMITTAL OR OUTSTANDING NOTES TO US OR DTC.

The method of delivery of outstanding notes, letters of transmittal, any required signature guaranties and all other required documents, including delivery through DTC and any acceptance through ATOP, is at the election and risk of the persons tendering and delivering acceptances or letters of transmittal and, except as otherwise provided in the applicable letter of transmittal, delivery will be deemed made only when actually received by the exchange agent. If delivery is by mail, it is suggested that the holder use properly insured, registered mail with return receipt requested, and that the mailing be made sufficiently in advance of the expiration date to permit delivery to the exchange agent prior to the expiration date.

Guaranteed Delivery Procedures

Notes held through DTC. DTC participants holding outstanding notes through DTC who wish to cause their outstanding notes to be tendered, but who cannot transmit their acceptances through ATOP prior to the expiration date, may cause a tender to be effected if:

(1) guaranteed delivery is made by or through a firm or other entity identified in Rule 17Ad-15 under the Exchange Act, including:

- o a bank;
- o a broker, dealer, municipal securities dealer, municipal securities broker, government securities dealer or government securities broker;
- o a credit union;
- o a national securities exchange, registered securities association or clearing agency; or
- o a savings institution that is a participant in a Securities Transfer Association recognized program;

(2) prior to the expiration date, the exchange agent receives from any of the above institutions a properly completed and duly executed notice of guaranteed delivery (by mail, hand delivery, facsimile transmission or overnight courier) substantially in the form provided with this prospectus; and

(3) book-entry confirmation and an agent's message in connection therewith are received by the exchange agent within three NYSE trading days after the date of the execution of the notice of guaranteed delivery.

Notes held by Holders. Holders who wish to tender their outstanding notes but (1) whose outstanding notes are not immediately available and will not be available for tendering prior to the expiration date, or (2) who cannot deliver their outstanding notes, the letter of transmittal, or any other required documents to the exchange agent prior to the expiration date, may effect a tender if:

- o the tender is made by or through any of the above-listed institutions;
- o prior to the expiration date, the exchange agent receives from any above-listed institution a properly completed and duly executed notice of guaranteed delivery, whether by mail, hand delivery, facsimile transmission or overnight courier, substantially in the form provided with this prospectus; and
- o a properly completed and executed letter of transmittal, as well as the certificate(s) representing all tendered outstanding notes in proper form for transfer, and all other documents required by the letter of transmittal, are received by the exchange agent within three NYSE trading days after the date of the execution of the notice of guaranteed delivery.

Withdrawal Rights

You may withdraw tenders of outstanding notes, or any portion of your outstanding notes, in integral multiples of \$1,000 principal amount due at the stated maturity, at any time prior to 5:00 p.m., New York City time, on the expiration date. Any outstanding notes properly withdrawn will be deemed to be not validly tendered for purposes of the exchange offer.

Notes held through DTC. DTC participants holding outstanding notes who have transmitted their acceptances through ATOP may, prior to 5:00 p.m., New York City time, on the expiration date, withdraw the instruction given thereby by delivering to the exchange agent, at its address set forth under "--Exchange Agent," a written, telegraphic or facsimile notice of withdrawal of such instruction. Such notice of withdrawal must contain the name and number of the DTC participant, the principal amount due at the stated maturity of outstanding notes to which such withdrawal relates and the signature of the DTC participant. Receipt of such written notice of withdrawal by the exchange agent effectuates a withdrawal.

Notes held by Holders. Holders may withdraw their tender of outstanding notes, prior to 5:00 p.m., New York City time, on the expiration date, by delivering to the exchange agent, at its address set forth under "--Exchange Agent," a written, telegraphic or facsimile notice of withdrawal. Any such notice of withdrawal must (1) specify the name of the person who tendered the outstanding notes to be withdrawn, (2) contain a description of the outstanding notes to be withdrawn and identify the certificate number or numbers shown on the particular certificates evidencing such outstanding notes and the aggregate principal amount due at the stated maturity represented by such outstanding notes and (3) be signed by the holder of such outstanding notes in the same manner as the original signature on the letter of transmittal by which such outstanding notes were tendered (including any required signature guaranties), or be accompanied by (x) documents of transfer in a form acceptable to us, in our sole discretion, and (y) a properly completed irrevocable proxy that authorized such person to effect such revocation on behalf such holder. If the outstanding notes to be withdrawn have been delivered or otherwise identified to the exchange agent, a signed notice of withdrawal is effective immediately upon written, telegraphic or facsimile notice of withdrawal even if physical release is not yet effected.

All signatures on a notice of withdrawal must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchange Medallion Program; provided, however, that signatures on the notice of withdrawal need not be guaranteed if the outstanding notes being withdrawn are held for the account of any of the institutions listed above under "--Guaranteed Delivery Procedures."

A withdrawal of an instruction or a withdrawal of a tender must be executed by a DTC participant or a holder of outstanding notes, as the case may be, in the same manner as the person's name appears on its transmission through ATOP or letter of transmittal, as the case may be, to which such withdrawal relates. If a notice of withdrawal is signed by a trustee, partner, executor, administrator, guardian, attorney-in-fact, agent, officer of a corporation or other person acting in a fiduciary or representative capacity, such person must so indicate when signing and must submit with the revocation appropriate evidence of authority to execute the notice of withdrawal. A DTC participant or a holder may withdraw an instruction or a tender, as the case may be, only if such withdrawal complies with the provisions of this prospectus.

A withdrawal of a tender of outstanding notes by a DTC participant or a holder, as the case may be, may be rescinded only by a new transmission of an acceptance through ATOP or execution and delivery of a new letter of transmittal, as the case may be, in accordance with the procedures described herein.

DESCRIPTION OF NOTES

General

The outstanding notes were and the exchange notes will be issued pursuant to an Indenture (the "Original Indenture"), dated as of November 21, 2001, as amended by the First Supplemental Indenture, dated as of January 16, 2002 (the "Supplemental Indenture" and together with the Original Indenture, the "Indenture"), among the Company, as Issuer, The Vail Corporation, Vail Holdings, Inc. and each of the other Guarantors, as guarantors, and The Bank of New York, as trustee (the "Trustee"). The terms of the exchange notes are identical in all material respects to the outstanding notes, except that the exchange notes have been registered under the Securities Act and, therefore, will not bear legends restricting their transfer and will not contain certain provisions providing for liquidated damages under certain circumstances described in the Registration Rights Agreement, the provisions of which will terminate upon the consummation of the exchange offer. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (the "Trust Indenture Act"). The Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the Trust Indenture Act for a statement thereof. The following summary of the material provisions of the Indenture does not purport to be complete and is qualified in its entirety by reference to the Indenture, including the definitions therein of certain terms used below. Copies of the Indenture and Registration Rights Agreement can be requested by prospective investors from the Company at the address and telephone number set forth under "Where You Can Find More Information." The definitions of certain terms used in the following summary are set forth below under "Certain Definitions." For purposes of this "Description of Notes," the term "Company" refers only to Vail Resorts, Inc. and not to any of its Subsidiaries and the term "Notes" refers to both the outstanding notes and the exchange notes.

The Notes are general unsecured obligations of the Company and are subordinated in right of payment to all existing and future Senior Debt of the Company. As of October 31, 2001, after giving pro forma effect to the offering of the outstanding notes (the "Offering") and the application of the net proceeds therefrom, the Company and the Guarantors would have had consolidated Senior Debt of approximately \$87.2 million outstanding. The Indenture, subject to certain limitations, permits the incurrence of additional Senior Debt in the future. As of the date of the Indenture, all of the Company's consolidated Subsidiaries will be Restricted Subsidiaries, other than Boulder/Beaver, LLC, Colter Bay Corporation, Eagle Park Reservoir Company, Forest Ridge Holdings, Inc., Gros Ventre Utility Company, Jackson Lake Lodge Corporation, Jenny Lake Lodge, Inc., Mountain Thunder, Inc., Resort Technology Partners, LLC, RT Partners, Inc., SSI Venture, LLC, Vail Associates Investments, Inc. and VR Holdings, Inc. However, under certain circumstances, the Company is able to designate current or future Subsidiaries as Unrestricted Subsidiaries. Unrestricted Subsidiaries will not be subject to many of the restrictive covenants set forth in the Indenture.

The obligations of the Company under the Notes are guaranteed, jointly and severally on a senior subordinated basis, by the Guarantors. The Subsidiary Guarantee of each Guarantor is subordinated in right of payment to all existing and future Senior Debt of such Guarantor. See "--Subsidiary Guarantees."

Principal, Maturity and Interest

The Notes are limited in aggregate principal amount to \$300,000,000 (of which \$160,000,000 were issued in the Offering) and will mature on May 15, 2009. Interest on the Notes will accrue at the rate of 8 3/4% per annum and will be payable semi-annually in arrears on May 15 and November 15 of each year, commencing on May 15, 2002, to Holders of record on the immediately preceding May 1 and November 1, respectively. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. Principal of and premium, if any, interest and Liquidated Damages, if any, on the Notes will be payable at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest and Liquidated Damages may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders of Notes; provided that all payments of principal, premium, if any, interest and Liquidated Damages, if any, with respect to Notes the Holders of which have given wire transfer instructions to the Company will be required to be made by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Company, the Company's office or agency will be the office of the Trustee maintained for such purpose. The Notes will be issued in denominations of \$1,000 and integral multiples thereof.

Subordination

The payment (by set-off, redemption, repurchase or otherwise) of principal of and premium, if any, interest and Liquidated Damages, if any, on the Notes (including with respect to any repurchases of the Notes) is subordinated in right of payment, as set forth in the Indenture, to the prior payment in full in cash or, at the option of the holders of Senior Debt of the Company, in Cash Equivalents of all Obligations in respect of Senior Debt of the Company, whether outstanding on the date of the Indenture or thereafter incurred.

Upon any distribution to creditors of the Company upon any liquidation, dissolution or winding up of the Company or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Company or its property, whether voluntary or involuntary, an assignment for the benefit of creditors or any marshalling of the Company's assets and liabilities, the holders of Senior Debt of the Company are entitled to receive payment in full in cash or, at the option of the holders of Senior Debt of the Company, in Cash Equivalents of all Obligations due or to become due in respect of such Senior Debt (including interest after the commencement of any such proceeding, at the rate specified in the applicable Senior Debt) before the Holders of Notes are entitled to receive any payment of principal of or premium, if any, interest or Liquidated Damages, if any, on the Notes, and until all Obligations with respect to Senior Debt of the Company are paid in full in cash or, at the option of the holders of Senior Debt of the Company, in Cash Equivalents, any distribution of any kind or character to which the Holders of Notes would be entitled shall be made to the holders of Senior Debt of the Company (except that Holders of Notes may receive Permitted Junior Securities and payments made from the trust described under "--Legal Defeasance and Covenant Defeasance" or "--Satisfaction and Discharge of Indenture").

The Company also shall not, directly or indirectly, (x) make any payment of principal of or premium, if any, interest or Liquidated Damages, if any, on the Notes (except in Permitted Junior Securities or from the trust described under "--Legal Defeasance and Covenant Defeasance" or "--Satisfaction and Discharge of Indenture," if no default of the kind referred to in clause (i) below had occurred and was continuing, and no Payment Blockage Notice (as defined below) was in effect, at the time amounts were deposited with the Trustee as described therein) or (y) acquire any of the Notes for cash or property or otherwise or make any other distribution with respect to the Notes if (i) any default occurs and is continuing in the payment when due, whether at maturity, upon any redemption, by declaration or otherwise, of any principal of, or premium, if any, or interest on, any Designated Senior Debt of the Company or (ii) any other default occurs and is continuing with respect to Designated Senior Debt of the Company that permits holders of the Designated Senior Debt of the Company as to which such default relates to accelerate its maturity and the Trustee receives a notice of such default (a "Payment Blockage Notice") from the holders of such Designated Senior Debt of the Company. Payments on the Notes may and shall be resumed (a) in the case of a payment default, upon the date on which such default is cured or waived or otherwise has ceased to exist and (b) in the case of a nonpayment default, upon the earlier of the date on which such nonpayment default is cured or waived or otherwise has ceased to exist or 179 days after the date on which the applicable Payment Blockage Notice is received, unless the maturity of any Designated Senior Debt of the Company has been accelerated and such acceleration remains in full force and effect. No new period of payment blockage may be commenced unless and until 360 days have elapsed since the effectiveness of the immediately prior Payment Blockage Notice. No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such nonpayment default shall have been waived for a period of not less than 90 days. Each Holder by such Holder's acceptance of a Note irrevocably agrees that if any payment or payments shall be made pursuant to the Indenture and the amount or total amount of such payment or payments exceeds the amount, if any, that such Holder would be entitled to receive upon the proper application of the subordination provisions of the Indenture, then such Holder will be obliged to pay over the amount of such excess payment to the holders of Senior Debt of the Person that made such payment or payments or their representative or representatives, as instructed in a written notice of such excess payment, within ten days of receiving such notice.

The Indenture further requires that the Company promptly notify holders of Senior Debt of the Company and the Guarantors if payment of the Notes is accelerated because of an Event of Default.

As a result of the subordination provisions described above, in the event of a liquidation or insolvency, Holders of Notes may recover less ratably than creditors of the Company who are holders of Senior Debt. On a pro forma basis, after giving effect to the Offering and the application of the net proceeds therefrom, the principal amount of consolidated Senior Debt of the Company and Guarantors outstanding at October 31, 2001 would have been approximately \$87.2 million. The Indenture limits, through certain financial tests, the amount of additional Indebtedness, including Senior Debt, that the Company and its Restricted Subsidiaries can incur. See "--Certain Covenants--Incurrence of Indebtedness and Issuance of Preferred Stock."

"Designated Senior Debt" of any Person means (i) any Indebtedness of such Person outstanding under the Credit Agreement and (ii) any other Senior Debt of such Person, the principal

amount of which is \$25 million or more and that has been designated by the Company as "Designated Senior Debt" of such Person.

"Permitted Junior Securities" means Equity Interests (other than Disqualified Stock) in the Company or debt securities that are subordinated to all Senior Debt of the issuer of such debt securities (and any debt securities issued in exchange for Senior Debt of the issuer of such debt securities) to substantially the same extent as, or to a greater extent than, the Notes are subordinated to Senior Debt.

"Senior Debt" of any Person means (i) the Obligations of such Person under the Credit Agreement, including, without limitation, Hedging Obligations and reimbursement obligations in respect of letters of credit and bankers acceptances, and (ii) any other Indebtedness of such Person, unless the instrument under which such Indebtedness is incurred expressly provides that it is on a parity with or subordinated in right of payment to the Notes. Notwithstanding anything to the contrary in the foregoing, Senior Debt of a Person will not include (u) any Indebtedness represented by the Existing Notes or by any Guarantee of the Existing Notes, (v) any obligation to, in respect of or imposed by any environmental, landfill, waste management or other regulatory governmental agency, statute, law or court order, (w) any liability for federal, state, local or other taxes, (x) any Indebtedness of such Person to any of its Subsidiaries or other Affiliates, (y) any trade payables or (z) any Indebtedness that is incurred by such Person in violation of the Indenture (except to the extent that the original holder thereof relied in good faith after being provided with a copy of the Indenture upon an Officer's Certificate of such Person to the effect that the incurrence of such Indebtedness did not violate the Indenture).

Subsidiary Guarantees

The Company's payment obligations under the Notes are jointly and severally guaranteed (the "Subsidiary Guarantees") by all of the Company's consolidated Subsidiaries existing on the Closing Date, other than Boulder/Beaver, LLC, Colter Bay Corporation, Eagle Park Reservoir Company, Forest Ridge Holdings, Inc., Gros Ventre Utility Company, Jackson Lake Lodge Corporation, Jenny Lake Lodge, Inc., Mountain Thunder, Inc., Resort Technology Partners, LLC, RT Partners, Inc., SSI Venture, LLC, Vail Associates Investments, Inc. and VR Holdings, Inc. See Note 14 to "Consolidated Financial Statements" included in our Annual Report on Form 10-K incorporated by reference herein. In addition, VA Rancho Mirage Resort, L.P. and Rockresorts International, LLC (and its subsidiaries), each of which was acquired by the Company on November 15, 2001, and VAMHC, Inc., which was acquired by the Company on December 17, 2001, became Guarantors pursuant to the Supplemental Indenture on January 16, 2002. The Subsidiary Guarantee of each Guarantor are subordinated in right of payment to the same extent as the obligations of the Company in respect of the Notes, as set forth in the Indenture, to the prior payment in full in cash or, at the option of the holders of Senior Debt of such Guarantor, in Cash Equivalents of all Senior Debt of such Guarantor, which would include any Guarantee issued by such Guarantor that constitutes Senior Debt of such Guarantor, including Guarantees of Indebtedness under the Credit Agreement. The Indenture provides that if the Company or any of its Restricted Subsidiaries shall acquire or create another Restricted Subsidiary after the Closing Date, or any Unrestricted Subsidiary shall cease to be an Unrestricted Subsidiary and shall become a Restricted Subsidiary, then, unless such Subsidiary is not required to guarantee and has not guaranteed the Company's Obligations under the Credit Agreement

and has not guaranteed any other Indebtedness of the Company or any Restricted Subsidiary, such Subsidiary shall become a Guarantor in accordance with the terms of the Indenture. A Subsidiary shall, without limitation, be deemed to have guaranteed Indebtedness of another Person if such Subsidiary has Indebtedness of the kind described in clause (ii) or clause (iii) of the definition of the term "Indebtedness." The obligations of each Guarantor under its Subsidiary Guarantee will be limited to the maximum amount that would not result in the obligations of such Guarantor under its Subsidiary Guarantee constituting a fraudulent conveyance under applicable law.

The Indenture provides that no Guarantor may consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, whether or not affiliated with such Guarantor, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to another Person, unless (i) the Person formed by or surviving such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a Person organized and existing under the laws of the United States of America, any state thereof or the District of Columbia and expressly assumes all the obligations of such Guarantor, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee, under the Notes and the Indenture and (ii) immediately after giving effect to such transaction, no Default or Event of Default exists. The provisions of clause (i) of the preceding sentence shall not apply if the Person formed by or surviving the relevant consolidation or merger or to which the relevant sale, assignment, transfer, lease, conveyance or other disposition shall have been made is the Company, a Guarantor or a Person that is not, after giving effect to such transaction, a Restricted Subsidiary of the Company.

The Indenture provides that in the event of (i) a merger or consolidation to which a Guarantor is a party, then the Person formed by or surviving such merger or consolidation (if, after giving effect to such transaction, other than the Company or a Restricted Subsidiary of the Company) shall be released and discharged from the obligations of such Guarantor under its Subsidiary Guarantee, (ii) a sale or other disposition (whether by merger, consolidation or otherwise) of all of the Equity Interests of a Guarantor at the time owned by the Company and its Restricted Subsidiaries to any Person that, after giving effect to such transaction, is neither the Company nor a Restricted Subsidiary of the Company, or (iii) the release and discharge of a Guarantor from all obligations under Guarantees of (x) Obligations under the Credit Agreement and (y) any other Indebtedness of the Company or any of its Restricted Subsidiaries, then in each such case such Guarantor shall be released and discharged from its obligations under its Subsidiary Guarantee; provided that, in the case of each of clauses (i) and (ii), (a) the relevant transaction is in compliance with the Indenture, and (b) the Person being released and discharged shall have been released and discharged from all obligations it might otherwise have under Guarantees of Indebtedness of the Company or any of its Restricted Subsidiaries and, in the case of each of clauses (i), (ii) and (iii), immediately after giving effect to such transaction, no Default or Event of Default shall exist.

Optional Redemption

Except as described below, the Notes are not redeemable at the Company's option prior to May 15, 2004. Thereafter, the Notes will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid inter-

est and Liquidated Damages, if any, thereon to the applicable redemption date, if redeemed during the twelve-month period beginning on May 15 of the years indicated below:

Year	Percentage
2004.....	104.375%
2005.....	102.916%
2006.....	101.458%
2007 and thereafter.....	100.000%

Notwithstanding the foregoing, at any time on or prior to May 15, 2002, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes theretofore issued under the Indenture at a redemption price equal to 108.75% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the redemption date, with the net cash proceeds of one or more Equity Offerings; provided that (i) at least 65% of the aggregate principal amount of Notes theretofore issued remain outstanding immediately following each such redemption and (ii) such redemption shall occur within 60 days of the closing of any such Equity Offering.

In addition, upon the occurrence of a Change of Control (as defined below) at any time prior to May 15, 2004, the Notes will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice given within 30 days following such Change of Control, at the Make-Whole Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the applicable redemption date.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, selection of Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed, or, if the Notes are not so listed, on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate; provided that no Notes of \$1,000 or less shall be redeemed in part. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. If any note is to be redeemed in part only, the notice of redemption that relates to such note shall state the portion of the principal amount thereof to be redeemed. A new note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

Mandatory Redemption

Except as set forth below under "--Repurchase at the Option of Holders," the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Change of Control

Upon the occurrence of a Change of Control, unless notice of redemption of the notes in whole has been given pursuant to the provisions of the Indenture described above under "Optional Redemption," the Company will be obligated to make an offer (a "Change of Control Offer") to each Holder of Notes to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Notes at an offer price in cash equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase (the "Change of Control Payment"). Within 30 days following a Change of Control, the Company will mail a notice to each Holder with a copy to the Trustee describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date specified in such notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures required by the Indenture and described in such notice. In addition, the Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control.

On the Change of Control Payment Date, the Company will, to the extent lawful, (i) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered and (iii) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company. The Paying Agent will promptly mail or deliver to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount of \$1,000 or an integral multiple thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The Company is not required to make a Change of Control Offer following a Change of Control if a third party makes such a Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all notes validly tendered and not withdrawn pursuant to such Change of Control Offer.

The Change of Control provisions described above will be applicable whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture does not contain provisions that permit the Holders of the Notes to require that the Company repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction. However, restrictions in the Indenture described herein on the ability of the Company and its Restricted Subsidiaries to incur additional Indebtedness, to grant Liens on their respective properties, to make Restricted Payments and to make Asset Sales may also make more difficult or

discourage a takeover of the Company, whether favored or opposed by the management of the Company. Consummation of any such transaction in certain circumstances may require repurchase of the Notes, and there can be no assurance that the Company or the acquiring party will have sufficient financial resources to effect such repurchase. Such restrictions and the restrictions on transactions with Affiliates may, in certain circumstances, make more difficult or discourage any leveraged buyout of the Company or any of its Subsidiaries by their management. While such restrictions cover a wide variety of arrangements which have traditionally been used to effect highly leveraged transactions, the Indenture may not afford the Holders of Notes protection in all circumstances from the adverse aspects of a highly leveraged transaction, reorganization, restructuring, merger or similar transaction.

The Credit Agreement prohibits the Company from repurchasing any Notes without the prior written consent of lenders holding a majority of the commitments under the Credit Agreement. Any other credit agreements or other agreements governing indebtedness to which the Company becomes a party may contain similar restrictions and provisions and may, like the Credit Agreement, provide that certain change of control events with respect to the Company would constitute events of default thereunder. In the event a Change of Control occurs at a time when the Company is prohibited from repurchasing Notes, the Company could seek the consent of its lenders to the repurchase of Notes or could attempt to refinance or repay the borrowings that contain such prohibition. If the Company does not obtain such a consent or repay such borrowings, the Company will remain prohibited from repurchasing Notes. In such case, the Company's failure to repurchase tendered Notes would constitute an Event of Default under the Indenture which would, in turn, constitute a default under the Credit Agreement. In such circumstances, the subordination provisions in the Indenture would likely restrict payments to the Holders of the Notes.

The definition of Change of Control includes a phrase relating to the sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the assets of the Company and its Restricted Subsidiaries taken as a whole. Although there is case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a Holder of Notes to require the Company to repurchase such Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Company and its Restricted Subsidiaries taken as a whole to another Person or group may be uncertain.

Asset Sales

The Indenture provides that the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless (i) the Company (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the fair market value (evidenced by a Board Resolution) of the assets or Equity Interests issued or sold or otherwise disposed of and (ii) at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary is in the form of (x) cash or Cash Equivalents or (y) a controlling interest in another business or fixed or other long-term assets, in each case, in a Similar Business; provided that the amount of (a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or such Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Guarantee thereof) that are assumed by the transferee of any such assets or Equity Interests such that the Company or such Restricted Subsidiary are released from further liability and (b) any securities,

Notes or other obligations received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 90 days or are guaranteed (by means of a letter of credit or otherwise) by an institution specified in the definition of "Cash Equivalents" (to the extent of the cash received or the obligations so guaranteed) shall be deemed to be cash or Cash Equivalents for purposes of this provision, subject to application as provided in the following paragraph.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company, at its option, may (i) apply such Net Proceeds to permanently prepay, repay or reduce any Senior Debt of the Company (and to correspondingly reduce commitments with respect thereto in the case of revolving borrowings) or (ii) apply such Net Proceeds to the acquisition of a controlling interest in another business, the making of a capital expenditure or the acquisition of other long-term assets, in each case, in a Similar Business, or determine to retain such Net Proceeds to the extent such Net Proceeds constitute such a controlling interest or long-term asset in a Similar Business. Pending the final application of any such Net Proceeds, the Company may invest such Net Proceeds in any manner that is not prohibited by the Indenture. Any Net Proceeds from Asset Sales that are not applied or invested as provided in the first sentence of this paragraph will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$10 million, the Company will be required to make an offer to all Holders of Notes (and holders of other Indebtedness of the Company, including the Existing Notes, to the extent required by the terms of such other Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and such other Indebtedness) that does not exceed the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate principal amount of Notes (and such other Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Notes (and such other Indebtedness) tendered exceeds the amount of Excess Proceeds, the Notes (and such other Indebtedness) to be purchased will be selected on a pro rata basis. Upon completion of an Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. The Asset Sale Offer must be commenced within 60 days following the date on which the aggregate amount of Excess Proceeds exceeds \$10 million and remain open for at least 30 and not more than 40 days (unless otherwise required by applicable law). The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of notes pursuant to an Asset Sale Offer.

The Credit Agreement prohibits the Company from repurchasing any Notes without the prior written consent of lenders holding a majority of the commitments under the Credit Agreement. Any other credit agreements or other agreements governing indebtedness to which the Company becomes a party may contain similar restrictions and provisions. In the event the Company is required to make an Asset Sale Offer at a time when the Company is prohibited from repurchasing Notes, the Company could seek the consent of its lenders to the repurchase of Notes or could attempt to refinance or repay the borrowings that contain such prohibition. If the Company does not obtain such a consent or repay such borrowings, the Company will remain prohibited from repurchasing Notes. In such case, the Company's failure to repurchase tendered Notes would constitute an Event of Default under the Indenture which would, in turn, constitute a default under the Credit Agreement. In such circum-

stances, the subordination provisions in the Indenture would likely restrict payments to the Holders of the Notes.

Any other credit agreements or other agreements governing indebtedness to which the Company becomes a party may require that the Company and its Subsidiaries apply all proceeds from certain asset sales to repay in full outstanding obligations thereunder prior to the application of such proceeds to repurchase outstanding Notes.

Certain Covenants

Restricted Payments

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will, directly or indirectly, (i) declare or pay any dividend or make any other payment or distribution on account of the Company's Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company) or to any direct or indirect holders of the Company's Equity Interests in their capacity as such (other than dividends or distributions (a) payable in Equity Interests (other than Disqualified Stock) of the Company, (b) payable in Capital Stock or assets of an Unrestricted Subsidiary of the Company or (c) payable to the Company or any Restricted Subsidiary of the Company); (ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company, or any Equity Interests of any of its Restricted Subsidiaries held by any Affiliate of the Company (other than any such Equity Interests owned by the Company or any Restricted Subsidiary of the Company, any Equity Interests then being issued by the Company or a Restricted Subsidiary of the Company or any Investment in a Person that, after giving effect to such Investment, is a Restricted Subsidiary of the Company); (iii) make any payment on or with respect to, or purchase, redeem, repay, defease or otherwise acquire or retire for value, any Indebtedness of the Company or any Guarantor that is subordinated in right of payment to the Notes or any Guarantee thereof, except a regularly scheduled payment of interest or principal or sinking fund payment (other than the purchase or other acquisition of such subordinated Indebtedness made in anticipation of satisfying any sinking fund payment due within one year from the date of acquisition); or (iv) make any Restricted Investment (all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments"), unless, at the time of and after giving effect to such Restricted Payment:

(a) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(b) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Interest Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock"; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments declared or made by the Company and its Restricted Subsidiaries after May 11, 1999 (without duplication and excluding Restricted Payments permitted by clauses (ii) and (iii) of the following paragraph), is less than the sum of (1) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from the beginning of the first fiscal quarter commencing after May 11, 1999 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); plus (2) 100% of the aggregate net cash proceeds and the fair market value of any assets or property (as determined in good faith by the Board of Directors of the Company) received by the Company from the issue or sale since May 11, 1999 of Equity Interests of the Company (other than Disqualified Stock), or of Disqualified Stock or debt securities of the Company that have been converted into such Equity Interests (other than Equity Interests or Disqualified Stock or convertible debt securities sold to a Subsidiary of the Company and other than Disqualified Stock or convertible debt securities that have been converted into Disqualified Stock); plus (3) with respect to Restricted Investments made after May 11, 1999, the net reduction of such Restricted Investments as a result of (x) any disposition of any such Restricted Investments sold or otherwise liquidated or repaid, to the extent of the net cash proceeds and the fair market value of any assets or property (as determined in good faith by the Board of Directors of the Company) received, (y) dividends, repayment of loans or advances or other transfers of assets to the Company or any Restricted Subsidiary of the Company or (z) the portion (proportionate to the Company's interest in the equity of a Person) of the fair market value of the net assets of an Unrestricted Subsidiary or other Person immediately prior to the time such Unrestricted Subsidiary or other Person is designated or becomes a Restricted Subsidiary of the Company (but only to the extent not included in subclause (1) of this clause (c)); provided that the sum of items (x), (y) and (z) of this subclause (3) shall not exceed, in the aggregate, the aggregate amount of such Restricted Investments made after May 11, 1999.

The foregoing provisions will not prohibit (i) the payment of any dividend within 60 days after the date of declaration thereof, if at said date of declaration such payment would have complied with the provisions of the Indenture, (ii) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness or Equity Interests of the Company in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than any Disqualified Stock, except to the extent that such Disqualified Stock is issued in exchange for other Disqualified Stock or the net cash proceeds of such Disqualified Stock is used to redeem, repurchase, retire or otherwise acquire other Disqualified Stock); provided that the amount of any such net cash proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clause (c)(2) of the preceding paragraph; (iii) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness in exchange for, or out of the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness; (iv) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary of the Company held by any employees, officers or directors of the Company or any of its Restricted Subsidiaries or, upon the death, disability or termination of employment of such officers, directors and employees, their authorized representatives in an aggregate amount not to exceed in any twelve month

period, \$2.0 million plus the aggregate net cash proceeds from any issuance during such period of Equity Interests by the Company to such employees, officers, directors, or representatives plus the aggregate net cash proceeds from any payments on life insurance policies in which the Company or its Restricted Subsidiaries is the beneficiary with respect to such employees, officers or directors the proceeds of which are used to repurchase, redeem or acquire Equity Interests of the Company held by such employees, officers, directors or representative; (v) the repurchase of Equity Interests of the Company deemed to occur upon the exercise of stock options or similar arrangement if such Equity Interests represents a portion of the exercise price thereof; or (vi) additional Restricted Payments in an amount not to exceed \$15 million (less the amount, if any, of any Restricted Payments made after May 11, 1999 and on or prior to the Closing Date that would not have been permitted under any of the foregoing clauses); provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (iv) or (vi) no Default or Event of Default shall have occurred and be continuing.

In the case of any Restricted Payments made other than in cash, the amount thereof shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any such asset(s) or securities shall be determined in good faith by the Board of Directors of the Company. Where the amount of any Investment made other than in cash is otherwise required to be determined for purposes of the Indenture, then unless otherwise specified such amount shall be the fair market value thereof on the date of such Investment, and fair market value shall be determined in good faith by the Board of Directors of the Company.

Designation of Unrestricted Subsidiaries

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if such designation would not cause a Default. For purposes of making such determination, all outstanding Investments (including without limitation any direct or indirect obligation to subscribe for additional Equity Interests or maintain or preserve such subsidiary's financial condition or to cause such person to achieve any specified level of operating results) by the Company and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Investments at the time of such designation and, except to the extent, if any, that such Investments are Permitted Investments at such time, will reduce the amount otherwise available for Restricted Payments. All such outstanding Investments will be deemed to constitute Investments in an amount equal to the fair market value of such Investments at the time of such designation. Such designation will only be permitted if such Investment would be permitted at such time and if such Restricted Subsidiary otherwise meets (or would meet concurrently with the effectiveness of such designation) the definition of an Unrestricted Subsidiary.

Any such designation by the Board of Directors of the Company shall be evidenced to the Trustee by filing with the Trustee a Board Resolution giving effect to such designation. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided that such designation shall be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if (i) such Indebtedness is permitted under the cove-

nant described under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock," and (ii) no Default or Event of Default would be in existence following such designation.

To the extent that Unrestricted Subsidiaries were designated as such under the Existing Note Indenture after the issuance of the Existing notes on May 11, 1999 and on or prior to the date of the Indenture, and such designation resulted in or constituted Restricted Payments and/or Permitted Investments under the Existing note Indenture, such designations shall be deemed to have resulted in or constituted Restricted Payments and/or Permitted Investments under the Indenture.

Incurrence of Indebtedness and Issuance of Preferred Stock

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt) and that the Company's Restricted Subsidiaries will not issue any shares of Preferred Stock (other than to the Company or a Restricted Subsidiary of the Company); provided, however, that the Company and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) if the Consolidated Interest Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred would have been equal to or greater than 2 to 1, determined on a pro forma basis, as if the additional Indebtedness had been incurred at the beginning of such four-quarter period and no Event of Default shall have occurred and be continuing after giving effect on a pro forma basis to such incurrence.

The provisions of the first paragraph of this covenant will not apply to the incurrence of any of the following items of Indebtedness (collectively, "Permitted Debt"):

(i) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness under the Credit Agreement in an aggregate amount outstanding (with letters of credit being deemed for all purposes of the Indenture to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries in respect thereof) at any time not to exceed the greater of (x) \$450 million and (y) 3.5 times Consolidated Resort EBITDA for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Indebtedness is being incurred less, in each case, the aggregate amount of such Indebtedness permanently repaid with the Net Proceeds of any Asset Sale;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness represented by (x) the Notes (including the exchange notes), the Guarantees thereof and the Indenture in the principal amount of Notes originally issued on the Closing Date and (y) the Existing notes, the Guarantees thereof and the Existing note Indenture;

(iii) the incurrence by the Company and its Restricted Subsidiaries of the Existing Indebtedness;

(iv) the incurrence by the Company and its Restricted Subsidiaries of additional Indebtedness (other than Hedging Obligations) after May 11, 1999 in an aggregate principal amount not to exceed \$50 million at any time outstanding;

(v) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness after May 11, 1999 in connection with the acquisition of assets or a new Restricted Subsidiary (including Indebtedness that was incurred by the prior owner of such assets or by such Restricted Subsidiary prior to such acquisition by the Company and its Restricted Subsidiaries); provided that the aggregate principal amount of Indebtedness incurred after May 11, 1999 pursuant to this clause (v) does not exceed \$20 million at any time outstanding;

(vi) the incurrence by the Company and its Restricted Subsidiaries of Permitted Refinancing Indebtedness;

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and its Restricted Subsidiaries; provided, however, that any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company, and any sale or other transfer of any such Indebtedness to a Person that is not the Company or a Restricted Subsidiary of the Company, shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(viii) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations incurred for the purpose of hedging against fluctuations in currency values or for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness of the Company or any of its Restricted Subsidiaries permitted by the Indenture; provided that the notional principal amount of any Hedging Obligations does not significantly exceed the principal amount of Indebtedness to which such agreement relates;

(ix) the Guarantee by the Company or any of its Restricted Subsidiaries of Indebtedness of the Company or a Restricted Subsidiary of the Company permitted by the Indenture;

(x) the incurrence of Indebtedness arising from agreements providing for indemnification, adjustment of purchase price, earn out or other similar obligations, in each case incurred in connection with the acquisition or disposition of any business or assets or subsidiaries of the Company permitted by the Indenture;

(xi) the Indebtedness incurred from time to time under a revolving Credit Facility of SSI Venture in an aggregate amount outstanding at any time not to exceed \$10 million, so long as SSI Venture remains a Restricted Subsidiary of the Company (as of the Closing Date, SSI Venture is an Unrestricted Subsidiary); and

(xii) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness not covered by any other clause of this paragraph which is outstanding on the Closing Date and was incurred subsequent to May 11, 1999 in compliance with the Existing Note Indenture.

For purposes of determining the amount of any Indebtedness of any Person under this covenant, (a) the principal amount of any Indebtedness of such Person arising by reason of such Person having granted or assumed a Lien on its property to secure Indebtedness of another Person shall be the lower of the fair market value of such property and the principal amount of such Indebtedness outstanding (or committed to be advanced) at the time of determination; (b) the amount of any Indebtedness of such Person arising by reason of such Person having Guaranteed Indebtedness of another Person where the amount of such Guarantee is limited to an amount less than the principal amount of the Indebtedness so Guaranteed shall be such amount as so limited; and (c) Indebtedness shall not include a non-recourse pledge by the Company or any of its Restricted Subsidiaries of Investments in any Person that is not a Restricted Subsidiary of the Company to secure the Indebtedness of such Person.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xii) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company, in its sole discretion, either (a) shall classify (and may later reclassify) such item of Indebtedness in one of such categories in any manner that complies with this covenant or (b) shall divide and classify (and may later redivide and reclassify) such item of Indebtedness into more than one of such categories pursuant to such first paragraph.

Liens

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will, directly or indirectly, create, incur, assume or suffer to exist any Lien securing Indebtedness on any asset now owned or here after acquired, or any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

Dividend and Other Payment Restrictions Affecting Subsidiaries

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (i) (a) pay dividends or make any other distributions to the Company or any of its Restricted Subsidiaries (1) on its Capital Stock or (2) with respect to any other interest or participation in, or measured by, its profits, or (b) pay any indebtedness or other obligations owed to the Company or any of its Restricted Subsidiaries, (ii) make loans or advances to the Company or any of its Restricted Subsidiaries, (iii) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries or (iv) guarantee the Notes or any renewals or refinancings thereof, in each case except for such encumbrances or restrictions (other than encumbrances and restrictions in respect of clause (iv) of this sentence) existing under or by reason of (a) Existing Indebtedness as in effect on May 11, 1999, (b) the Credit Agreement (as defined in the Existing Note Indenture) as in effect on May 11, 1999, and any amendments, modifications, re-

statements, renewals, increases, supplements, refundings, replacements or refinancings thereof; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacement or refinancings are no more restrictive with respect to such dividend and other payment restrictions than those contained in the Credit Agreement (as defined in the Existing Note Indenture) as in effect on May 11, 1999, (c) (x) the Existing notes, any Guarantee thereof and the Existing note Indenture and (y) the Notes, any Guarantee thereof and the Indenture, (d) applicable law, (e) any instrument governing Indebtedness or Equity Interests of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Equity Interests were incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the Equity Interests, properties or assets of any Person, other than the Person, or the Equity Interests, property or assets of the Person, so acquired; provided that, in the case of Indebtedness, such Indebtedness was permitted by the Indenture, (f) by reason of customary nonassignment provisions in leases entered into in the ordinary course of business and consistent with past practices, (g) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature described in clause (iii) above on the property so acquired or proceeds therefrom, (h) customary restrictions in asset or stock sale agreements limiting transfer of such assets or stock pending the closing of such sale, (i) customary non-assignment provisions in contracts entered into in the ordinary course of business, or (j) Permitted Refinancing Indebtedness; provided that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced.

Merger, Consolidation or Sale of Assets

The Indenture provides that the Company may not consolidate or merge with or into (whether or not the Company is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, another Person unless (i) the Company is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia; (ii) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the Company under the Notes and the Indenture pursuant to a supplemental indenture in a form reasonably satisfactory to the Trustee; (iii) immediately after giving effect to such transaction no Default or Event of Default exists; and (iv) except in the case of a merger of the Company with or into a Restricted Subsidiary of the Company, the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made, (a) will have Consolidated Net Worth immediately after the transaction equal to or greater than the Consolidated Net Worth of the Company, immediately preceding the transaction and (b) will, at the time of such transaction and after giving pro forma effect thereto as if such transaction had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Interest Coverage Ratio test set forth in the first paragraph of the covenant described above under the caption "Incurrence of Indebtedness and Issuance of Preferred Stock."

Nothing contained in the foregoing paragraph shall prohibit (i) any Restricted Subsidiary from consolidating with, merging with or into, or transferring all or part of its properties and assets to the Company or (ii) the Company from merging with an Affiliate for the purpose of reincorporating the Company in another jurisdiction to realize tax or other benefits; provided, however, that in connection with any such merger, consolidation or asset transfer no consideration, other than common stock (that is not Disqualified Stock) in the surviving Person or the Company shall be issued or distributed.

Transactions with Affiliates

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each of the foregoing, an "Affiliate Transaction"), unless (i) such Affiliate Transaction is on terms that are no less favorable to Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person and (ii) the Company delivers to the Trustee (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$5.0 million, a Board Resolution authorizing and determining the fairness of such Affiliate Transaction approved by a majority of the independent members of the Board of Directors of the Company and (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$15.0 million, an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The foregoing provisions will not prohibit (i) reasonable fees and compensation paid to and indemnity provided on behalf of officers, directors, employees, agents or consultants of the Company or any Restricted Subsidiary of the Company as determined in good faith by the Company's Board of Directors or senior management including, without limitation, any issuance of Equity Interests of the Company pursuant to stock option, stock ownership or similar plans; (ii) transactions between or among the Company and/or its Restricted Subsidiaries; (iii) any agreement or arrangement as in effect on May 11, 1999 and publicly disclosed or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) in any replacement agreement or arrangement thereto so long as any such amendment or replacement agreement or arrangement is not more disadvantageous to the Company or its Restricted Subsidiaries, as the case may be, in any material respect than the original agreement as in effect on May 11, 1999; (iv) loans or advances to employees and officers of the Company and its Restricted Subsidiaries not in excess of \$5 million at any time outstanding; and (v) any Permitted Investment or any Restricted Payment that is permitted by the provisions of the Indenture described above under the caption "Restricted Payments."

Limitation on Layering Debt

The Indenture provides that (a) the Company will not, directly or indirectly, incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is by its terms subordinate or junior in right of payment to any Senior Debt of the Company and senior in any respect in

right of payment to the Notes and (b) no Guarantor will, directly or indirectly, incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is by its terms subordinate or junior in right of payment to any Senior Debt of such Guarantor and senior in any respect in right of payment to the Subsidiary Guarantee of such Guarantor.

Additional Subsidiary Guarantees

The Indenture provides that if any Restricted Subsidiary of the Company after the date of the Indenture shall become or be required to become a guarantor under the Credit Agreement or shall become a guarantor of any other Indebtedness of the Company or any Restricted Subsidiary, then such Restricted Subsidiary shall become a Guarantor, in accordance with the terms of the Indenture; provided that if such Restricted Subsidiary is released and discharged from all obligations under such guarantees, it shall be released and discharged from its obligations under its Subsidiary Guarantee as described under "--Subsidiary Guarantees" above.

Payments for Consent

The Indenture provides that neither the Company nor any of its Restricted Subsidiaries will, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of any Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid or is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Reports

The Indenture provides that, whether or not required by the rules and regulations of the Commission, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes (i) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such forms and, with respect to the annual information only, a report thereon by the Company's certified independent accountants and (ii) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports. In addition, whether or not required by the rules and regulations of the Commission, the Company will file a copy of all such information and reports with the Commission for public availability (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, the Company and its Restricted Subsidiaries will agree that, for so long as any Notes remain outstanding, they will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Act.

Events of Default and Remedies

The Indenture provides that each of the following constitutes an Event of Default: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to, the Notes (whether or not prohibited by the subordination provisions of the Indenture); (ii) default in

payment when due (whether payable at maturity, upon redemption or repurchase or otherwise) of the principal of or premium, if any, on the Notes (whether or not prohibited by the subordination provisions of the Indenture); (iii) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions described under the caption "Merger, Consolidation or Sale of Assets"; (iv) failure by the Company to comply with the provisions described under the captions "Change of Control" or "Asset Sale" (whether or not prohibited by the subordination provisions of the Indenture) (other than a failure to purchase notes pursuant to an offer commenced under such provisions, which shall be subject to clause (ii) above) for 30 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes; (v) failure by the Company or any of its Restricted Subsidiaries for 60 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes to comply with any of its other agreements in the Indenture or the Notes other than those referred to in clauses (i), (ii), (iii) or (iv) above; (vi) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Significant Subsidiaries (or the payment of which is guaranteed by the Company or any of its Significant Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Closing Date, which default (a) is caused by a failure to pay principal after final maturity of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default") or (b) results in the acceleration of such Indebtedness prior to its express maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$10 million or more without such Indebtedness being discharged or such acceleration having been cured, waived or rescinded within 30 days of acceleration; (vii) failure by the Company or any of its Significant Subsidiaries to pay final judgments aggregating in excess of \$10 million and either (a) any creditor commences enforcement proceedings upon any such judgment or (b) such judgments are not paid, discharged or stayed for a period of 60 days; (viii) except as permitted by the Indenture, any Guarantee of the Notes by a Significant Subsidiary shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary or any Person acting on behalf of any such Guarantor, shall deny or disaffirm its obligations under its Guarantee of the Notes; and (ix) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries.

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes and all other Obligations thereunder to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, interest or Liquidated Damages, if any) if it determines that withholding notice is in their interest.

In the case of any Event of Default occurring by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Company or any Guarantor with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to the optional redemption provisions of the Indenture, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal, premium, if any, interest or Liquidated Damages, if any, on the Notes.

The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees, Incorporators and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, shall have any liability for any obligations of the Company or such Guarantor under the Notes, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the Commission that such a waiver is against public policy.

Legal Defeasance and Covenant Defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the outstanding Notes ("Legal Defeasance") except for (i) the rights of Holders of outstanding Notes to receive payments in respect of the principal of and premium, if any, interest and Liquidated Damages, if any, on the Notes when such payments are due from the trust referred to below, (ii) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust, (iii) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith and (iv) the Legal Defeasance provisions of the Indenture. In addition, the Company may, at its option and at any time, elect to have the obligations of the Company released with respect to certain covenants that are described in the Indenture ("Covenant Defeasance") and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to the Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance, (i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, interest and Liquidated Damages, if any, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date; (ii) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States reasonably acceptable to the Trustee confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Closing Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes, as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; (iii) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; (iv) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit); (v) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound; (vi) the Company shall have delivered to the Trustee an opinion of counsel to the effect that after the 91st day following the deposit, the trust fund will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally; (vii) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and (viii) the Company must deliver to the Trustee an Officers' Certificate and an opinion of counsel, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Satisfaction and Discharge of the Indenture

The obligations of the Company and the other Guarantors under the Indenture will terminate when (i) either (a) all outstanding Notes have been delivered to the Trustee for cancellation, or (b) all such Notes not theretofore delivered to the Trustee for cancellation have become due and payable, will become due and payable within one year or are to be called for redemption within one year under irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name and at the expense of the Company and the Company has irrevocably deposited or caused to be deposited with the Trustee, in trust, funds in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any, on) and interest and Liquidated Damages, if any, to the date of maturity

or date of redemption, (ii) the Company has paid or caused to be paid all sums payable by the Company under the Indenture, and (iii) the Company has delivered an Officers' Certificate and an Opinion of Counsel relating to compliance with the conditions set forth in the Indenture.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

The registered Holder of a Note will be treated as the owner of it for all purposes.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing default or compliance with any provision of the Indenture, or the Notes thereof may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for Notes).

Without the consent of each Holder affected, an amendment or waiver may not (with respect to any Notes held by a non-consenting Holder): (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (ii) reduce the principal of or change the fixed maturity of any note or alter the provisions with respect to the price to be paid, or the timing of redemption or payment, upon redemption of the Notes or, after the Company has become obligated to make a Change of Control Offer or an Asset Sale Offer, amend, change or modify the obligation of the Company to make or consummate such Change of Control Offer or Asset Sale Offer; (iii) reduce the rate of or change the time for payment of interest or Liquidated Damages, if any, on any Note; (iv) waive a Default or Event of Default in the payment of principal of or premium, interest or Liquidated Damages, if any, on the Notes (except a rescission of acceleration of the notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration); (v) make any Note payable in money other than that stated in the Notes; (vi) except pursuant to the terms of the Indenture, release any Guarantor from its Guarantee of the Notes; (vii) make any change in the subordination provisions in the Indenture that adversely affects the rights of any Holder of any Notes in any material respect or any change to any other provision thereof that adversely affects the rights of any Holder of Notes under the subordination provisions of the Indenture in any material respect (it being understood that amendments to the provisions of the Indenture described above under the caption "Certain Covenants--Incurrence of Indebtedness and Issuance of Preferred Stock" which may have the effect of increasing the amount of Senior Debt that the Company and its Restricted Subsidiaries may incur shall not, for purposes of this clause (vii), be deemed to be a change that adversely affects in a material respect the rights of any Holder of Notes

under the subordination provisions of the Indenture); or (viii) make any change in the foregoing amendment and waiver provisions.

Notwithstanding the foregoing, without the consent of any Holder of Notes, the Company, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or any Guarantor's obligations to Holders of Notes in the case of a merger, consolidation or sale of assets, to provide security for the Notes, to add a Guarantor, to make any change that would provide any additional rights or benefits to the Holders of Notes or that does not adversely affect the legal rights under the Indenture of any such Holder in any material respect, or to comply with requirements of the Commission in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act.

The consent of the Holders of the Notes is not necessary under the Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

Concerning the Trustee

The Trustee has been appointed by the Company as Registrar and Paying Agent with respect to the Notes.

The Indenture contains certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days and apply to the Commission for permission to continue or resign.

The Holders of a majority in principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The Indenture provides that in case an Event of Default shall occur (which shall not be cured), the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder of Notes, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

Book-Entry, Delivery and Form

Book-Entry

The outstanding notes were sold to "qualified institutional buyers" (as defined in Rule 144A under the Securities Act) in reliance on Rule 144A under the Securities Act. The outstanding notes are represented by a note in registered, global form without interest coupons (the "Rule 144A Global Note"). The Rule 144A Global Note was deposited upon issuance with the Trustee as custodian for the Depository Trust Company ("DTC") and registered in the name of Cede & Co., as nominee of DTC, for credit to the accounts of DTC participants or indirect participants (each as defined below).

The new notes will be represented by one or more notes in registered, global form without interest coupons (the "Exchange Global Notes" and, together with the Rule 144A Global Note, the "Global Notes"). The Exchange Global Notes will be deposited on the date of the acceptance for exchange of the outstanding notes and the issuance of the exchange notes with the Trustee as custodian for DTC and registered in the name of Cede & Co. as nominee of DTC, in each case for credit to the accounts of DTC "participants" and "indirect participants" (each as defined below).

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for Notes in certificated form except in the limited circumstances described below. See "--Certificated Certificates."

The Exchange Global Notes

The descriptions of the operations and procedures of DTC, Euroclear and Clearstream set forth below are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to change by them from time to time. Neither the Company nor the initial purchasers take any responsibility for these operations or procedures, and we urge you to contact the relevant system or one of its participants directly to discuss these matters.

The Company expects that pursuant to procedures established by DTC (i) upon the issuance of the Exchange Global Notes, DTC or its custodian will credit, on its internal system, the principal amount at maturity of the individual beneficial interests represented by such Exchange Global Notes to the respective accounts of persons who have accounts with such depository and (ii) ownership of beneficial interests in the Exchange Global Notes will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants). Ownership of beneficial interests in the Exchange Global Notes will be limited to persons who have accounts with DTC ("participants") or persons who hold interests through participants ("indirect participants"). Holders may hold their interests in the Exchange Global Notes directly through DTC if they are participants in such system, or indirectly through organizations that are participants in such system.

So long as DTC, or its nominee, is the registered owner or holder of the Exchange Notes, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Exchange Notes represented by such Exchange Global Notes for all purposes under the indenture. No beneficial owner of an interest in the Global Notes will be able to transfer that interest except in accordance with DTC's procedures, in addition to those provided for under the indenture with respect to the Notes.

Payments of the principal of, premium (if any), interest (including Liquidated Damages) on, the Exchange Global Notes will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither the Company, the Trustee or any Paying Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial owner-

ship interests in the Exchange Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interest.

The Company expects that DTC or its nominee, upon receipt of any payment of principal, premium, if any, interest (including Liquidated Damages) on the Exchange Global Notes, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the Exchange Global Notes as shown on the records of DTC or its nominee. The Company also expects that payments by participants to owners of beneficial interests in the Exchange Global Notes held through such participants will be governed by standing instructions and customary practice, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Redemption notices will be sent to DTC. If less than all of the Exchange Notes are to be redeemed, DTC's practice is to determine by lot the amount of the interest of each Participant in issues like the Exchange Notes to be redeemed. Consequently, the Exchange Notes may not be redeemed pro rata from each holder of securities entitlements in the Exchange Notes.

The Company expects that transfers between participants in DTC will be effected in the ordinary way through DTC's same-day funds system in accordance with DTC rules and will be settled in same-day funds. Transfers between participants in Euroclear or Clearstream will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Because of time zone differences, the securities amount of a Euroclear or Clearstream participant purchasing a security entitlement in a Exchange Global Note from a Participant in DTC will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. Cash received in Euroclear or Clearstream as a result of sales of security entitlements in a Global Security by or through a Euroclear or Clearstream participant to a Participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

If a holder requires physical delivery of a Certificated Security for any reason, including to sell Notes to persons in states which require physical delivery of the Notes, or to pledge such securities, such holder must transfer its interest in a Exchange Global Note, in accordance with the normal procedures of DTC and with the procedures set forth in the indenture.

DTC has advised the Company that it will take any action permitted to be taken by a holder of Exchange Notes (including the presentation of Exchange Notes for exchange as described below) only at the direction of one or more participants to whose account the DTC interests in the Exchange Global Notes are credited and only in respect of such portion of the aggregate principal amount of Exchange Notes as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the Indenture, DTC will exchange the Global Notes for Certificated Securities, which it will distribute to its participants and which will be legended as set forth under "Transfer Restrictions."

Subject to compliance with the transfer restrictions applicable to the Exchange Notes, cross-market transfers between the Participants in DTC, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving security entitlements in the relevant Exchange Global Notes in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Company as follows: DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the Uniform Commercial Code and a "Clearing Agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Participants include securities brokers and dealers, banks, trust companies and clearing corporations and certain other organizations, including Euroclear and Clearstream. Indirect access to the DTC system is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly ("indirect participants").

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures in order to facilitate transfers of interests in the Global Note among participants of DTC, Euroclear and Clearstream, they are under no obligation to perform such procedures, and such procedures may be discontinued at any time. Neither the Company nor the Trustee will have any responsibility for the performance by DTC, Euroclear and Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Certificated Securities

Certificated Securities shall be issued in exchange for beneficial interests in the Exchange Global Notes (i) if requested by a holder of such interests, (ii) the Company, at its option, notifies the trustee in writing that it elects to cause the issuance of Certificated Exchange Notes under the indenture or (iii) if DTC is at any time unwilling or unable to continue as a depository for the Exchange Global Notes and a successor depository is not appointed by the Company within 90 days. Neither the Company nor the trustee shall be liable for any delay by DTC or any Participant or Indirect Participant in identifying the owners of security entitlements in the related Exchange Notes and the Company and the trustee may conclusively rely on, and shall be protected in relying on, instructions from DTC for all purposes (including with respect to the registration and delivery, and the respective principal amounts, of the Exchange Notes to be issued).

Transfer Agent, Registrar, Paying Agent and Exchange Agent

The Trustee acts as the transfer agent, registrar, paying agent and exchange agent for the Notes. The Trustee, in its capacity as the paying agent, may appoint co-paying agents, which must be acceptable to the Company.

Registration of transfers or exchanges of the Notes are effected without charge by or on behalf of the Company, but any holder transferring any interest in a note is required to pay to the trustee or the Company, as appropriate, any tax or other governmental charges that may be imposed in connection with that transfer or exchange. The Company is not required to register or cause to be registered the transfer of any note after it has been called for redemption.

New Credit Facility

On November 13, 2001, we entered into a revolving Credit Facility (the "Credit Facility") to replace our existing Credit Facility. Our subsidiary, The Vail Corporation, is the borrower under the Credit Facility, with Bank of America, N.A., as agent (the "Agent"), certain other financial institutions, as lenders, and Banc of America Securities LLC. The Credit Facility provides for debt financing up to an aggregate principal amount of \$421.0 million. The proceeds of the loans made under the Credit Facility may be used to fund our working capital needs, capital expenditures, permitted investments and other general corporate purposes, including the issuance of letters of credit.

Borrowings under the Credit Facility bear interest annually at the borrower's option at the rate of (i) LIBOR (the London interbank offered rate for a given interest period) plus a margin (ranging from 1.50% to 2.50%) or (ii) the Base Rate (defined as the higher of the Federal Funds Rate, as published by the Federal Reserve Bank of New York, plus 0.50%, or the Agent's prime lending rate) plus a margin of up to 0.75%. In addition, the borrower must pay a fee on the face amount of each commercial letter of credit equal to 1/8 of 1.0% of the actual daily available amount under each such letter of credit and for each standby letter of credit the borrower must pay a rate equal to the applicable margin for LIBOR loans times the actual daily amount available to be drawn under such letter of credit. The borrower must also pay a quarterly unused commitment fee ranging from 0.35% to 0.50%. The interest margins and fees described in this paragraph fluctuate based upon the ratio of Funded Debt (as defined) to Adjusted EBITDA (as defined). The Credit Facility terminates on November 13, 2004.

The Vail Corporation's obligations under the Credit Facility are guaranteed by us and certain of our subsidiaries. In addition, The Vail Corporation's obligations under the Credit Facility are secured by a pledge of all of the capital stock of The Vail Corporation and substantially all of its subsidiaries.

The Credit Facility contains various covenants that limit, among other things, subject to certain exceptions, indebtedness, liens, transactions with affiliates, loans, advances and investments, acquisitions, mergers, and dissolutions, sales of assets, management fees and distributions and certain other business activities. The Credit Facility also contains certain financial covenants, including Funded Debt to Adjusted EBITDA, Senior Debt to EBITDA, a Minimum Fixed Charge Coverage Ratio, an Interest Coverage Ratio and limitations on the types and amounts of Capital Expenditures (each as defined in the Credit Facility).

Industrial Revenue Bonds

Pursuant to an indenture (the "IRB Indenture") dated as of April 1, 1998, between Eagle County, Colorado, as issuer (the "IRB Issuer"), and U.S. Bank National Association, as trustee (the "IRB Trustee"), \$41.2 million aggregate principal amount of industrial revenue bonds (the "IRBs") were issued for the purpose of providing funds to The Vail Corporation d/b/a Vail Associates, Inc. ("VAI") to refinance certain existing industrial revenue bonds. Pursuant to a financing agreement (the "IRB Agreement") dated as of April 1, 1998, among the IRB Issuer and VAI, the IRB Issuer

loaned to VAI the proceeds of the issuance of the IRBs and VAI agreed to make payments in the aggregate amount, bearing interest at rates and payable at times, corresponding to the principal amount of, interest rates on and due dates under the IRBs. The obligations of VAI under the IRB Indenture, the IRB Agreement and the IRBs are secured by certain multi-party agreements between VAI, the IRB Trustee and the U.S. Forest Service (the "Permit Agreements") relating to the Vail Mountain and Beaver Creek Mountain Forest Service Permits (the "Permits"). The Permit Agreements provide that the U.S. Forest Service will cooperate with the IRB Trustee in obtaining a new holder of the Permits (acceptable to the U.S. Forest Service in its sole discretion) in the event of a default by VAI with respect to its obligations under the IRBs. However, the Permit Agreements expressly provide that no security interest is created in or collateral assignment made with respect to the Permits.

The IRBs mature, subject to prior redemption, on August 1, 2019. The IRBs bear interest at the rate of 6.95% per annum, with interest payable semi-annually on February 1 and August 1. The IRBs are subject to redemption at the option of VAI, at any time and from time to time on or after August 1, 2008, and are subject to mandatory redemption if interest payments on the IRBs lose their tax exempt status. Furthermore, in the event that VAI or one of its affiliates incurs additional indebtedness with (1) senior or superior rights to the Permits or (2) equivalent rights with respect to the Permits above an aggregate principal amount of \$250,000,000 (including the unpaid principal amount of the IRBs) the IRBs will bear an interest rate of 7.45% per annum or, under certain limited circumstances, may be subject to mandatory redemption.

We also have indebtedness in connection with \$22.0 million of outstanding industrial revenue bonds which we assumed in connection with our acquisition of Keystone and Breckenridge. These IRBs consist of two series of refunding bonds which were originally issued to finance the cost of sports and recreational facilities at Keystone. The Series 1990 Sports Facilities Refunding Revenue Bonds have an aggregate outstanding principal amount of \$19.0 million. The principal matures in installments in 2006 and 2008. These bonds bear interest at a rate of 7.75% for bonds maturing in 2006 and 7.875% for bonds maturing in 2008. The SSI Venture Credit Facility consists of (i) a \$15 million Tranche A Revolving Credit Facility and (ii) a \$10 million Tranche B Term Loan Facility (of which \$7.3 million was outstanding as of October 31, 2001). The SSI Venture Credit Facility matures on the earlier of December 31, 2003 or the termination date of the Credit Facility discussed above. The Vail Corporation guarantees the SSI Venture Credit Facility. Minimum amortization under the Tranche B Term Loan Facility is \$1 million in each of fiscal 2002 and 2003 and the outstanding due on the termination date. The SSI Venture Credit Facility bears interest annually at the rates prescribed above for the Credit Facility. PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where such outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities. We have agreed that for a period of 30 days after effectiveness of the exchange offer registration statement, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or at negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit of any such resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. By acceptance of the exchange offer, each broker-dealer that receives exchange notes pursuant to the exchange offer hereby agrees to notify us prior to using this prospectus in connection with the sale or transfer of exchange notes, and acknowledges and agrees that, upon receipt of notice from us of the happening of any event which makes any statement in this prospectus untrue in any material respect or which requires the making of any changes in this prospectus in order to make the statements herein not misleading (which notice we agree to deliver promptly to such broker-dealer), such broker-dealer will suspend use of this prospectus until we have amended or supplemented the prospectus to correct such misstatement or omission and have furnished copies of the amended or supplemented prospectus to such broker-dealer.

For a period of 30 days after effectiveness of the exchange offer registration statement, we will promptly upon request send additional copies of this prospectus and any amendment or supplement thereto to any broker-dealer that requests such documents in the letter of transmittal. We have agreed to pay all expenses incident to the exchange offer (including the expenses of any one special counsel for the Holders of the Notes) other than commissions or concessions of any brokers or dealers and will indemnify the Holders of the Notes participating in the exchange offer (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

CERTAIN FEDERAL INCOME TAX CONSIDERATIONS

General

The following is a discussion of certain U.S. federal income tax and estate tax consequences of the ownership and disposition of the exchange notes by holders who acquired the exchange notes in the exchange offer. For purposes of this discussion, a "U.S. Holder" is a Holder that is for U.S. federal income tax purposes an individual who is a citizen or resident of the United States, a corporation that is organized in or under the laws of the United States or any state thereof, an estate the income of which is includable in gross income for U.S. tax purposes regardless of its source or, a trust (1) the administration of which is subject to the primary supervision of a United States court and as to which one or more United States persons have the authority to control all substantial decisions of the trust or (2) which has made a valid election to be treated as a U.S. person. A "Non-U.S. Holder" is a Holder that for U.S. federal income tax purposes is a non-resident alien or a corporation, estate or trust that is not a U.S. Holder. For United States federal income tax purposes, income earned through a foreign or domestic partnership or similar entity is generally attributed to the entity's owners. This summary applies only to exchange notes held as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the "Code"). It does not discuss all of the tax consequences that may be relevant to a holder in light of its particular circumstances or to holders subject to special rules, such as tax-exempt organizations, dealers in securities or foreign currencies, financial institutions, partnerships or other pass-through entities, life insurance companies, or regulated investment companies, or to holders whose functional currency is not the United States dollar or who hold the exchange notes as part of a synthetic security, conversion transaction, or certain "straddle" or hedging transactions.

The U.S. federal income tax and estate tax considerations set forth below are based upon the Code and regulations, rulings and judicial decisions thereunder as of the date hereof, and such authorities may be repealed, revoked or modified, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those presented below.

Exchange Offer. The exchange of outstanding notes for exchange notes will not be a taxable event for federal income tax purposes. A holder will not be recognize any taxable gain or loss as a result of exchanging outstanding notes for exchange notes, and the holder will have the same tax basis and holding period in the exchange notes as he had in the outstanding notes immediately before exchange.

U.S. Holders

Stated Interest. Stated interest on an exchange note will be taxable to a U.S. Holder as ordinary interest income in accordance with the U.S. Holder's method of accounting for U.S. federal income tax purposes.

Original Issue Discount. The outstanding notes were issued with OID for U.S. federal income tax purposes. Because the exchange notes will be treated as a continuation of the U.S. Holder's investment in the outstanding notes, the exchange notes will also be considered as issued with OID. OID is the excess of (i) the stated redemption price at maturity of a note over (ii) its issue price. The

amount of OID is deemed to be zero if such excess is less than a de minimis amount (generally 1/4 of 1% of the note's stated redemption price at maturity multiplied by the number of complete years to its maturity from its issue date).

The "stated redemption price at maturity" of a note is the sum of all payments provided by the instrument, other than qualified stated interest. The "issue price" of a note is the first price at which a substantial amount of the notes are sold to the public (excluding sales to bond houses, brokers or similar persons or organizations acting in the capacity as underwriters, placement agents or wholesalers). The term "qualified stated interest" generally means stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate. The stated interest payable on the exchange notes will be qualified stated interest and the amount of OID on the exchange notes will not be de minimis.

Since the exchange notes will be issued with OID in excess of a de minimis amount, a U.S. Holder will be required to include OID in gross income as ordinary interest as it accrues under a constant yield method in advance of receipt of the cash payments attributable to such income, regardless of such U.S. Holder's regular method of accounting. In general, the amount of OID included in income by the holder of a note is the sum of the daily portions of OID for each day during the taxable year (or portion of the taxable year) on which such holder held such note, including the purchase date and excluding the disposition date. The "daily portion" is determined by allocating the OID for an accrual period equally to each day in that accrual period. The "accrual period" for a note may be of any length and may vary in length over the term of a note, provided that each accrual period is no longer than one year and each scheduled payment of principal or interest occurs either on the first or final day of an accrual period.

The amount of OID for an accrual period is generally equal to the excess of (i) the product of the note's adjusted issue price at the beginning of such accrual period and its yield to maturity over (ii) the qualified stated interest allocable to such accrual period. The "adjusted issue price" of a note at the beginning of any accrual period is the sum of the issue price of the note plus the amount of OID allocable to all prior accrual periods minus the amount of any prior payments on the note (other than payments of qualified stated interest). Under those rules, a U.S. Holder generally will have to include in income increasingly greater amounts of OID in successive accrual periods. The "yield to maturity" of a note is the discount rate that, when used in computing the present value of all payments to be made on a note, produces an amount equal to the issue price of the note.

Sale, Exchange or Redemption of a Note. A U.S. Holder will recognize gain or loss, if any, on the sale, redemption or other taxable disposition of an exchange note in an amount equal to the difference, if any, between the U.S. Holder's adjusted tax basis in the exchange note and the amount received therefor (other than amounts attributable to accrued and unpaid interest on the notes, which will be taxable as ordinary income unless previously included in income). A U.S. Holder's adjusted tax basis in an exchange note generally will equal the cost of the outstanding Note which it was exchanged to the U.S. Holder increased by any OID included in income through the date of disposition and decreased by any payments received on the notes (other than payments of qualified stated interest). Subject to the market discount rules noted under "--U.S. Holders--Market Discount and Bond Premium" below, gain or loss, if any, recognized on the sale, redemption or other taxable disposition

of a exchange note generally should be long-term capital gain or loss if the exchange note was held as a capital asset and was held for more than one year as of the date of disposition.

Market Discount and Acquisition Premium. If a U.S. Holder acquires an note (or purchased an outstanding Note for which the exchange not was exchanged subsequent to its original issuance) and the note's adjusted issue price at the time of purchase exceeds the U.S. Holder's initial tax basis in the note by more than a de minimis amount, the U.S. Holder will be treated as having acquired the note at a "market discount" equal to such excess. In addition, if a U.S. Holder's initial tax basis in a note exceeds the adjusted issue price of the note, the U.S. Holder will generally be treated as having acquired the note with "premium" or "acquisition premium" in an amount equal to such excess. U.S. Holders should consult their tax advisors regarding the existence, if any, and the tax consequences of market discount, premium and acquisition premium.

Backup Withholding and Information Reporting. A U.S. Holder of an note may be subject to information reporting and possible backup withholding. If applicable, backup withholding would apply at a rate of 30.5% (30% after December 31, 2001 and subject to periodic reductions through 2006) with respect to interest on (including OID), or the proceeds of a sale, exchange, redemption, retirement, or other disposition of, such exchange note, unless such U.S. Holder (i) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or (ii) provides a taxpayer identification number, certifies as to no loss of exemption from backup withholding, and otherwise complies with applicable backup withholding rules.

We will furnish annually to the IRS and to record holders of the notes (to whom it is required to furnish such information) information relating to the amount of OID and interest, as applicable.

Non-U.S. Holders

The Exchange Notes. The payment of interest (including OID) on an exchange note will generally not be subject to U.S. federal income tax (or to withholding of tax), if (1) the interest and/or OID is not effectively connected with the conduct of a trade or business within the United States or, if a tax treaty applies, the interest is not attributable to a permanent establishment or fixed base in the United States, (2) the Non-U.S. Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of our stock entitled to vote, (3) the Non-U.S. Holder is not a controlled foreign corporation that is related to us actually or constructively through stock ownership and (4) either (i) the beneficial owner of the exchange note certifies to us or our agent, under penalties of perjury, that it is not a U.S. Holder and provides its name and address on U.S. Treasury Form W-8 BEN (or on a suitable substitute form) or (ii) a securities clearing organization, bank or other financial institution that holds customers' securities in the ordinary course of its trade or business (a "financial institution") and holds the exchange note certifies under penalties of perjury that such a Form W-8 BEN (or suitable substitute form) has been received from the beneficial owner or a qualified intermediary by it and furnishes the payer with a copy thereof.

A Non-U.S. Holder will generally not be subject to U.S. federal income tax on any gain realized in connection with the sale, exchange, retirement, or other disposition of an exchange note, unless (i) the gain is effectively connected with a trade or business of the Non-U.S. Holder in the United States (or, if a tax treaty applies, the gain is attributable to a permanent establishment or a fixed base

in the United States); (ii) in the case of a Non-U.S. Holder who is an individual and holds the exchange note as a capital asset, such holder is present in the United States for 183 or more days in the taxable year of the disposition and either (a) has a "tax home" for United States federal income tax purposes in the United States or (b) has an office or other fixed place of business in the United States to which the gain is attributable; or (iii) the Non-U.S. Holder is subject to tax pursuant to the provisions of United States federal income tax laws applicable to certain United States expatriates.

An exchange note held directly by an individual who, at the time of death, is not a citizen or resident of the United States should not be includable in such individual's gross estate for U.S. estate tax purposes as a result of such individual's death if the individual does not actually or constructively own 10% or more of the total combined voting power of all classes of our stock entitled to vote and, at the time of the individual's death, if payments with respect to such exchange note would not have been effectively connected with the conduct by such individual of a trade or business in the United States. Even if the exchange note was includable in the gross estate under the foregoing rules, the exchange note may be excluded under the provisions of an applicable estate tax treaty.

Backup Withholding and Information Reporting. We must report annually to the IRS and to each Non-U.S. Holder the amount of interest paid on an exchange note, regardless of whether withholding was required, and any tax withheld with respect to the interest. Under the provisions of an income tax treaty and other applicable agreements, copies of these information returns may be made available to the tax authorities of the country in which the Non-U.S. Holder resides.

Interest payments on the exchange notes made by us or any paying agent of ours to Non-U.S. Holders generally will not be subject to "backup withholding" if the certification described under "--Non-U.S. Holders--The Exchange Notes" above is received or an exemption is otherwise established, provided in each case that the payer does not have actual knowledge that the holder is a U.S. Holder.

Payment of proceeds from a sale of an exchange note to or through the U.S. office of a broker is subject to information reporting and backup withholding unless the Non-U.S. Holder certifies as to its non-U.S. status or otherwise establishes an exemption from information reporting and backup withholding. Payment outside the United States of the proceeds of the sale of an exchange note to or through a foreign office of a "broker" (as defined in applicable U.S. Treasury Regulations) should not be subject to information reporting or backup withholding, except that if the broker is a U.S. person, a controlled foreign corporation for U.S. federal income tax purposes or a foreign person 50% or more of whose gross income is from a U.S. trade or business, information reporting should apply to such payment unless the broker has documentary evidence in its records that the beneficial owner is not a U.S. Holder and certain other conditions are met or the beneficial owner otherwise establishes an exemption.

THE U.S. FEDERAL INCOME TAX AND ESTATE TAX DISCUSSION SET FORTH ABOVE IS INTENDED FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE TO A PARTICULAR HOLDER'S SITUATION. PERSONS CONSIDERING A PURCHASE OF THE NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE PARTICULAR TAX CONSEQUENCES OF PURCHASING, OWNING AND DISPOSING OF THE NOTES, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL OR FOREIGN

LAWS AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES (POSSIBLY INCLUDING RETROACTIVE CHANGES) IN U.S. FEDERAL AND OTHER TAX LAWS.

LEGAL MATTERS

Certain legal matters with respect to the exchange notes and the guarantees will be passed upon for us by Cahill Gordon & Reindel, New York, New York and by Martha D. Rehm, Esq., General Counsel to the Company.

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law (the "DGCL") makes provision for the indemnification of officers and directors of corporations in terms sufficiently broad to indemnify the officers and directors of the registrant under certain circumstances for liabilities (including reimbursement of expenses incurred) arising under the Securities Act.

The Company's Restated Certificate of Incorporation (the "Certificate") provides that to the fullest extent permitted by Delaware law or another applicable law, a director of the Company shall not be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director. Under current Delaware law, liability of a director may not be limited (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock redemptions or repurchases and (iv) for any transaction from which the director derives an improper personal benefit. The effect of the provision of the Certificate is to eliminate the rights of the Company and its stockholders (through stockholders' derivative suits on behalf of the Company) to recover monetary damages against a director for breach of the fiduciary duty of care as a director (including breaches resulting from negligent or grossly negligent behavior) except in the situations described in clauses (i) through (iv) above. This provision does not limit or eliminate the rights of the Company or any stockholder to seek nonmonetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. In addition, the Company's Restated Bylaws (the "Bylaws") provide that the Company shall indemnify its directors, officers and employees to the fullest extent permitted by applicable law.

The Bylaws provide that the Company may indemnify any person who is or was involved in any manner or is threatened to be made so involved in any threatened, pending or completed investigation, claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action, suit or proceeding by or in the right of the registrant to procure a judgment in its town), by reason of the fact that he is or was or had agreed to become a director, officer or employee of the registrant or is or was or had agreed to become at the request of the board or an officer of the registrant a director, officer or employee of another corporation, partnership, joint venture, trust or other entity against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such Proceeding.

ITEM 22. UNDERTAKINGS.

The undersigned Registrants hereby undertake that:

(a) For purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this Form, within one business day of receipt of

such request, and to send the incorporated documents by first class mail or other equally prompt means. This undertaking includes information contained in documents filed subsequent to the effective date of this registration statement through the date of responding to the request.

(e) To supply by means of a post-effective amendment all information concerning a transaction and the company being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.

The Initial Purchaser will offer the Restricted Notes to such Eligible Purchasers initially at a price equal to that set forth on the cover of the Offering Memorandum. Such price may be changed by the Initial Purchasers at any time without notice.

Holder (including subsequent transferees) of the Restricted Notes will have the registration rights set forth in the registration rights agreement relating thereto (the "Registration Rights Agreement"), to be dated the Closing Date (as defined), for so long as such Restricted Notes constitute "Transfer Restricted Securities" (as defined in the Registration Rights Agreement). Pursuant to the Registration Rights Agreement, the Company and the Guarantors will agree to file with the Securities and Exchange Commission (the "Commission"), under the circumstances set forth therein, (i) a registration statement under the Act (the "Exchange Offer Registration Statement") relating to the Company's 8 3/4% Senior Subordinated Notes due 2009 (the "Exchange Notes") and Guarantees thereof to be offered in exchange for the Restricted Notes and Guarantees thereof (the "Exchange Offer") and (ii) a shelf registration statement pursuant to Rule 415 under the Act (the "Shelf Registration Statement" and, together with the Exchange Offer Registration Statement, the "Registration Statements") relating to the resale by certain holders of the Restricted Notes, and to use their commercially reasonable best efforts to cause such Registration Statements to be declared effective and to consummate the Exchange Offer. This Agreement, the Notes, the Guarantees, the Indenture and the Registration Rights Agreement are hereinafter referred to collectively as the "Operative Documents."

(a) Purchase, Sale and Delivery. On the basis of the representations, warranties and covenants contained in this Agreement, and subject to its terms and conditions, the Company agrees to issue and sell to the Initial Purchasers, and each Initial Purchaser agrees, severally and not jointly, to purchase from the Company the principal amounts of Restricted Notes set forth opposite the name of such Initial Purchaser on Schedule II hereto. The purchase price for the Restricted Notes will be \$929.04 per \$1,000 principal amount Restricted Note.

(b) Delivery of the Restricted Notes shall be made, against payment of the purchase price therefor, at the offices of Kramer Levin Naftalis & Frankel LLP, 919 Third Avenue, New York, New York or such other location as may be mutually acceptable. Such delivery and payment shall be made at 9:00 a.m., New York City time, on November 21, 2001 or at such other time as shall be agreed upon by the Initial Purchasers and the Company. The time and date of such delivery and payment are herein called the "Closing Date."

(c) On the Closing Date, one or more Restricted Notes in definitive global form, registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), having an aggregate amount corresponding to the aggregate principal amount of the Restricted Notes (the "Global Note") sold pursuant to Exempt Resales to Eligible Purchasers shall be delivered by the Company to the Initial Purchasers (or as the Initial Purchasers direct), against payment by the Initial Purchasers of the purchase price therefor, by wire transfer of same day funds, to an account designated by the Company, provided that the Company shall give at least two business days' prior notice to the Initial Purchasers of the information required to effect such wire transfer. The Global Note shall be made available to the Initial Purchasers for inspection not later than 9:30 a.m. on the business day immediately preceding the Closing Date.

3. Agreements of the Company and the Guarantors. Each of the Company and the Guarantors covenants and agrees with the Initial Purchasers as follows:

(a) To advise the Initial Purchasers promptly and, if requested by the Initial Purchasers, confirm such advice in writing, (i) of the issuance by any state securities commission of any stop order suspending the qualification or exemption from qualification of any Notes or the related Guarantees for offering or sale in any jurisdiction, or the initiation of any proceeding for such purpose by any state securities commission or other regulatory authority and (ii) of the happening of any event that makes any statement of a material fact made in the Offering Memorandum untrue or that requires the making of any additions to or changes in the Offering Memorandum in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. The Company and the Guarantors shall use their commercially reasonable best efforts to prevent the issuance of any stop order or order suspending the qualification or exemption of any Notes or the related Guarantees under any state securities or Blue Sky laws and, if at any time any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption of any Notes or the related Guarantees under any state securities or Blue Sky laws, the Company and the Guarantors shall use their commercially reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest possible time.

(b) To furnish the Initial Purchasers and those persons identified by the Initial Purchasers to the Company, without charge, as many copies of the Offering Memorandum, including all documents incorporated therein by reference, and any amendments or supplements thereto, as the Initial Purchasers may reasonably request. The Company and the Guarantors consent to the use of the Offering Memorandum, and any amendments and supplements thereto required pursuant hereto, by the Initial Purchasers in connection with Exempt Resales.

(c) Not to amend or supplement the Offering Memorandum during such period as in the opinion of counsel for the Initial Purchasers the Offering Memorandum is required by law to be delivered in connection with Exempt Resales and in connection with market-making activities of the Initial Purchasers for so long as any Restricted Notes are outstanding unless the Initial Purchasers shall previously have been advised thereof and shall not have objected thereto within a reasonable time after being furnished a copy thereof. The Company and the Guarantors shall promptly prepare, upon the Initial Purchasers' request, any amendment or supplement to the

Offering Memorandum that may be necessary or advisable in connection with such Exempt Resales or such market making activities.

(d) If, during the period referred to in Section 4(c) above, any event shall occur as a result of which, in the judgment of the Company and the Guarantors or in the reasonable opinion of counsel for the Company and the Guarantors or counsel for the Initial Purchasers, it becomes necessary or advisable to amend or supplement the Offering Memorandum in order to make the statements therein, in the light of the circumstances when such Offering Memorandum is delivered to an Eligible Purchaser, not misleading, or if it is necessary or advisable to amend or supplement the Offering Memorandum to comply with applicable law, (i) to notify the Initial Purchasers and (ii) forthwith to prepare an appropriate amendment or supplement to the Offering Memorandum so that the statements therein as so amended or supplemented will not, in the light of the circumstances when it is so delivered, be misleading, or so that the Offering Memorandum will comply with applicable law.

(e) To cooperate with the Initial Purchasers and counsel for the Initial Purchasers in connection with the qualification or registration of the Restricted Notes and the Guarantees thereof under the securities or Blue Sky laws of such jurisdictions as the Initial Purchasers may reasonably request and to continue such qualification in effect so long as required for the Exempt Resales; provided, however, that neither the Company nor any Guarantor shall be required in connection therewith to register or qualify as a foreign corporation where it is not now so qualified or to take any action that would subject it to service of process in suits or taxation, in each case, other than as to matters and transactions relating to the Offering Memorandum or Exempt Resales, in any jurisdiction where it is not now so subject.

(f) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement becomes effective or is terminated, to pay all costs, expenses, fees and taxes incident to the performance of the obligations of the Company and the Guarantors hereunder, including in connection with: (i) the preparation, printing, filing and distribution of the Offering Memorandum (including but not limited to, without limitation, financial statements) and all amendments and supplements thereto required pursuant hereto, (ii) the preparation (including, without limitation, duplication costs) and delivery of all agreements, correspondence and all other documents prepared and delivered in connection herewith and with the Exempt Resales, (iii) the issuance, transfer and delivery of the Restricted Notes and the Guarantees endorsed thereon to the Initial Purchasers, (iv) the qualification or registration of the Notes and the related Guarantees for offer and sale under the securities or Blue Sky laws of the several states (including, without limitation, the cost of printing and mailing a preliminary and final Blue Sky Memorandum and the reasonable fees and disbursements of counsel for the Initial Purchasers relating thereto), (v) furnishing such copies of the Offering Memorandum, and all amendments and supplements thereto, as may be requested for use in connection with Exempt Resales, (vi) the preparation of certificates for the Notes (including, without limitation, printing and engraving thereof), (vii) the fees, disbursements and expenses of the Company's and the Guarantors' counsel and accountants, (viii) all fees and expenses (including fees and expenses of counsel) of the Company and the Guarantors in connection with the approval of the Notes by DTC for "book-entry" transfer, (ix) rating the Notes by rating agencies, (x) the reasonable fees and expenses of the Trustee and its counsel, (xi) the performance by the Company and the

Guarantors of their other obligations under this Agreement and the other Operative Documents and (xii) "roadshow" travel and other expenses incurred in connection with the marketing and sale of the Notes.

(g) To use the proceeds from the sale of the Restricted Notes in the manner described in the Offering Memorandum under the caption "Use of Proceeds."

(h) Not to voluntarily claim, and to resist actively any attempts to claim, the benefit of any usury laws against the holders of any Notes.

(i) To use their respective commercially reasonable best efforts to do and perform all things required to be done and performed under this Agreement by them prior to or after the Closing Date and use their respective commercially reasonable best efforts to satisfy all conditions precedent on their part to the delivery of the Restricted Notes.

(j) Not to sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Act) that would be integrated with the sale of the Restricted Notes in a manner that would require the registration under the Act of the sale to the Initial Purchasers or the Eligible Purchasers of the Restricted Notes or to take any other action that would result in the Exempt Resales not being exempt from registration under the Act.

(k) For so long as any of the Notes remain outstanding and during any period in which the Company and the Guarantors are not subject to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to make available to any holder or beneficial owner of Restricted Notes in connection with any sale thereof and any prospective purchaser of such Restricted Notes from such holder or beneficial owner, the information required by Rule 144A(d)(4) under the Act.

(l) To cause the Exchange Offer to be made in the appropriate form to permit registered Exchange Notes and the Guarantees thereof to be offered in exchange for the Restricted Notes and the Guarantees thereof and to comply with all applicable federal and state securities laws in connection with the Exchange Offer.

(m) To comply with the Registration Rights Agreement and the representation letters to DTC relating to the approval of the Notes by DTC for "book-entry" transfer.

(n) To effect the inclusion of the Notes in PORTAL and to obtain approval of the Restricted Notes by DTC for "book-entry" transfer.

(o) During a period of two years following the Closing Date, to deliver without charge to the Initial Purchasers, as they may reasonably request, promptly upon their becoming available, copies of (i) all reports or other publicly available information that the Company and the Guarantors shall mail or otherwise make available to their securityholders and (ii) all reports, financial statements and proxy or information statements filed by the Company with the Commission or any national securities exchange and such other publicly available information concerning the Company or any of its subsidiaries.

(p) Prior to the Closing Date, to furnish to the Initial Purchasers, as soon as they have been prepared in the ordinary course by the Company, copies of any unaudited interim financial statements for any period subsequent to the periods covered by the financial statements appearing or incorporated in the Offering Memorandum.

(q) Not to take, directly or indirectly, any action designed to, or that might reasonably be expected to, cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Notes. Except as permitted by the Act, neither the Company nor any Guarantor will distribute any (i) preliminary offering memorandum, (ii) offering memorandum, including, without limitation, the Offering Memorandum, or (iii) other offering material in connection with the offering and sale of the Notes.

4. Representations and Warranties.

(a) The Company and the Guarantors, jointly and severally, represent and warrant to the Initial Purchasers that:

(i) The Offering Memorandum as of its date and as of the Closing Date does not and will not, and any supplement or amendment to it will not, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the representations and warranties contained in this paragraph shall not apply to statements in or omissions from the Offering Memorandum (or any supplement or amendment thereto) made in reliance upon and in conformity with information relating to the Initial Purchasers furnished to the Company and the Guarantors in writing by the Initial Purchasers expressly for use therein. No stop order preventing the use of the Offering Memorandum, or any amendment or supplement thereto, or any order asserting that any of the transactions contemplated by this Agreement are subject to the registration requirements of the Act, has been issued.

(ii) (A) The documents incorporated by reference in the Offering Memorandum, when they were filed with the Commission, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (B) the documents incorporated by reference in the Offering Memorandum when they were filed with the Commission conformed in all material respects to the requirements of the Exchange Act; and (C) any further documents so filed and incorporated by reference in the Offering Memorandum or any further amendment or supplement thereto, when such documents are filed with the Commission, will conform in all material respects to the requirements of the Exchange Act.

(iii) The accountants who have certified or will certify the financial statements included or to be included as part of the Offering Memorandum are independent accountants as required by the Act. The historical consolidated financial statements, together with related schedules and notes thereto, comply as to form in all material

respects with the requirements applicable to registration statements on Form S-1 under the Act and present fairly in all material respects the consolidated financial position and results of operations of the Company and its subsidiaries at the dates and for the periods indicated. Such financial statements have been prepared in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods presented. The pro forma financial statements included in the Offering Memorandum fairly present the information purported to be shown therein at the respective dates thereof and for all respective periods covered thereby and all adjustments have been properly applied.

(iv) Subsequent to the respective dates as of which information is given in the Offering Memorandum and up to the Closing Date, except as set forth in the Offering Memorandum, there has not been any material adverse change in the business, properties, operations, condition (financial or other) or results of operations of the Company and the subsidiaries (as defined below) taken as a whole, whether or not arising from transactions in the ordinary course of business, and since the date of the latest balance sheet of the Company included in the Offering Memorandum, and except as described in the Offering Memorandum, (A) neither the Company nor any subsidiary (1) has incurred or undertaken any liabilities or obligations, direct or contingent, that are, individually or in the aggregate, material to the Company and the subsidiaries taken as a whole, or (2) entered into any transaction not in the ordinary course of business that is material to the Company and the subsidiaries taken as a whole; and (B) the Company has not declared or paid any dividend on or made any distribution of or with respect to any shares of its capital stock or redeemed, purchased or otherwise acquired or agreed to redeem, purchase or otherwise acquire any shares of its or its subsidiaries' capital stock. As used in this Agreement, the term "subsidiary" means any corporation, partnership, joint venture, association, company, business trust or other entity in which the Company directly or indirectly (x) beneficially owns or controls at least 50% of the outstanding voting securities having by the terms thereof ordinary voting power to elect a majority of the board of directors (or other body fulfilling a substantially similar function) of such entity (irrespective of whether or not at the time any class or classes of such voting securities shall have or might have voting power by reason of the happening of any contingency) or (y) has the authority or ability to control the policies of such entity (including, but without limitation, any partnership of which the Company or a subsidiary is a general partner or owns or has the right to obtain a majority of limited partnership interests and any joint venture in which the Company or a subsidiary has liability similar to the liability of a general partner of a partnership or owns or has the right to obtain at least 50% of the joint venture interests); provided, however, that for the purposes of any representations and warranties made in this Section 5, the term "subsidiaries" shall include Keystone/Intrawest LLC, Slifer, Smith & Frampton/Vail Associates Real Estate, L.L.C., SSI Venture, LLC and Resort Technology Partners, LLC only to the extent of the Company's actual knowledge (the Company hereby representing to the Initial Purchasers that the Company does not manage the day to day operations of any of such subsidiaries); and provided further, that, for the purposes of any representations and warranties made in this Section 5, except for Section 5(a)(i) and (ii), the term "subsidiaries" shall exclude

Avon Partners II, Limited Liability Company; Clinton Ditch & Reservoir Company; BC Housing, LLC; Eagle Park Reservoir Company; Boulder/Beaver, LLC; Eclipse Television and Sports Marketing LLC; Breckenridge Terrace, LLC; and Tenderfoot Seasonal Housing, LLC.

(v) When the Restricted Notes and the Guarantees thereof are issued and delivered pursuant to this Agreement, no Restricted Note or Guarantee thereof will be of the same class (within the meaning of Rule 144A under the Act) as securities of the Company or any Guarantor that are listed on a national securities exchange registered under Section 6 of the Exchange Act or that are quoted in a United States automated inter-dealer quotation system.

(vi) Each of the Company and the Guarantors has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement and each of the other Operative Documents to which it is a party. This Agreement has been duly and validly authorized, executed and delivered by the Company and each Guarantor and (assuming the due authorization, execution and delivery by the Initial Purchasers) is a legal and binding obligation of the Company and each Guarantor, enforceable against each of them in accordance with its terms, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy).

(vii) The Indenture has been duly and validly authorized by the Company and each Guarantor and, when duly executed and delivered by the Company and each Guarantor (assuming the due authorization, execution and delivery by the Trustee), will be a legal and binding agreement of the Company and each Guarantor, enforceable against each of them in accordance with its terms, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy). On the Closing Date, the Indenture will conform in all material respects to the requirements of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission applicable to an indenture which is qualified thereunder. The Offering Memorandum contains a summary of the material terms of the Indenture, which is accurate in all material respects.

(viii) The Registration Rights Agreement has been duly and validly authorized by the Company and each Guarantor and, when duly executed and delivered by the Company and each Guarantor (assuming due authorization, execution and delivery by the Initial Purchasers), will be a legal and binding obligation of the Company and each Guarantor, enforceable against each of them in accordance with its terms, subject to (A) applicable

bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy). The Offering Memorandum contains a summary of the material terms of the Registration Rights Agreement, which is accurate in all material respects.

(ix) The Restricted Notes have been duly and validly authorized by the Company for issuance and sale to the Initial Purchasers pursuant to this Agreement and, when issued and authenticated in accordance with the terms of the Indenture and delivered against payment therefor in accordance with the terms hereof and thereof, will be the legal and binding obligations of the Company, enforceable against it in accordance with their terms and entitled to the benefits of the Indenture, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy). The Offering Memorandum contains a summary of the material terms of the Notes, which is accurate in all material respects.

(x) The Guarantees of the Restricted Notes have been duly and validly authorized by each of the Guarantors and, when executed and delivered in accordance with the terms of the Indenture and when the Restricted Notes have been issued and authenticated in accordance with the terms of the Indenture and delivered against payment therefor in accordance with the terms hereof and thereof, will be the legal and binding obligations of each of the Guarantors, enforceable against each of them in accordance with their terms and entitled to the benefits of the Indenture, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now and hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy). The Offering Memorandum contains a summary of the material terms of the Guarantees, which is accurate in all material respects.

(xi) The Exchange Notes have been duly and validly authorized for issuance by the Company and, when issued and authenticated in accordance with the terms of the Exchange Offer and the Indenture, will be the legal, valid and binding obligations of the Company, enforceable against it in accordance with their terms and entitled to the benefits of the Indenture, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now and hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as

rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy).

(xii) The Guarantees of the Exchange Notes have been duly and validly authorized by each of the Guarantors and, when executed and delivered in accordance with the terms of the Indenture and when the Exchange Notes have been issued and authenticated in accordance with the terms of the Exchange Offer and the Indenture, will be the legal and binding obligations of each of the Guarantors, enforceable against each of them in accordance with their terms and entitled to the benefits of the Indenture, subject to (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws now and hereafter in effect relating to creditors rights generally and (B) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity except insofar as rights to indemnification and contribution contained herein may be limited by federal or state securities laws or related public policy).

(xiii) The execution, delivery or performance by the Company or any Guarantor of this Agreement or any of the other Operative Documents to which it is a party will not (1) conflict with or result in a breach of any of the terms and provisions of, or constitute a default under (or an event that with notice or lapse of time, or both, would constitute a default under) or require approval or consent under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any subsidiary pursuant to the terms of any agreement, contract, indenture, mortgage, lease, license, arrangement or understanding to which the Company or a subsidiary is a party, or to which any of their properties is subject, that is material to the Company and the subsidiaries taken as a whole (hereafter, collectively, "Material Contracts"), or any governmental franchise, license or permit heretofore issued to the Company or any subsidiary that is material to the Company and the subsidiaries taken as a whole (hereafter, collectively, "Material Permits"), (2) violate or conflict with any provision of the certificate of incorporation, by-laws or similar governing instruments of the Company or any subsidiary listed on Schedule III hereto (the "Material Subsidiaries") or (3) violate or conflict with any judgment, decree, order, statute, rule or regulation of any court or any public, governmental or regulatory agency or body having jurisdiction over the Company or any Material Subsidiary or any of its respective properties or assets, except for those violations or conflicts, that, individually or in the aggregate, could not reasonably be expected to have, a material adverse effect on the Company and its subsidiaries, taken as a whole (hereinafter referred to as a "Material Adverse Effect").

(xiv) No consent, approval, authorization, order, registration, filing, qualification, license or permit of or with any court or any public, governmental or regulatory agency or body having jurisdiction over the Company or any subsidiary or any of its respective properties or assets is required for (A) the execution, delivery and performance by each of the Company and the Guarantors of this Agreement or any of the other Operative Documents to which it is a party or (B) the issuance and sale of the Notes, the issuance of the Guarantees and the transactions contemplated hereby and thereby, except such as have been or will be obtained and made on or prior to the Closing Date (or, in the case of the

Registration Rights Agreement, will be obtained and made under the Act, the Trust Indenture Act, and state securities or Blue Sky laws and regulations).

(xv) All of the currently outstanding shares of capital stock of the Company, and all of the outstanding shares of capital stock (or similar interests) owned directly or indirectly by the Company of each of the subsidiaries of the Company have been duly and validly authorized and issued, are fully paid and nonassessable and were not issued in violation of or subject to any preemptive rights. The Company has, as of the date hereof, and will have, as of the Closing Date an authorized and outstanding capitalization as set forth in the Offering Memorandum, both on an historical basis and as adjusted to give effect to the offering of the Notes. The Company owns directly or indirectly such percentage of the outstanding capital stock (or similar interests) of each of its subsidiaries as is set forth opposite the name of such subsidiary in Schedule IV hereto, free and clear of all claims, liens, security interests, pledges, charges, encumbrances, stockholders agreements and voting trusts, subject to such exceptions as would not have a Material Adverse Effect.

(xvi) The Company has no subsidiaries other than those listed in Schedule IV hereto. Each of the Company and the Material Subsidiaries has been duly organized and is validly existing as a corporation or other entity in good standing under the laws of its jurisdiction of incorporation or organization, as the case may be. Each of the Company and the Material Subsidiaries is duly qualified and in good standing as a foreign corporation or other entity in each jurisdiction in which the character or location of its properties (owned, leased or licensed) or the nature or conduct of its business makes such qualification necessary, except for those failures to be so qualified or in good standing that will not have a Material Adverse Effect. Each of the Company and the Material Subsidiaries has all requisite corporate, or other, power and authority, and all necessary consents, approvals, authorizations, orders, registrations, filings, qualifications, licenses and permits of and from all public, regulatory or governmental agencies and bodies, to own, lease and operate its properties and conduct its business as now being conducted and as described in the Offering Memorandum (except for those the absence of which would not have a Material Adverse Effect). Neither the Company nor any of the Material Subsidiaries has received any notice of proceedings relating to revocation or modification of any such consents, approvals, authorizations, orders, registrations, filings, qualifications, licenses or permits.

(xvii) Neither the Company nor any subsidiary is in violation or breach of, or in default under (nor has an event occurred that with notice, lapse of time or both, would constitute a default under) any Material Contract, and each Material Contract is in full force and effect, and is the legal, valid, and binding obligation of the Company or such subsidiary, as the case may be, and (subject to applicable bankruptcy, insolvency, and other laws affecting the enforceability of creditors' rights generally) is enforceable as to the Company or such subsidiary, as the case may be, in accordance with its terms, subject to such exceptions which, individually or in the aggregate, do not have and are not reasonably likely to have a Material Adverse Effect. Neither the Company nor any

Material Subsidiary is in violation of its certificate of incorporation, by-laws or similar governing instrument.

(xviii) There is no litigation, arbitration, claim, governmental or other proceeding or investigation pending or, to the best knowledge of the Company, threatened in writing with respect to the Company or any Material Subsidiary, or any of its respective operations, businesses, properties or assets, except as described in the Offering Memorandum, that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Neither the Company nor any Material Subsidiary is, or, to the best knowledge of the Company, with the giving of notice or lapse of time or both would be, in violation of or non-compliance with the requirements of any Material Permit or the provisions of any law, rule, regulation, order, judgment or decree, including, but without limitation thereto, all applicable federal, state and local laws and regulations relating to (A) zoning, land use, protection of the environment, human health and safety or hazardous or toxic substances, wastes, pollutants or contaminants and (B) employee or occupational safety, discrimination in hiring, promotion or pay of employees, employee hours and wages or employee benefits, except for such violations or failures of compliance that, individually or in the aggregate, would not have a Material Adverse Effect.

(xix) Except as described in the Offering Memorandum, the Company and each Material Subsidiary have (A) good and marketable title to all real and personal properties owned by them, free and clear of all liens, security interests, pledges, charges, encumbrances, and mortgages, and (B) valid, subsisting and enforceable leases for all real and personal properties leased by them, in each case, subject to such exceptions as, individually or in the aggregate, do not have and are not reasonably likely to have a Material Adverse Effect. Except as disclosed in the Offering Memorandum, no real property owned, leased, licensed or used by the Company or by a Material Subsidiary lies in an area that is, or to the best knowledge of the Company will be, subject to zoning, use, or building code restrictions that would prohibit or prevent the continued effective ownership, leasing, licensing, or use of such real property in the business of the Company or such Material Subsidiary as presently conducted or as the Offering Memorandum indicates is contemplated to be conducted, subject to such exceptions which, individually or in the aggregate, do not have and are not reasonably likely to have a Material Adverse Effect.

(xx) The Company, directly or through one or more of the subsidiaries, owns or possesses all patents, patent rights, licenses, inventions, copyrights, trademarks, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), service marks and trade names (collectively, "Intellectual Property") necessary to conduct its business as now conducted and proposed to be conducted as disclosed in the Offering Memorandum, except where the failure to own or possess such Intellectual Property, individually or in the aggregate, would not have a Material Adverse Effect. Neither the Company nor any subsidiary has received notice of infringement of or conflict with the asserted rights of others with respect to any Intellectual Property, except for those which would not have a

Material Adverse Effect. To the best actual knowledge of the Company's senior management (no duty of inquiry being implied), there is no infringement by others of any Intellectual Property of the Company or any subsidiary that has had or may in the future have a Material Adverse Effect. The Company or a predecessor has registered, and the Company or a subsidiary owns the rights to all registrations of the rights to the trademark and related logo for each of "Vail" and "Beaver Creek" in all jurisdictions in which the failure to so register or to so own such rights to such registrations would, individually or in the aggregate, have a Material Adverse Effect.

(xxi) To the Company's best knowledge, neither the Company nor any subsidiary, nor any director, officer or employee of the Company or any subsidiary has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment, or other unlawful expenses relating to political activity, made any unlawful payment to foreign or domestic government officials or employees or to foreign or domestic political parties or campaigns from corporate funds, violated any provision of the Foreign Corrupt Practices Act of 1977, as amended, or made any bribe, rebate, payoff, influence payment, kickback, or other unlawful payment.

(xxii) There are no holders of securities of the Company or any of its subsidiaries who, by reason of the execution by the Company or any of the Guarantors of this Agreement or any other Operative Document to which it is a party or the consummation by the Company or any of the Guarantors of the transactions contemplated hereby and thereby, have the right to request or demand that the Company or any of its subsidiaries register under the Act or analogous foreign laws and regulations securities held by them other than pursuant to the Registration Right Agreement.

(xxiii) None of the Company or any of its subsidiaries is an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "Investment Company Act").

(xxiv) Except pursuant to this Agreement, there are no contracts, agreements or understandings between the Company and its subsidiaries and any other person that would give rise to a valid claim against the Company or any of its subsidiaries or the Initial Purchasers for a brokerage commission, finder's fee or like payment in connection with the issuance, purchase and sale of the Notes.

(xxv) Other than as disclosed in the Offering Memorandum, no labor dispute with the employees of the Company or any subsidiary exists or, to the best knowledge of the Company, is imminent that, individually or in the aggregate, is reasonably likely to have a Material Adverse Effect.

(xxvi) (A) All United States Federal income tax returns of the Company and each subsidiary required by law to be filed have been filed and all taxes shown by such returns or otherwise assessed that are due and payable have been paid, except assessments against which appeals have been or will be promptly taken and (B) the Company and the subsidiaries have filed all other tax returns that are required to have been filed by them

pursuant to the applicable laws of all other jurisdictions, except, as to each of the foregoing clauses (A) and (B), insofar as the failure to file such returns, individually or in the aggregate, would not have a Material Adverse Effect, and the Company and the subsidiaries have paid all taxes due pursuant to said returns or pursuant to any assessment received by the Company or any subsidiary, except for such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with US GAAP. The charges, accruals and reserves on the consolidated books of the Company in respect of any tax liability for any years not finally determined are adequate to meet any assessments or re-assessments for additional tax for any years not finally determined, except to the extent of any inadequacy that would not have a Material Adverse Effect.

(xxvii) The Company and each subsidiary is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company and the subsidiaries are engaged.

(xxviii) Except as disclosed in, or incorporated by reference into, the Offering Memorandum, there are no business relationships or related party transactions of the nature described in Item 404 of Regulation S-K of the Commission involving the Company or any other persons referred to in such Item 404, except for such transactions that would be considered immaterial under such Item 404.

(xxix) No action has been taken and no statute, rule, regulation or order has been enacted, adopted or issued by any governmental agency that prevents the issuance of the Notes or the Guarantees or prevents or suspends the use of the Offering Memorandum; no injunction, restraining order or order of any nature by a federal or state court of competent jurisdiction has been issued that prevents the issuance of the Notes or the Guarantees or prevents or suspends the sale of the Notes or the Guarantees in any jurisdiction referred to in Section 4(e) hereof; and every request of any securities authority or agency of any jurisdiction for additional information has been complied with in all material respects.

(xxx) No registration under the Act of the Restricted Notes or the Guarantees thereof is required for the sale of the Restricted Notes to the Initial Purchasers as contemplated hereby or for the Exempt Resales assuming (A) that the purchasers who buy the Restricted Notes in the Exempt Resales are Eligible Purchasers and (B) the accuracy of the Initial Purchasers' representations regarding the absence of general solicitation in connection with the sale of Restricted Notes to the Initial Purchasers and the Exempt Resales contained herein. No form of general solicitation or general advertising (as defined in Regulation D under the Act) was used by the Company or any of the Guarantors or any of their representatives (other than the Initial Purchasers, as to which the Company and the Guarantors make no representation or warranty) in connection with the offer and sale of any of the Restricted Notes or the Guarantees thereof or in connection with Exempt Resales, including, but not limited to, articles, notices or other communications published in any newspaper, magazine, or similar medium or broadcast over television or radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising. No securities of the

same class as the Notes have been issued and sold by the Company or any of its subsidiaries within the six-month period immediately prior to the date hereof.

(xxxix) The execution and delivery of this Agreement and the other Operative Documents and the sale of the Restricted Notes to be purchased by Eligible Purchasers will not involve any prohibited transaction within the meaning of Section 406 of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended. The representation made by the Company and the Guarantors in the preceding sentence is made in reliance upon and subject to the accuracy of, and compliance with, the representations and covenants made or deemed made by Eligible Purchasers as set forth in the Offering Memorandum under the caption "Transfer Restrictions."

(xxxix) The statistical and market-related data included in the Offering Memorandum are based on or derived from sources which the Company and the Guarantors believe to be reliable and accurate in all material respects.

(xxxix) The Offering Memorandum, as of its date, contains the information specified in, and meets the requirements of, Rule 144A(d)(4) under the Act.

(xxxix) Prior to the effectiveness of any Registration Statement, the Indenture is not required to be qualified under the Trust Indenture Act.

(xxxix) None of the execution, delivery and performance of this Agreement, the issuance and sale of the Notes, the application of the proceeds from the issuance and sale of the Notes and the consummation of the transactions contemplated thereby as set forth in the Offering Memorandum, will violate Regulations T, U or X promulgated by the Board of Governors of the Federal Reserve System.

(xxxix) Neither the Company nor any Guarantor intends to, nor believes that it will, incur debts beyond its ability to pay such debts as they mature. The present fair saleable value of the assets of the Company and each Guarantor exceeds the amount that will be required to be paid on or in respect of its existing debts and other liabilities (including contingent liabilities) as they become absolute and matured. The assets of the Company and each Guarantor does not constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Upon the issuance of the Notes and the Guarantees, the present fair saleable value of the assets of the Company and each Guarantor will exceed the amount that will be required to be paid on or in respect of its existing debts and other liabilities (including contingent liabilities) as they become absolute and matured. Upon the issuance of the Notes and the Guarantees, the assets of the Company and each Guarantor will not constitute unreasonably small capital to carry out its business as now conducted.

(xxxix) Each certificate signed by any officer of the Company or any Guarantor and delivered to the Initial Purchasers or counsel for the Initial Purchasers shall be deemed to be a representation and warranty by the Company or such Guarantor, as the case may be, to the Initial Purchasers as to the matters covered thereby.

(xxxviii) Each of the Company and the Guarantors acknowledge that the Initial Purchasers and, for purposes of the opinions to be delivered to the Initial Purchasers pursuant to Section 8 hereof, counsel for the Company and the Guarantors and counsel for the Initial Purchasers, will rely upon the accuracy and truth of the foregoing representations and hereby consent to such reliance.

(xxxix) None of the Company, the Guarantors nor any of their respective affiliates or any person acting on its or their behalf (other than the Initial Purchasers, as to whom the Company and the Guarantors make no representation) has engaged or will engage in any directed selling efforts within the meaning of Regulation S with respect to the Restricted Notes.

(xl) The Restricted Notes offered and sold in reliance on Regulation S have been and will be offered and sold only in offshore transactions.

(xli) The sale of the Restricted Notes pursuant to Regulation S is not part of a plan or scheme to evade the registration provisions of the Act.

(xlii) The Company, the Guarantors and their respective affiliates and all persons acting on their behalf (other than the Initial Purchasers, as to whom the Company and the Guarantors make no representation) have complied with and will comply with the offering restrictions requirements of Regulation S in connection with the offering of the Restricted Notes outside the United States and, in connection therewith, the Offering Memorandum contains the disclosure required by Rule 902(g)(2).

(xliii) Each of the Company and the Guarantors is a "reporting issuer," as defined in Rule 902 under the Act.

(b) Each of the Initial Purchasers, severally and not jointly, represents, warrants and covenants to the Company and the Guarantors and agrees that:

(i) Such Initial Purchaser is a QIB, with such knowledge and experience in financial and business matters as are necessary in order to evaluate the merits and risks of an investment in the Restricted Notes.

(ii) Such Initial Purchaser (A) is not acquiring the Restricted Notes with a view to any distribution thereof that would violate the Act or the securities laws of any state of the United States or any other applicable jurisdiction and (B) will be reoffering and reselling the Restricted Notes only to QIBs in reliance on the exemption from the registration requirements of the Act provided by Rule 144A and in offshore transactions in reliance upon Regulation S under the Act.

(iii) No form of general solicitation or general advertising (within the meaning of Regulation D under the Act) has been or will be used by such Initial Purchaser or any of its representatives in connection with the offer and sale of any of the Restricted Notes or Guarantees, including, but not limited to, articles, notices or other communications published in any newspaper, magazine, or similar medium or broadcast over television or

radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(iv) Such Initial Purchaser agrees that, in connection with the Exempt Resales, it will solicit offers to buy the Restricted Notes only from, and will offer to sell the Restricted Notes only to, Eligible Purchasers. Such Initial Purchaser further agrees that (A) it will offer to sell the Restricted Notes only to, and will solicit offers to buy the Restricted Notes only from Eligible Purchasers who in purchasing such Restricted Notes will be deemed to have represented and agreed that they are purchasing the Restricted Notes for their own account or accounts with respect to which they exercise sole investment discretion and that they or such accounts are Eligible Purchasers, and (B) such Eligible Purchasers will acknowledge and agree that such Restricted Notes will not have been registered under the Act and may be resold, pledged or otherwise transferred within two years of issuance only (1) to the Company or any subsidiary thereof, (2) inside the United States to a QIB in compliance with Rule 144A under the Act, (3) inside the United States to an accredited investor (as defined in Rule 501(a)(1), (2), (3) or (7) under the Act) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to the trustee a signed letter containing certain representations and agreements relating to the restrictions on transfer of this security (the form of which letter can be obtained from the trustee for this security), (4) outside the United States in an offshore transaction in compliance with Rule 904 of Regulation S under the Act, (5) pursuant to the exemption from registration provided by Rule 144 under the Act (if available), or (6) pursuant to an effective registration statement under the Act, and (C) acknowledges that it will, and each subsequent holder is required to, notify any purchaser of a Restricted Note of the resale restrictions set forth in (B) above.

(v) Such Initial Purchaser and its affiliates or any person acting on its or their behalf have not engaged and will not engage in any directed selling efforts within the meaning of Regulation S with respect to the Restricted Notes or the Guarantees thereof.

(vi) The Restricted Notes offered and sold by such Initial Purchaser pursuant hereto in reliance on Regulation S have been and will be offered and sold only in offshore transactions.

(vii) The sale of Restricted Notes offered and sold by such Initial Purchaser pursuant hereto in reliance on Regulation S is not part of a plan or scheme to evade the registration provisions of the Act.

(viii) Such Initial Purchaser agrees that it has not offered or sold and will not offer or sell the Restricted Notes in the United States or to, or for the benefit or account of, a U.S. Person (other than a distributor), in each case, as defined in Rule 902 under the Act (1) as part of its distribution at any time and (2) otherwise until 40 days after the later of the commencement of the offering of the Restricted Notes pursuant hereto and the Closing Date, other than in accordance with Regulation S of the Act or another exemption from the registration requirements of the Act. Such Initial Purchaser agrees that, during such 40-day distribution compliance period, it will not cause any

advertisement with respect to the Restricted Notes (including any "tombstone" advertisement) to be published in any newspaper or periodical or posted in any public place and will not issue any circular relating to the Restricted Notes, except such advertisements as are permitted by and include the statements required by Regulation S.

(ix) Such Initial Purchaser agrees that, at or prior to confirmation of a sale of Restricted Notes by it to any distributor, dealer or person receiving a selling concession, fee or other remuneration during the 40-day distribution compliance period referred to in Rule 903(c)(2) under the Act, it will send to such distributor, dealer or person receiving a selling concession, fee or other remuneration a confirmation or notice to substantially the following effect:

"The Restricted Notes covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered and sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of your distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the Offering and the Closing Date, except in either case in accordance with Regulation S under the Securities Act (or Rule 144A or to an accredited investor (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) in transactions that are exempt from the registration requirements of the Securities Act), and in connection with any subsequent sale by you of the Restricted Notes covered hereby in reliance on Regulation S during the period referred to above to any distributor, dealer or person receiving a selling concession, fee or other remuneration, you must deliver a notice to substantially the foregoing effect. Terms used above have the meanings assigned to them in Regulation S."

The Initial Purchasers acknowledge that the Company and the Guarantors and, for purposes of the opinions to be delivered to the Initial Purchasers pursuant to Section 8 hereof, counsel for the Company and the Guarantors and counsel for the Initial Purchasers will rely upon the accuracy and truth of the foregoing representations and hereby consent to such reliance.

5. Indemnification.

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) the Initial Purchasers, (ii) each person, if any, who controls the Initial Purchasers within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and (iii) the respective officers, directors, partners, employees, representatives and agents of the Initial Purchasers or any controlling person against any and all losses, liabilities, claims, damages and expenses whatsoever (including but not limited to reasonable attorneys' fees and any and all expenses whatsoever incurred in investigating, preparing or defending against any investigation or litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation, provided that such settlement was effected with the Company's and the Guarantor's written consent in accordance with Section 6(c) hereof), joint or several, to which they or any of them may become subject under the Act, the Exchange Act or

otherwise, insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Offering Memorandum (including the documents incorporated by reference therein), or in any supplement thereto or amendment thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that neither the Company nor any Guarantor will be liable in any such case to the extent, but only to the extent, that any such loss, liability, claim, damage or expense arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with information relating to the Initial Purchasers furnished to the Company and the Guarantors in writing by or on behalf of the Initial Purchasers expressly for use therein. This indemnity agreement will be in addition to any liability which the Company and the Guarantors may otherwise have, including under this Agreement.

(b) The Initial Purchasers, severally and not jointly, agree to indemnify and hold harmless (i) the Company and the Guarantors, (ii) each person, if any, who controls the Company or any of the Guarantors within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act, and (iii) the officers, directors, partners, employees, representatives and agents of the Company and the Guarantors, against any losses, liabilities, claims, damages and expenses whatsoever (including but not limited to reasonable attorneys' fees and any and all expenses whatsoever incurred in investigating, preparing or defending against any investigation or litigation, commenced or threatened, or any claim whatsoever and any and all amounts paid in settlement of any claim or litigation, provided that such settlement was effected with such Initial Purchaser's written consent in accordance with Section 6(c) hereof), joint or several, to which they or any of them may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Offering Memorandum, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such loss, liability, claim, damage or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with information relating to the Initial Purchasers furnished to the Company and the Guarantors in writing by or on behalf of the Initial Purchasers expressly for use therein; provided, however, that in no case shall the Initial Purchasers be liable or responsible for any amount in excess of the discounts and commissions received by the Initial Purchasers, as set forth on the cover page of the Offering Memorandum. This indemnity will be in addition to any liability which the Initial Purchasers may otherwise have, including under this Agreement.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing of the commencement thereof (but the failure so to notify an indemnifying party shall not relieve it from any liability which it may

have under this Section 6 except to the extent that it has been prejudiced in any material respect by such failure or from any liability which it may otherwise have). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying party or parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties with respect to such different defenses), in any of which events such fees and expenses of counsel shall be borne by the indemnifying parties; provided, however, that the indemnifying party under subsection (a) or (b) above shall only be liable for the legal expenses of one counsel (in addition to any local counsel) for all indemnified parties in each jurisdiction in which any claim or action is brought. Anything in this subsection to the contrary notwithstanding, an indemnifying party shall not be liable for any settlement of any claim or action effected without its prior written consent, provided that such consent was not unreasonably withheld.

6. Contribution. In order to provide for contribution in circumstances in which the indemnification provided for in Section 6 is for any reason held to be unavailable from an indemnifying party or is insufficient to hold harmless a party indemnified thereunder, the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by such indemnification provision (including any investigation, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claims asserted, but after deducting in the case of losses, liabilities, claims, damages and expenses suffered by the Company or any Guarantor, any contribution received by the Company and the Guarantors from persons, other than the Initial Purchasers, who may also be liable for contribution, including persons who control the Company or any of the Guarantors within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act) to which the Company, the Guarantors and the Initial Purchasers may be subject, in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, from the offering of the Restricted Notes or, if such allocation is not permitted by applicable law or indemnification is not available as a result of the indemnifying party not having received notice as provided in Section 6, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the statements or

omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be deemed to be in the same proportion as (i) the total proceeds from the offering of Restricted Notes (net of discounts and commissions but before deducting expenses) received by the Company and the Guarantors and (ii) the discounts and commissions received by the Initial Purchasers, respectively, in each case as set forth on the cover page of the Offering Memorandum. The relative fault of the Company and the Guarantors, on the one hand, and of the Initial Purchasers, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, any Guarantor or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to above.

Notwithstanding the provisions of this Section 7, (i) in no case shall the Initial Purchasers be required to contribute any amount in excess of the amount by which the discounts and commissions applicable to the Restricted Notes purchased by the Initial Purchasers pursuant to this Agreement exceeds the amount of any damages which the Initial Purchasers has otherwise been required to pay by reason of any untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, (A) each person, if any, who controls the Initial Purchasers within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and (B) the respective officers, directors, partners, employees, representatives and agents of the Initial Purchasers or any controlling person shall have the same rights to contribution as the Initial Purchasers, and (A) each person, if any, who controls the Company or any Guarantor within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and (B) the respective officers, directors, partners, employees, representatives and agents of the Company and the Guarantors shall have the same rights to contribution as the Company and the Guarantors, subject in each case to clauses (i) and (ii) of this Section 7. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this Section 7, notify such party or parties from whom contribution may be sought, but the failure to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 7 or otherwise. No party shall be liable for contribution with respect to any action or claim settled without its prior written consent, provided that such written consent was not unreasonably withheld. The Initial Purchasers' obligations to contribute pursuant to this Section 7 are several in proportion to the respective principal amounts of Restricted Notes purchased by each of the Initial Purchasers hereunder and not joint.

7. Conditions of Initial Purchasers' Obligations. The obligations of the Initial Purchasers to purchase and pay for the Restricted Notes, as provided herein, shall be subject to the satisfaction of the following conditions:

(a) At the Closing Date, the Initial Purchasers shall have received a certificate of the Company, executed by each of the Chief Executive Officer and the Chief Financial Officer of the Company, and a certificate of each Guarantor, executed by two authorized officers of such Guarantor, dated the date of its delivery, to the effect that as of the date of such certificate the representations and warranties of the Company or the Guarantor, as applicable, set forth in Section 5 hereof are true and correct in all material respects as of such Closing Date, the obligations of the Company or the Guarantor, as applicable, to be performed hereunder on or prior thereto have been duly performed in all material respects, and subsequent to the respective dates of which information is given in the Offering Memorandum, the Company or Guarantor, as applicable, and its subsidiaries have not sustained any material loss or interference with their respective businesses or properties from fire, flood, hurricane, accident or other calamity, whether or not covered by insurance, or from any labor dispute or any legal or governmental proceeding, and there has not been any material adverse change, or any development involving a material adverse change, in the business prospects, properties, operations, condition (financial or otherwise), or results of operations of the Company and its subsidiaries taken as a whole, except in which case as described in or contemplated by the Offering Memorandum.

(b) At the Closing Date, the Initial Purchasers shall have received (i) the written opinion of Martha D. Rehm, Esq., General Counsel to the Company, dated the Closing Date, addressed to the Initial Purchasers, in form and substance reasonably acceptable to the Initial Purchasers' counsel, (ii) the written opinion of Cahill Gordon & Reindel, special counsel for the Company, dated the Closing Date, addressed to the Initial Purchasers, in form and substance reasonably satisfactory to Initial Purchasers' counsel and (iii) the written opinion of Arnold & Porter, special counsel for the Company, dated the Closing Date, addressed to the Initial Purchasers, in form and substance reasonably satisfactory to Initial Purchasers' counsel.

(c) At the Closing Date, the Initial Purchasers shall have received the written opinion of Balcomb & Green, P.C., special counsel for the Initial Purchasers, dated the Closing Date, addressed to the Initial Purchasers, in form and substance reasonably satisfactory to Initial Purchasers' counsel.

(d) At the time this Agreement is executed and at the Closing Date, the Initial Purchasers shall have received from Arthur Andersen LLP, independent public accountants, dated as of the date of this Agreement and as of the Closing Date, customary comfort letters addressed to the Initial Purchasers and in form and substance satisfactory to the Initial Purchasers and counsel for the Initial Purchasers with respect to the financial statements and certain financial information of the Company and its subsidiaries contained in the Offering Memorandum and/or incorporated therein by reference.

(e) The Initial Purchasers shall have received an opinion, dated the Closing Date, in form and substance reasonably satisfactory to the Initial Purchasers, of Kramer Levin Naftalis

& Frankel LLP, counsel for the Initial Purchasers, covering such matters as are customarily covered in such opinions.

(f) Kramer Levin Naftalis & Frankel LLP shall have been furnished with such documents, in addition to those set forth above, as they may reasonably require for the purpose of enabling them to review or pass upon the matters referred to in this Section 8 and in order to evidence the accuracy, completeness or satisfaction in all material respects of any of the representations, warranties or conditions herein contained.

(g) Prior to the Closing Date, the Company and the Guarantors shall have furnished to the Initial Purchasers such further information, certificates and documents as the Initial Purchasers may reasonably request.

(h) The Company, the Guarantors and the Trustee shall have entered into the Indenture and the Initial Purchasers shall have received counterparts, conformed as executed, thereof.

(i) The Company, the Guarantors and the Initial Purchasers shall have entered into the Registration Rights Agreement and the Initial Purchasers shall have received counterparts, conformed as executed, thereof.

(j) On or after the date hereof, (i) there shall not have occurred any downgrading, suspension or withdrawal of, nor shall any notice have been given of any potential or intended downgrading, suspension or withdrawal of, or of any review (or of any potential or intended review) for a possible change that does not indicate the direction of the possible change in, any rating of the Company or any Guarantor or any securities of the Company or any Guarantor (including, without limitation, the placing of any of the foregoing ratings on credit watch with negative or developing implications or under review with an uncertain direction) by any "nationally recognized statistical rating organization" as such term is defined for purposes of Rule 436(g)(2) under the Act, (ii) there shall not have occurred any change, nor shall any notice have been given of any potential or intended change, in the outlook for any rating of the Company or any Guarantor or any securities of the Company or any Guarantor by any such rating organization and (iii) no such rating organization shall have given notice that it has assigned (or is considering assigning) a lower rating to the Notes than that on which the Notes were marketed.

(k) The Notes shall have been approved for trading on PORTAL.

(l) All opinions, certificates, letters and other documents required by this Section 8 to be delivered by the Company and the Guarantors will be in compliance with the provisions hereof only if they are reasonably satisfactory in form and substance to the Initial Purchasers. The Company and the Guarantors shall furnish the Initial Purchasers with such conformed copies of such opinions, certificates, letters and other documents as it shall reasonably request.

8. Initial Purchasers' Information. The Company and the Guarantors acknowledge that the statements with respect to the offering of the Restricted Notes set forth in (i) the third sentence of the penultimate paragraph on the cover page and (ii) the first and last two

paragraphs in "Private Placement" in the Offering Memorandum constitute the only information relating to any of the Initial Purchasers furnished to the Company and the Guarantors in writing by or on behalf of the Initial Purchasers expressly for use in the Offering Memorandum.

9. Survival of Representations and Agreements. All representations and warranties, covenants and agreements of the Initial Purchasers, the Company and the Guarantors contained in this Agreement, including the agreements contained in Sections 4(f) and 11(d), the indemnity agreements contained in Section 6 and the contribution agreements contained in Section 7, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Initial Purchasers, any controlling person thereof, or by or on behalf of the Company, the Guarantors or any controlling person thereof, and shall survive delivery of and payment for the Restricted Notes to and by the Initial Purchasers. The representations contained in Section 5 and the agreements contained in Sections 4(f), 6, 7 and 11(d) shall survive the termination of this Agreement, including any termination pursuant to Section 11.

10. Effective Date of Agreement; Termination.

(a) This Agreement shall become effective upon execution and delivery of a counterpart hereof by each of the parties hereto.

(b) The Initial Purchasers shall have the right to terminate this Agreement at any time prior to the Closing Date by notice to the Company from the Initial Purchasers, without liability (other than with respect to Sections 6 and 7) on the Initial Purchasers' part to the Company or any of the Guarantors if, on or prior to such date, (i) the Company or any of the Guarantors shall have failed, refused or been unable to perform in any material respect any agreement on its part to be performed hereunder, (ii) any other condition to the obligations of the Initial Purchasers hereunder as provided in Section 8 is not fulfilled when and as required in any material respect, (iii) in the reasonable judgment of the Initial Purchasers, any material adverse change shall have occurred since the respective dates as of which information is given in the Offering Memorandum in the condition (financial or otherwise), business, prospects, or results of operations of the Company and its subsidiaries, taken as a whole, other than as set forth in the Offering Memorandum, or (iv) (A) trading in securities generally on the New York Stock Exchange, the American Stock Exchange, or the Nasdaq National Market shall have been suspended or materially limited, or minimum or maximum prices for trading shall have been established, or maximum ranges for prices for securities shall have been required, on such exchange or the Nasdaq National Market, or by such exchange or other regulatory body or governmental authority having jurisdiction; or (B) a banking moratorium shall have been declared by federal or state authorities; or (C) there is an outbreak or escalation of armed hostilities involving the United States on or after the date hereof, or if there has been a declaration by the United States of a national emergency or war, the effect of which shall be, in the Initial Purchasers' judgment, to make it inadvisable or impracticable to proceed with the offering or delivery of the Restricted Notes on the terms and in the manner contemplated in the Offering Memorandum; or (D) there shall have occurred such a material adverse change in the financial markets in the United States or any other calamity or crisis or materially adverse change in general economic, political or financial conditions having an effect on the U.S. financial

markets such as, in the Initial Purchasers' judgment, makes it inadvisable or impracticable to proceed with the delivery of the Restricted Notes as contemplated hereby.

(c) Any notice of termination pursuant to this Section 11 shall be by telephone or facsimile and, in either case, confirmed in writing by letter.

(d) If this Agreement shall be terminated pursuant to any of the provisions hereof (otherwise than pursuant to clause (iv) of Section 11(b), in which case each party will be responsible for its own expenses), or if the sale of the Restricted Notes provided for herein is not consummated because any condition to the obligations of the Initial Purchasers set forth herein is not satisfied or because of any refusal, inability or failure on the part of the Company or any Guarantor to perform any agreement herein or comply with any provision hereof, the Company and the Guarantors shall reimburse the Initial Purchasers for all out-of-pocket expenses (including the reasonable fees and expenses of the Initial Purchasers' counsel), incurred by the Initial Purchasers in connection herewith.

(e) If on the Closing Date any one or more of the Initial Purchasers shall fail or refuse to purchase the Restricted Notes which it or they have agreed to purchase hereunder on such date and the aggregate principal amount of the Restricted Notes which such defaulting Initial Purchaser or Initial Purchasers, as the case may be, agreed but failed or refused to purchase is not more than one-tenth of the aggregate principal amount of the Restricted Notes to be purchased on such date by all Initial Purchasers, each non-defaulting Initial Purchaser shall be obligated severally, in the proportion which the principal amount of the Restricted Notes set forth opposite its name in Schedule II bears to the aggregate principal amount of the Restricted Notes which all the non-defaulting Initial Purchasers, as the case may be, have agreed to purchase, or in such other proportion as Deutsche Banc Alex. Brown Inc. ("Deutsche Bank") may specify, to purchase the Restricted Notes which such defaulting Initial Purchaser or Initial Purchasers, as the case may be, agreed but failed or refused to purchase on such date; provided that in no event shall the aggregate principal amount of the Restricted Notes which any Initial Purchaser has agreed to purchase pursuant to Section 3 hereof be increased pursuant to this Section 11 by an amount in excess of one-ninth of such principal amount of the Restricted Notes without the written consent of such Initial Purchaser. If on the Closing Date any Initial Purchaser or Initial Purchasers shall fail or refuse to purchase the Restricted Notes and the aggregate principal amount of the Restricted Notes with respect to which such default occurs is more than one-tenth of the aggregate principal amount of the Restricted Notes to be purchased by all Initial Purchasers and arrangements satisfactory to the Initial Purchasers and the Company for purchase of such the Restricted Notes are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Initial Purchaser and the Company. In any such case which does not result in termination of this Agreement, either Deutsche Bank or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Offering Memorandum or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Initial Purchaser from liability in respect of any default of any such Initial Purchaser under this Agreement.

11. Notice. Except as contemplated by Section 2.08 hereof, the aggregate principal amount of Notes outstanding at any time may not exceed \$300,000,000.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with any Holder, the Company or an Affiliate of the Company. The Trustee shall not be liable for any act or failure to act of the authenticating agent to perform any duty either required herein or authorized herein to be performed by such person in accordance with this Indenture. Each authenticating agent shall be acceptable to the Company and otherwise comply in all respects with the eligibility requirements of the Trustee contained in this Indenture.

SECTION 2.03. Registrar and Paying Agent

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("Registrar") and an office or agency where Notes may be presented or surrendered for payment ("Paying Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agents. The Company may change any Paying Agent or Registrar without

notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07 hereof. The Company or any of its Subsidiaries may not act as Paying Agent or Registrar.

The Company shall enter into an appropriate agency agreement with any Agent not a party to this Indenture, which shall incorporate the provisions of the TIA. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Company initially appoints The Depository Trust Company ("DTC") to act as Depository with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Note Custodian with respect to the Global Notes.

SECTION 2.04. Paying Agent to Hold Assets in Trust

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all assets held by the Paying Agent for the payment of principal of, premium or Liquidated Damages, if any, or interest on the Notes (whether such assets have been distributed to it by the Company or any other obligor on the Notes), and will notify the Trustee of any default by the Company or any Guarantor in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to distribute all assets held by it to the Trustee and account for any assets disbursed. Upon payment over and accounting to the Trustee, the Paying Agent shall have no further liability for the assets. Upon any bankruptcy or reorganization proceedings relating to the Company or any Guarantor, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA ss. 312(a). If the Trustee is not the Registrar, the Company and/or the Guarantors shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes, including the aggregate principal amount of Notes held by each Holder, and the Company and/or the Guarantors shall otherwise comply with TIA ss. 312(a).

SECTION 2.06. Transfer and Exchange

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes will be exchanged by the Company for Definitive Notes if, and only if, either (i) the Company delivers to the Trustee notice from the Depository that it is unwilling or unable to

continue as depositary and a successor depositary is not appointed by the Company within 90 days after the date of such notice from the Depositary, or (ii) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; provided that in no event shall the Regulation S Temporary Global Note be exchanged by the Company for Definitive Notes prior to (x) the expiration of the Distribution Compliance Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(c)(3)(ii)(B) under the Securities Act, then, upon surrender by the Global Note Holder of a Global Note, Notes in the form of Definitive Notes will be issued to each person that the Global Note Holder and the Depositary identify as being the beneficial owner of the related Notes. Upon the occurrence of any of the preceding events in (i) or (ii) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note.

Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the expiration of the Distribution Compliance Period transfers of beneficial interests in the Temporary Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (x) the expiration of the Distribution Compliance Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon consummation of an Exchange Offer by the Company in accordance with Section 2.06(f) hereof, the requirements of this Section 2.06(b)(ii) shall be deemed to have been satisfied upon receipt by the Registrar of the instructions contained in the Letter of Transmittal delivered by the Holder of such beneficial interests in the Restricted Global Notes. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture, the Notes and otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h) hereof.

A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of clause (ii) above and:

"THIS GLOBAL NOTE IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (I) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 2.06 OF THE INDENTURE, (II) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.06(a) OF THE INDENTURE, (III) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.11 OF THE INDENTURE AND (IV) THIS GLOBAL NOTE MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF THE COMPANY."

(iii) Regulation S Temporary Global Note Legend. The Regulation S Temporary Global Note shall bear a legend in substantially the following form:

"THE RIGHTS ATTACHING TO THIS REGULATION S TEMPORARY GLOBAL NOTE, AND THE CONDITIONS AND PROCEDURES GOVERNING ITS EXCHANGE FOR CERTIFICATED NOTES, ARE AS SPECIFIED IN THE INDENTURE (AS DEFINED HEREIN). NEITHER THE HOLDER NOR THE BENEFICIAL OWNERS OF THIS REGULATION S TEMPORARY GLOBAL NOTE SHALL BE ENTITLED TO RECEIVE PAYMENT OF INTEREST HEREON."

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note, by the Trustee or by the Depositary at the direction of the Trustee, to

reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note, by the Trustee or by the Depositary at the direction of the Trustee, to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon Company's Order or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.07, 3.10, 4.16 and 9.05 hereof).

(iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) The Company shall not be required (A) to issue, to register the transfer of or to exchange Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.03 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a transfer or exchange may be submitted by facsimile.

SECTION 2.07. Replacement Notes

If any mutilated Note is surrendered to the Trustee or the Company or the Trustee and the Company receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon the written order of the Company signed by two Officers of the Company, shall authenticate a replacement Note if the Trustee's and the Company's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge for their expenses in replacing a Note. If after the delivery of such new Note, a bona fide purchaser of the original Note in lieu of which such new Note was issued presents for payment such original Note, the Company and the Trustee shall be entitled to recover such new Note from the person to whom it was delivered or any transferee thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Company or the Trustee in connection therewith.

Every replacement Note is an additional obligation of the Company and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee hereunder in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because either of the Company or an Affiliate of the Company holds a Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on the Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, interest and Liquidated Damages, if any, payable on that date on the Notes (or the portion thereof to be redeemed or maturing, as the case may be), then on and after that date such Notes (or a portion thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. The Company shall notify the Trustee, in writing, when the Company or any of its Affiliates repurchases or otherwise acquires Notes and the aggregate principal amount of such Notes so repurchased or otherwise acquired.

SECTION 2.10. Temporary Notes

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee upon receipt of an Authentication Order, shall authenticate and deliver temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, upon receipt of an Authentication Order, the Company shall prepare and the Trustee shall authenticate and deliver definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the rights, benefits and privileges of this Indenture.

SECTION 2.11. Cancellation

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation, except as expressly permitted by this Indenture. The Company may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation. All cancelled Notes held by the Trustee shall be destroyed (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest

Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Note which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date and interest on such defaulted interest at the applicable interest rate borne by the Notes, to the extent lawful (such defaulted interest (and interest thereon) herein collectively called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest shall be paid by the Company to the Persons in whose names the Notes are registered at the close

of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall give the Trustee at least 15 days' written notice (unless a shorter period is acceptable to the Trustee for its convenience) of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held by the Trustee in trust for the benefit of the Persons entitled to such Defaulted Interest as is provided in this Section 2.12. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall not be more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date. In the name and at the expense of the Company, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder at his address as it appears in the Registrar, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such Special Record Date.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP Number

The Company in issuing the Notes shall use a CUSIP number, and the Trustee shall use the CUSIP number in notices of redemption or exchange as a convenience to Holders of Notes; provided, however, that no representation is hereby deemed to be made by the Trustee as to the correctness or accuracy of the CUSIP number printed in the notice or on the certificates representing the Notes, and that reliance may be placed only on the other identification numbers printed on the certificates representing the Notes. The Company will promptly notify the Trustee of any change in a CUSIP number.

SECTION 2.14. Deposit of Moneys

On each Interest Payment Date and each date on which payments in respect of the Notes are required to be made pursuant to the terms of this Indenture, the Company shall, not later than 12:00 noon (New York City time), deposit with the Paying Agent in immediately available funds money sufficient to make any cash payments due on such date in a timely manner which permits the Paying Agent to remit payment to the Holders on such date.

SECTION 2.15. Issuance of Additional Notes

The Company shall be entitled to issue Additional Notes under this Indenture which shall have identical terms as the Notes issued on November 21, 2001, other than with respect to the

date of issuance, issue price and amount of interest payable on the first payment date applicable thereto (and, if such Additional Notes shall be issued in the form of Exchange Notes, other than with respect to transfer restrictions); provided, that such issuance is not prohibited by Section 4.09 hereof.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors and in an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

(A) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;

(B) the issue price, the issue date and the CUSIP number of such Additional Notes and the amount of interest payable on the first payment date applicable thereto; provided, however, that no Additional Notes may be issued at a price that would cause such Additional Notes to have "original issue discount" within the meaning of Section 1273 of the Code;

(C) whether such Additional Notes shall be transfer restricted securities and issued in the form of Notes or shall be registered securities issued in the form of Exchange Notes as set forth in Section 2.06 hereof; and

Any Additional Notes shall vote, together with any Notes previously issued pursuant to this Indenture, as one class for all matters.

ARTICLE 3

REDEMPTION AND OFFERS TO PURCHASE

SECTION 3.01. Applicability of Article

Redemption of Notes at the election of the Company shall be made in accordance with this Article 3.

SECTION 3.02. Election to Redeem; Notice to Trustee

The election of the Company to redeem any Notes pursuant to Section 3.08 hereof shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company, the Company shall, simultaneously with providing the notice to Holders specified in Section 3.08 hereof, notify the Trustee of such Redemption Date and of the principal amount of Notes intended to be redeemed.

SECTION 3.03. Selection of Notes to Be Redeemed

If less than all of the Notes are to be redeemed at any time, selection of Notes for redemption shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not so

listed, on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate; provided that no Notes of \$1,000 or less shall be redeemed in part.

The Trustee shall promptly notify the Company and the Registrar (if other than the Trustee) in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 3.04. Notice of Redemption

Notices of redemption shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed.

All notices of redemption shall state:

(1) the Redemption Date;

(2) the Redemption Price, separately stating the amount of any accrued and unpaid interest and Liquidated Damages, if any, to be paid in connection with the redemption;

(3) if less than all Notes then outstanding are to be redeemed, the identification (and, in the case of a Note to be redeemed in part, principal amount) of such Note to be redeemed;

(4) that on the Redemption Date the Redemption Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the Redemption Date, will become due and payable upon each such Note or portion thereof, and that (unless the Company shall default in payment of the Redemption Price and accrued interest and Liquidated Damages, if any, thereon) interest thereon shall cease to accrue on or after said date;

(5) the place or places where such Notes are to be surrendered for payment of the Redemption Price and accrued interest and Liquidated Damages, if any, thereon;

(6) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the Redemption Date;

(7) the CUSIP number, if any, relating to such Notes; and

(8) in the case of a Note to be redeemed in part, the principal amount of such Note to be redeemed and that after the Redemption Date upon surrender of such Note, a new Note or Notes in the aggregate principal amount equal to the unredeemed portion thereof will be issued.

At the Company's request, the Trustee shall give the notice of redemption in the name of the Company and at the Company's expense: provided, however, that the Company shall deliver to the Trustee, at least 5 business days prior to the date the Company is requesting notice be given to the Holders (unless a shorter notice period shall be satisfactory to the Trustee for its convenience), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.05. Deposit of Redemption Price

On or prior to any Redemption Date, the Company shall deposit with the Trustee (to the extent not already held by the Trustee) or with the Paying Agent an amount of money in same day funds (or New York Clearing House funds if such deposit is made prior to the applicable Redemption Date) sufficient to pay the Redemption Price of, and accrued and interest and Liquidated Damages, if any, to the Redemption Date, on all Notes or portions thereof which are to be redeemed on that date.

SECTION 3.06. Notes Payable on Redemption Date

Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the Redemption Date, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest and Liquidated Damages, if any, thereon) such Notes shall cease to bear interest and Liquidated Damages, if any. Any such Note surrendered for redemption in accordance with said notice shall be paid by the Company at the Redemption Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the Redemption Date; provided, however, that installments of interest and Liquidated Damages, if any, whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, registered as such on the relevant Regular Record Dates according to the terms and provisions of Section 2.12 hereof.

If any Note called for redemption shall not be so paid in accordance with the terms hereof, the principal thereof (and premium, if any, thereon) shall, until paid, bear interest and Liquidated Damages, if any, from the Redemption Date at the rate borne by such Note.

SECTION 3.07. Notes Redeemed in Part

Any Note which is to be redeemed only in part shall be surrendered at the office or agency of the Company maintained for such purpose pursuant to Section 4.02 hereof (with, if the Company, the Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company, the Registrar or the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and a new Note in principal amount equal to the unredeemed portion will be issued in the name of the Holder thereof upon

cancellation of the original Note. On and after the Redemption Date, unless the Company defaults in payment of the Redemption Price and accrued interest and Liquidated Damages, if any, thereon, interest and Liquidated Damages, if any, shall cease to accrue on Notes or portions thereof called for redemption.

SECTION 3.08. Optional Redemption

Except as described below, the Notes are not redeemable at the Company's option prior to May 15, 2004. Thereafter, the Notes will be subject to redemption at any time at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the applicable Redemption Date, if redeemed during the twelve-month period beginning on May 15 of the years indicated below:

Year ----	Percentage -----
2004	104.375%
2005	102.916%
2006	101.458%
2007 and thereafter	100.000%

Notwithstanding the foregoing, at any time on or prior to May 15, 2002, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes theretofore issued under this Indenture at a redemption price equal to 108.75% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon, to the Redemption Date, with the net cash proceeds of one or more Equity Offerings; provided that (i) at least 65% of the aggregate principal amount of the Notes theretofore issued remain outstanding immediately following each such redemption and (ii) such redemption shall occur within 60 days of the closing of any such Equity Offering.

In addition, at any time prior to May 15, 2004, following the occurrence of a Change of Control, the Notes will be subject to redemption at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice given within 30 days following such Change of Control, at the Make-Whole Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the applicable Redemption Date.

SECTION 3.09. Mandatory Redemption

Except as set forth under Sections 3.10, 4.16 and 4.17 hereof, the Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.10. Offer to Purchase by Application of Excess Proceeds

In the event that, pursuant to Section 4.16 hereof, the Company shall be required to make an offer to all Holders of Notes to purchase Notes (an "Asset Sale Offer"), it shall follow the procedures specified below.

The Asset Sale Offer shall remain open for at least 30 and not more than 40 days, except to the extent that a longer period is required by applicable law (the "Offer Period"). On a date within five Business Days after the termination of the Offer Period (the "Purchase Date"), the Company shall purchase the principal amount of Notes required to be purchased pursuant to Section 4.16 hereof (the "Offer Amount") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer.

The Company shall comply with any tender offer rules under the Exchange Act which may then be applicable, including Rule 14e-1, in connection with any offer required to be made by the Company to repurchase the Notes as a result of an Asset Sale Offer.

If the Purchase Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest and Liquidated Damages, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Regular Record Date, and no additional interest or Liquidated Damages, if any, shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company shall send, by first class mail, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(a) that the Asset Sale Offer is being made pursuant to this Section 3.10 and Section 4.16 hereof and the length of time the Asset Sale Offer shall remain open;

(b) the Offer Amount, the purchase price, separately stating the amount of any accrued and unpaid interest and Liquidated Damages, if any, and the Purchase Date;

(c) that any Note not tendered or accepted for payment shall remain outstanding and continue to accrue interest and Liquidated Damages, if any;

(d) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest or Liquidated Damages, if any, on the Purchase Date;

(e) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book-entry transfer, to the Company, a depository, if appointed by the Company, or a Paying Agent at the address specified in the notice not later than the last Business Day of the Offer Period;

(f) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes, provided that the Company, the depository or the Paying Agent, as the case may be, receives, not later than the close of business on the last Business Day of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the

Notes the Holder tendered for purchase, and a statement that such Holder is withdrawing his tendered Notes and his election to have such Notes purchased;

(g) that, if the aggregate principal amount of Notes properly tendered by Holders exceeds the Offer Amount, the Trustee shall select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$1,000, or integral multiples thereof, shall be purchased); and

(h) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before noon (New York City time) on each Purchase Date, the Company shall irrevocably deposit with the Trustee or Paying Agent in immediately available funds the aggregate purchase price with respect to a principal amount of Notes equal to the Offer Amount (of, if less than the Offer Amount has been properly tendered, such lesser amount as shall equal the principal amount of Notes properly tendered), together with accrued and unpaid interest and Liquidated Damages, if any, thereon to the Purchase Date, to be held for payment in accordance with the terms of this Section 3.10. On the Purchase Date, the Company shall, to the extent lawful, (i) accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, (ii) deliver or cause the Paying Agent or depository, as the case may be, to deliver to the Trustee Notes so accepted and (iii) deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.10. The Company, the depository or the Paying Agent, as the case may be, shall promptly (but in any case not later than three Business Days after the Purchase Date) mail or deliver to each tendering Holder whose Notes are to be purchased an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the Purchase Date, and the Company shall promptly issue a new Note, and the Trustee, upon written request from the Company, shall authenticate and mail or deliver such new Note to such Holder, equal in principal amount to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof.

ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Notes

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on, the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or any of its Subsidiaries or Affiliates, holds as of 12:00 noon (New York City time) on the due date money deposited by the Company in immediately

available funds and designated for and sufficient to pay all principal, premium and interest then due. The Company shall pay all Liquidated Damages, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement. If any Liquidated Damages become payable, the Company shall not later than three Business Days prior to the date that any payment of Liquidated Damages is due (i) deliver an Officers' Certificate to the Trustee setting forth the amount of Liquidated Damages payable to Holders and (ii) instruct the Paying Agent to pay such amount of Liquidated Damages to Holders entitled to receive such Liquidated Damages.

The Company shall pay interest (including post-petition interest under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; the Company shall pay interest (including post-petition interest under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages (without regard to any applicable grace period) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

SECTION 4.02. Maintenance of Office or Agency

The Company will maintain, in The City of New York, an office or agency (which may be an office of the Trustee or Registrar) where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may from time to time designate one or more other offices or agencies (in or outside of The City of New York) where the Notes may be presented or surrendered for any or all such purposes, and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in The City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 4.03. Money for Security Payments to be Held in Trust

Whenever the Company shall have one or more Paying Agents for the Notes, it will, on or before each due date of the principal of, premium, if any, or interest or Liquidated Damages, if any, on any Notes, deposit with a Paying Agent a sum in same day funds (or New York Clearing House funds if such deposit is made prior to the date on which such deposit is required to be made) sufficient to pay the principal, premium, if any, or interest or Liquidated Damages, if any, so becoming due (or at the option of the Company, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders of the Notes at their respective addresses set

forth in the register of Holders of Notes; provided that all payments on the Global Notes and all payments of interest and Liquidated Damages, if any, on the Definitive Notes, the holders of which have given wire transfer instructions to the Company or the Paying Agent at least ten Business Days prior to the applicable payment date, shall be made by wire transfer in same day funds), such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest or Liquidated Damages, if any, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of such action or any failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 4.03, that such Paying Agent will:

- (a) hold all sums held by it for the payment of the principal of, premium, if any, or interest or Liquidated Damages, if any, on Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (b) give the Trustee notice of any default by the Company (or any other obligor upon the Notes) in the making of any payment of principal, premium, if any, or interest or Liquidated Damages, if any;
- (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and
- (d) acknowledge, accept and agree to comply in all respects with the provisions of this Indenture relating to the duties, rights and obligations of such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest or Liquidated Damages, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Liquidated Damages, if any, has become due and payable shall be paid to the Company on Company Request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Company cause notice to be

promptly sent to each Holder that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 4.04. Reports

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, the Company shall furnish to the Holders of Notes (i) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file such Forms and, with respect to the annual information only, a report thereon by the Company's certified independent accountants and (ii) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports. In addition, whether or not required by the rules and regulations of the SEC, the Company shall file a copy of all such information and reports with the SEC for public availability (unless the SEC will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. The Company and its Restricted Subsidiaries shall, for so long as any Notes remain outstanding, furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act. The Company shall also comply with the provisions of TIA ss. 314(a).

(b) If the Company instructs the Trustee to distribute any of the documents described in clause (a) above to the Holders of Notes, the Company shall provide the Trustee with a sufficient number of copies of all documents that the Company may be required to deliver to the Holders of Notes under this Section 4.04. Any such distribution by the Trustee pursuant to this clause (b) shall be at the expense of the Company.

SECTION 4.05. Compliance Certificate

(a) The Company and each Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the date hereof, an Officers' Certificate stating, as to each Officer signing such certificate, that to the best of his or her knowledge each entity is not in default in the performance or observance of any terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall exist, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest or Liquidated Damages, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto. For purposes of this Section 4.05, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) The Company will, so long as any of the Notes are outstanding within five Business Days, upon becoming aware of any Default or Event of Default, deliver to the Trustee an Officers' Certificate specifying such Default, Event of Default and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.06. Taxes

The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (a) all material taxes, assessments and governmental charges levied or imposed upon it or any Subsidiary or upon the income, profits or property of the Company or any of its Subsidiaries and (b) all material lawful claims for labor, materials and supplies, which, if unpaid, might by law become a Lien upon the property of the Company or any of its Subsidiaries that could produce a material adverse effect on the consolidated financial condition of the Company; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings and in respect of which appropriate reserves (in the good faith judgment of management of the Company) are being maintained in accordance with GAAP.

SECTION 4.07. Stay, Extension and Usury Laws

The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.08. Corporate Existence; Maintenance of Properties and Insurance

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) its (and its Restricted Subsidiaries') rights (charter and statutory), licenses and franchises; provided, however, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors or management of the Company shall determine in good faith that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of Notes.

With such exceptions, if any, as are not material in the aggregate and are not adverse in any material respect to the Holders of Notes, the Company shall, and shall cause each of its Subsidiaries to, maintain its properties in good working order and condition (subject to ordinary wear and tear) and make all reasonably necessary repairs, renewals, replacements, additions and improvements required for it to actively conduct and carry on its business.

The Company shall maintain insurance against loss or damage of the kinds that, in the good faith judgment of the Company, are adequate and appropriate for the conduct of the

business of the Company and its Subsidiaries in a prudent manner, with reputable insurers or with the government of the United States of America or an agency or instrumentality thereof, in such amounts, with such deductibles, and by such methods as shall be customary, in the good faith judgment of the Company, for companies similarly situated in the industry.

SECTION 4.09. Limitation on the Incurrence of Indebtedness and Issuance of Preferred Stock

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt) and the Company shall not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock (other than to the Company or a Restricted Subsidiary of the Company); provided, however, that the Company and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) if the Consolidated Interest Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred would have been equal to or greater than 2 to 1, determined on a pro forma basis, as if the additional Indebtedness had been incurred at the beginning of such four-quarter period and no Event of Default shall have occurred and be continuing after giving effect on a pro forma basis to such incurrence.

The provisions of the first paragraph of this Section 4.09 will not apply to the incurrence of any of the following items of Indebtedness (collectively, "Permitted Debt"):

(i) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness under the Credit Agreement in an aggregate amount outstanding (with letters of credit being deemed for all purposes of this Indenture to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries in respect thereof) at any time not to exceed the greater of (x) \$450 million and (y) 3.5 times Consolidated Resort EBITDA for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Indebtedness is being incurred less, in each case, the aggregate amount of such Indebtedness permanently repaid with the Net Proceeds of any Asset Sale;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness represented by (x) the Notes (including the Exchange Notes), the Guarantees thereof and this Indenture in the principal amount of Notes originally issued on the Closing Date and (y) the Existing Notes, the Guarantees thereof and the Existing Note Indenture;

(iii) the incurrence by the Company and its Restricted Subsidiaries of the Existing Indebtedness;

(iv) the incurrence by the Company and its Restricted Subsidiaries of additional Indebtedness (other than Hedging Obligations) after May 11, 1999 in an aggregate principal amount not to exceed \$50 million at any time outstanding;

(v) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness after May 11, 1999 in connection with the acquisition of assets or a new Restricted Subsidiary (including Indebtedness that was incurred by the prior owner of such assets or by such Restricted Subsidiary prior to such acquisition by the Company and its Restricted Subsidiaries); provided that the aggregate principal amount of Indebtedness incurred after May 11, 1999 pursuant to this clause (v) does not exceed \$20 million at any time outstanding;

(vi) the incurrence by the Company and its Restricted Subsidiaries of Permitted Refinancing Indebtedness;

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and its Restricted Subsidiaries; provided, however, that any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company, and any sale or other transfer of any such Indebtedness to a Person that is not the Company or a Restricted Subsidiary of the Company, shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(viii) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations incurred for the purpose of hedging against fluctuations in currency values or for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness of the Company or any of its Restricted Subsidiaries permitted by this Indenture; provided that the notional principal amount of any Hedging Obligations does not significantly exceed the principal amount of Indebtedness to which such agreement relates;

(ix) the Guarantee by the Company or any of its Restricted Subsidiaries of Indebtedness of the Company or a Restricted Subsidiary of the Company permitted by this Indenture;

(x) the incurrence of Indebtedness arising from agreements providing for indemnification, adjustment of purchase price, earn out or other similar obligations, in each case incurred in connection with the acquisition or disposition of any business or assets or subsidiaries of the Company permitted by this Indenture;

(xi) the Indebtedness incurred from time to time under a revolving credit facility of SSI Venture, LLC in an aggregate amount outstanding at any time not to exceed \$10 million, so long as SSI Venture, LLC remains a Restricted Subsidiary of the Company; and

(xii) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness not covered by any other clause of this paragraph which is outstanding on the Closing Date and was incurred subsequent to May 11, 1999 in compliance with the Existing Note Indenture.

For purposes of determining the amount of any Indebtedness of any Person under this Section 4.09, (a) the principal amount of any Indebtedness of such Person arising by reason of such Person having granted or assumed a Lien on its property to secure Indebtedness of another Person shall be the lower of the fair market value of such property and the principal amount of such Indebtedness outstanding (or committed to be advanced) at the time of determination; (b) the amount of any Indebtedness of such Person arising by reason of such Person having Guaranteed Indebtedness of another Person where the amount of such Guarantee is limited to an amount less than the principal amount of the Indebtedness so Guaranteed shall be such amount as so limited; and (c) Indebtedness shall not include a non-recourse pledge by the Company or any of its Restricted Subsidiaries of Investments in any Person that is not a Restricted Subsidiary of the Company to secure the Indebtedness of such Person.

For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xi) above or is entitled to be incurred pursuant to the first paragraph of this Section 4.09, the Company, in its sole discretion, either (a) shall classify (and may later reclassify) such item of Indebtedness in one of such categories in any manner that complies with this Section 4.09 or (b) shall divide and classify (and may later redivide and reclassify) such item of Indebtedness into more than one of such categories pursuant to such first paragraph.

SECTION 4.10. Limitation on Restricted Payments

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, (i) declare or pay any dividend or make any other payment or distribution on account of the Company's Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company) or to any direct or indirect holders of the Company's Equity Interests in their capacity as such (other than dividends or distributions (a) payable in Equity Interests (other than Disqualified Stock) of the Company, (b) payable in Capital Stock or assets of an Unrestricted Subsidiary of the Company or (c) payable to the Company or any Restricted Subsidiary of the Company); (ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company, or any Equity Interests of any of its Restricted Subsidiaries held by any Affiliate of the Company (other than any such Equity Interests owned by the Company or any Restricted Subsidiary of the Company, any Equity Interests then being issued by the Company or a Restricted Subsidiary of the Company or any Investment in a Person that, after giving effect to such Investment, is a Restricted Subsidiary of the Company); (iii) make any payment on or with respect to, or purchase, redeem, repay, defease or otherwise acquire or retire for value, any Indebtedness of the Company or any Guarantor that is subordinated in right of payment to the Notes or any Guarantee thereof, except a regularly scheduled payment of interest or principal or sinking fund payment (other than the purchase or other acquisition of such subordinated Indebtedness made in anticipation of satisfying any sinking fund payment due within one year from the date of acquisition); or (iv) make any Restricted Investment (all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments"), unless, at the time of and after giving effect to such Restricted Payment:

(a) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(b) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Interest Coverage Ratio test set forth in the first paragraph of Section 4.09 hereof; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments declared or made by the Company and its Restricted Subsidiaries after May 11, 1999 (without duplication and excluding Restricted Payments permitted by clauses (ii) and (iii) of the following paragraph), is less than the sum of (1) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from the beginning of the first fiscal quarter commencing after May 11, 1999 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); plus (2) 100% of the aggregate net cash proceeds and the fair market value of any assets or property (as determined in good faith by the Board of Directors of the Company) received by the Company from the issue or sale since May 11, 1999 of Equity Interests of the Company (other than Disqualified Stock), or of Disqualified Stock or debt securities of the Company that have been converted into such Equity Interests (other than Equity Interests or Disqualified Stock or convertible debt securities sold to a Subsidiary of the Company and other than Disqualified Stock or convertible debt securities that have been converted into Disqualified Stock); plus (3) with respect to Restricted Investments made after May 11, 1999, the net reduction of such Restricted Investments as a result of (x) any disposition of any such Restricted Investments sold or otherwise liquidated or repaid, to the extent of the net cash proceeds and the fair market value of any assets or property (as determined in good faith by the Board of Directors of the Company) received, (y) dividends, repayment of loans or advances or other transfers of assets to the Company or any Restricted Subsidiary of the Company or (z) the portion (proportionate to the Company's interest in the equity of a Person) of the fair market value of the net assets of an Unrestricted Subsidiary or other Person immediately prior to the time such Unrestricted Subsidiary or other Person is designated or becomes a Restricted Subsidiary of the Company (but only to the extent not included in subclause (1) of this clause (c)), provided that the sum of items (x), (y) and (z) of this subclause (3) shall not exceed, in the aggregate, the aggregate amount of such Restricted Investments made after May 11, 1999.

The foregoing provisions shall not prohibit (i) the payment of any dividend within 60 days after the date of declaration thereof, if at said date of declaration such payment would have complied with the provisions of this Indenture, (ii) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness or Equity Interests of the Company in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than any Disqualified Stock, except to the extent that such Disqualified Stock is issued in exchange for other

Disqualified Stock or the net cash proceeds of such Disqualified Stock is used to redeem, repurchase, retire or otherwise acquire other Disqualified Stock); provided that the amount of any such net cash proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clause (c) (2) of the preceding paragraph; (iii) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness in exchange for, or out of the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness; (iv) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary of the Company held by any employees, officers or directors of the Company or any of its Restricted Subsidiaries or, upon the death, disability or termination of employment of such officers, directors and employees, their authorized representatives in an aggregate amount not to exceed in any twelve month period, \$2.0 million plus the aggregate net cash proceeds from any issuance during such period of Equity Interests by the Company to such employees, officers, directors, or representatives plus the aggregate net cash proceeds from any payments on life insurance policies in which the Company or its Restricted Subsidiaries is the beneficiary with respect to such employees, officers or directors the proceeds of which are used to repurchase, redeem or acquire Equity Interests of the Company held by such employees, officers, directors or representative; (v) the repurchase of Equity Interests of the Company deemed to occur upon the exercise of stock options or similar arrangement if such Equity Interests represents a portion of the exercise price thereof; or (vi) additional Restricted Payments in an amount not to exceed \$15 million (less the amount, if any, of any Restricted Payments made after May 11, 1999 and on or prior to the Closing Date that would not have been permitted under any of the foregoing clauses); provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (iv) or (vi) no Default or Event of Default shall have occurred and be continuing.

In the case of any Restricted Payments made other than in cash, the amount thereof shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any such asset(s) or securities shall be determined in good faith by the Board of Directors of the Company. Where the amount of any Investment made other than in cash is otherwise required to be determined for purposes of this Indenture, then unless otherwise specified such amount shall be the fair market value thereof on the date of such Investment, and fair market value shall be determined in good faith by the Board of Directors of the Company.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if such designation would not cause a Default. For purposes of making such determination, all outstanding Investments (including without limitation any direct or indirect obligation to subscribe for additional Equity Interests or maintain or preserve such subsidiary's financial condition or to cause such person to achieve any specified level of operating results) by the Company and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Investments at the time of such designation and, except to the extent, if any, that such Investments are Permitted Investments at such time, will reduce the amount otherwise available for Restricted Payments. All such outstanding Investments will be deemed to constitute Investments in an amount equal to the fair market value of such Investments at the time of such designation. Such designation will only be permitted if such Investment would be permitted at such time and if such Restricted Subsidiary otherwise

meets (or would meet concurrently with the effectiveness of such designation) the definition of an Unrestricted Subsidiary.

Any such designation by the Board of Directors of the Company shall be evidenced to the Trustee by filing with the Trustee a Board Resolution giving effect to such designation. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided that such designation shall be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if (i) such Indebtedness is permitted by Section 4.09 hereof and (ii) no Default or Event of Default would be in existence following such designation.

To the extent that Unrestricted Subsidiaries were designated as such under the Existing Note Indenture after the issuance of the Existing Notes on May 11, 1999 and on or prior to the date of this Indenture, and such designation resulted in or constituted Restricted Payments and/or Permitted Investments under the Existing Note Indenture, such designations shall be deemed to have resulted in or constituted Restricted Payments and/or Permitted Investments under this Indenture.

SECTION 4.11. Limitation on Liens

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien securing Indebtedness on any asset now owned or hereafter acquired, or any income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

SECTION 4.12. Limitation on Transactions with Affiliates

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each of the foregoing, an "Affiliate Transaction"), unless (i) such Affiliate Transaction is on terms that are no less favorable to Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person and (ii) the Company delivers to the Trustee (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$5.0 million, a Board Resolution authorizing and determining the fairness of such Affiliate Transaction approved by a majority of the independent members of the Board of Directors of the Company and (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$15.0 million, an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The foregoing provisions will not prohibit (i) reasonable fees and compensation paid to and indemnity provided on behalf of officers, directors, employees, agents or consultants of the

Company or any Restricted Subsidiary of the Company as determined in good faith by the Company's Board of Directors or senior management including, without limitation, any issuance of Equity Interests of the Company pursuant to stock option, stock ownership or similar plans; (ii) transactions between or among the Company and/or its Restricted Subsidiaries; (iii) any agreement or arrangement as in effect on May 11, 1999 and publicly disclosed or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) in any replacement agreement or arrangement thereto so long as any such amendment or replacement agreement or arrangement is not more disadvantageous to the Company or its Restricted Subsidiaries, as the case may be, in any material respect than the original agreement as in effect on May 11, 1999; (iv) loans or advances to employees and officers of the Company and its Restricted Subsidiaries not in excess of \$5 million at any time outstanding; and (v) any Permitted Investment or any Restricted Payment that is permitted by Section 4.10 hereof.

SECTION 4.13. Limitation on Dividend and Other Payment Restrictions Affecting Subsidiaries

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (i) (a) pay dividends or make any other distributions to the Company or any of its Restricted Subsidiaries (1) on its Capital Stock or (2) with respect to any other interest or participation in, or measured by, its profits, or (b) pay any indebtedness or other obligations owed to the Company or any of its Restricted Subsidiaries, (ii) make loans or advances to the Company or any of its Restricted Subsidiaries, (iii) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries or (iv) guarantee the Notes or any renewals or refinancings thereof, in each case except for such encumbrances or restrictions (other than encumbrances and restrictions in respect of clause (iv) of this sentence) existing under or by reason of (a) Existing Indebtedness as in effect on May 11, 1999, (b) the Credit Agreement (as defined in the Existing Note Indenture) as in effect on May 11, 1999, and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof, provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are no more restrictive with respect to such dividend and other payment restrictions than those contained in the Credit Agreement (as defined in the Existing Note Indenture) as in effect on May 11, 1999, (c) (x) the Existing Notes, any Guarantee thereof and the Existing Note Indenture and (y) the Notes, any Guarantee thereof and this Indenture, (d) applicable law, (e) any instrument governing Indebtedness or Equity Interests of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Equity Interests were incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the Equity Interests, properties or assets of any Person, other than the Person, or the Equity Interests, property or assets of the Person, so acquired, provided that, in the case of Indebtedness, such Indebtedness was permitted by this Indenture, (f) by reason of customary nonassignment provisions in leases entered into in the ordinary course of business and consistent with past practices, (g) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature described in clause (iii) above on the property so acquired or proceeds therefrom, (h) customary restrictions in asset or stock sale agreements limiting transfer of such assets or stock pending the closing of such sale, (i)

customary non-assignment provisions in contracts entered into in the ordinary course of business, or (j) Permitted Refinancing Indebtedness, provided that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are no more restrictive than those contained in the agreements governing the Indebtedness being refinanced.

SECTION 4.14. Limitation on Layering Debt

(a) The Company shall not, directly or indirectly, incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is by its terms subordinate or junior in right of payment to any Senior Debt of the Company and senior in any respect in right of payment to the Notes.

(b) The Company shall not permit any Guarantor to, directly or indirectly, incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is by its terms subordinate or junior in right of payment to any Senior Debt of such Guarantor and senior in any respect in right of payment to the Subsidiary Guarantee of such Guarantor.

SECTION 4.15. Payments for Consent

The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of any Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SECTION 4.16. Asset Sales

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless (i) the Company (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the fair market value (evidenced by a Board Resolution) of the assets or Equity Interests issued or sold or otherwise disposed of and (ii) at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary is in the form of (x) cash or Cash Equivalents or (y) a controlling interest in another business or fixed or other long-term assets, in each case, in a Similar Business; provided that the amount of (a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or such Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Guarantee thereof) that are assumed by the transferee of any such assets or Equity Interests such that the Company or such Restricted Subsidiary are released from further liability and (b) any securities, notes or other obligations received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 90 days or are guaranteed (by means of a letter of credit or otherwise) by an institution specified in the definition of "Cash Equivalents" (to the extent of the cash received or the obligations so guaranteed) shall be deemed to be cash or Cash Equivalents for purposes of this Section 4.16, subject to application as provided in the following paragraph.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company, at its option, may (i) apply such Net Proceeds to permanently prepay, repay or reduce any Senior Debt of the Company (and to correspondingly reduce commitments with respect thereto in the case of revolving borrowings) or (ii) apply such Net Proceeds to the acquisition of a controlling interest in another business, the making of a capital expenditure or the acquisition of other long-term assets, in each case, in a Similar Business, or determine to retain such Net Proceeds to the extent such Net Proceeds constitute such a controlling interest or long-term asset in a Similar Business. Pending the final application of any such Net Proceeds, the Company may invest such Net Proceeds in any manner that is not prohibited by this Indenture. Any Net Proceeds from Asset Sales that are not applied or invested as provided in the first sentence of this paragraph will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$10 million, the Company shall make an offer to all Holders of Notes (and holders of other Indebtedness of the Company, including the Existing Notes, to the extent required by the terms of such other Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and such other Indebtedness) that does not exceed the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance Section 3.10 hereof. To the extent that the aggregate principal amount of Notes (and such other Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Notes (and such other Indebtedness) tendered exceeds the amount of Excess Proceeds, the Notes (and such other Indebtedness) to be purchased shall be selected on a pro rata basis. Upon completion of an Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. The Asset Sale Offer must be commenced within 60 days following the date on which the aggregate amount of Excess Proceeds exceeds \$10 million.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to an Asset Sale Offer.

SECTION 4.17. Offer to Repurchase Upon Change of Control

(b) Notice of a Change of Control Offer shall be mailed by the Company, with a copy to the Trustee, or, at the option of the Company and at the expense of the Company, by the Trustee within 30 days following a Change of Control to each Holder of Notes, with the following statements and/or information:

- (1) a Change of Control Offer is being made pursuant to this Section 4.17 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment;
- (2) the purchase price, the expiration date of the Change of Control Offer (the "Expiration Date"), which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed (except as may be otherwise required by applicable law) and the Change of Control Payment Date, which shall be no later than the third Business Day following the Expiration Date;
- (3) any Note not properly tendered will remain outstanding and continue to accrue interest and Liquidated Damages, if any;
- (4) unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest and Liquidated Damages, if any, on the Change of Control Payment Date;
- (5) Holders electing to have a Note purchased pursuant to any Change of Control Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book-entry transfer, to the Company, a depository, if appointed by the Company, or a Paying Agent and at the address specified in the notice prior to the expiration of the Change of Control Offer;
- (6) Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes, provided that the Company, the depository or Paying Agent, as the case may be, receives, not later than the close of business on the Expiration Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes tendered for purchase, and a statement that such Holder is withdrawing his tendered Notes and his election to have such Notes purchased;
- (7) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), which unpurchased portion must be equal to \$1,000 in principal amount or an integral multiple thereof; and
- (8) a description of the transaction or transactions that constitute the Change of Control.

(c) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws

and regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer.

(d) On the Change of Control Payment Date, the Company shall, to the extent lawful, (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer, (2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered and (3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company. The Paying Agent shall promptly mail or deliver to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount of \$1,000 or an integral multiple thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(e) Notwithstanding the foregoing, if the Change of Control Payment Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest and Liquidated Damages, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Change of Control Offer.

(f) Notwithstanding the foregoing, the Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(g) The Change of Control provisions described in this Section 4.17 will be applicable whether or not any other provisions of this Indenture are applicable.

SECTION 4.18. Additional Subsidiary Guarantees

If any Restricted Subsidiary of the Company after the date of this Indenture shall become or be required to become a guarantor under the Credit Agreement, or shall become a guarantor of any other Indebtedness of the Company or any Restricted Subsidiary, then the Company shall cause such Restricted Subsidiary to (i) become (by a supplemental indenture executed and delivered to the Trustee in form satisfactory to the Trustee) a Guarantor and (ii) deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee that such supplemental indenture has been duly executed and delivered; provided, that if such Restricted Subsidiary is released and discharged from all obligations under such guarantees, it shall be released and discharged from its obligations under its Subsidiary Guarantee as provided in Section 12.06 hereof. For the purposes of this Indenture, a Subsidiary shall, without limitation, be deemed to have guaranteed Indebtedness of another Person if such Subsidiary has Indebtedness of the kind described in clause (ii) or clause (iii) of the definition of the term "Indebtedness."

SECTION 6.02. Acceleration of Maturity

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes and all other Obligations thereunder to be due and payable immediately by notice in writing to the Company and the Trustee. Upon a declaration of acceleration, the Notes and all other Obligations thereunder shall become immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default specified in clause (9) or (10) of Section 6.01 hereof occurring with respect to the Company, all outstanding Notes and all other Obligations thereunder shall become immediately due and payable without further action or notice.

If any Event of Default occurs by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Company or any Guarantor with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to Section 3.08 hereof, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

SECTION 6.03. Other Remedies

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy (under this Indenture or otherwise) to collect the payment of principal of, premium, if any, Liquidated Damages, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Registration Rights Agreement.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults

Subject to Section 6.07 hereof, the Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, interest or Liquidated Damages, if any, on, any Note held by a non-consenting Holder; provided, however, that the Holders of at least a majority in aggregate principal amount of the Notes then outstanding may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority

The Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, subject to Section 7.01 hereof, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability. The Trustee may take any other action which it deems proper and which is not inconsistent with any such direction. In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification reasonably satisfactory to it against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits

No Holder of a Note will have any right to institute any proceeding with respect to this Indenture or for any remedy hereunder, unless (i) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to the Notes, (ii) the Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request to the Trustee to institute such proceeding and, if requested by the Trustee, provided indemnity satisfactory to the Trustee, with respect to such proceeding, (iii) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the Notes then outstanding a direction inconsistent with such request and (iv) the Trustee shall have failed to institute such proceeding within 30 days after such request and, if requested, the provision of an indemnity satisfactory to the Trustee.

Notwithstanding anything to the contrary contained in this Section 6.06, any Holder of a Note shall have the right to institute a proceeding with respect to this Indenture or the Notes or for any remedy in the following instances:

(i) a Holder of a Note may institute suit for enforcement of payment of principal of and premium, if any, or interest or Liquidated Damages, if any, on such Note on or after the respective due dates expressed in such Note (including upon acceleration thereof) or

(ii) Holders of a majority in principal amount of the outstanding Notes may institute any proceeding with respect to this Indenture or the Notes or any remedy thereunder; provided that, upon institution of any proceeding or exercise of any remedy, such Holders provide the Trustee with prompt written notice thereof.

A Holder of Notes may not use this Indenture to prejudice the rights of another Holder of Notes or to obtain a preference or priority over another Holder of Notes.

SECTION 6.07. Rights of Holders to Receive Payment

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, interest or Liquidated Damages, if any, on any Note, on or after the respective due dates expressed in such Note, any Redemption Date, any

Change of Control Payment Date or any Purchase Date, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company or any Guarantor for the whole amount of principal of, premium, if any, interest and Liquidated Damages, if any, owing on the Notes and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.07 hereof.

SECTION 6.09. Trustee May File Proofs of Claim

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of Notes allowed in any judicial proceedings relative to the Company (or any Guarantor or other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable upon the conversion or exchange of the Notes or upon any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder of Notes to make such payments to the Trustee and, in the event that the Trustee shall expressly consent to the making of such payments directly to the Holders of Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders of Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of Notes any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of Notes in any such proceeding.

SECTION 6.10. Priorities

If the Trustee collects any money pursuant to this Article 6, it shall, subject to Article 10 and Section 12.04 hereof, pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, interest and Liquidated Damages, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest and Liquidated Damages, if any, respectively;

Third: without duplication, to the Holders for any other Obligations owing to the Holders under this Indenture, the Registration Rights Agreement and the Notes; and

Fourth: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by a Holder or Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee

(1) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(2) Except during the continuance of an Event of Default:

(A) the duties of the Trustee shall be determined solely by the TIA or the express provisions of this Indenture and the Trustee need perform, and be liable for (as set forth herein), only those duties that are specifically set forth in the TIA or this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(B) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture, provided that the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(3) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(A) this paragraph does not limit the effect of clause (2) of this Section 7.01.

(B) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(C) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(4) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (1), (2) and (3) of this Section 7.01.

(5) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture unless the Holders shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(6) The Trustee shall not be liable for interest on any money or other assets received by it except as the Trustee may agree in writing with the Company. Money or other assets held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(7) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or documents, but the Trustee, in its discretion may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company or any Subsidiary of the Company, personally or by agent or attorney.

SECTION 7.02. Rights of Trustee

(1) The Trustee may conclusively rely and shall be fully protected in relying upon any resolution, document, Officers' Certificate or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, bond or other document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(2) Before the Trustee acts or refrains from acting, it may consult with counsel and it may require an Officers' Certificate or an Opinion of Counsel or both which shall comply with Sections 1.05 and 13.04 hereof. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability, in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(3) The Trustee may act through its attorneys, agents, custodians and nominees and shall not be responsible for the misconduct or negligence of any agent, custodian and nominee appointed with due care.

(4) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(5) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or any Guarantor shall be sufficient if signed by an Officer of the Company or such Guarantor. A permissive right granted to the Trustee hereunder shall not be deemed an obligation to act.

(6) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture including, without limitation, the provisions of Section 6.05 hereof, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request, order or direction.

(7) The Trustee shall not be charged with knowledge of any Default or Event of Default unless either (i) a Responsible Officer of the Trustee shall have actual knowledge of such Default or Event of Default or (ii) written notice of such Default or Event of Default shall have been given to the Trustee by the Company or any Holder.

(8) In no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon. The Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any such investment prior to its stated maturity or the failure of the party directing such investment to provide timely written investment direction; provided in each such case that the Trustee shall have acted strictly in accordance with written directions received from the instructing party. The Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of such written investment direction.

(9) In the event that the Trustee is also acting as Paying Agent, transfer agent, or Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7 shall also be afforded to such Paying Agent, transfer agent, or Registrar.

SECTION 7.03. Individual Rights of Trustee

The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. However, the Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.05. Notice of Defaults

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, interest or Liquidated Damages, if any, on any Note pursuant to Section 6.01(1) or (2) hereof, the Trustee may withhold the notice if it in good faith determines that withholding the notice is in the interests of Holders of Notes.

SECTION 7.06. Reports by Trustee to Holders of Notes

Within 60 days after each May 15 beginning with May 15, 2002, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of Notes a brief report dated as of such reporting date that complies with TIA ss. 313(a) (but if no event described in TIA ss. 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA ss. 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA ss. 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Company and filed with the SEC and each stock exchange on which the Notes are listed in accordance with TIA ss. 313(d). The Company shall promptly notify the Trustee when the Notes are listed on any securities exchange or of any delisting thereof.

SECTION 7.07. Compensation and Indemnity

The Company and each of the Guarantors, jointly and severally, shall pay to the Trustee, from time to time, as may be agreed upon between them, reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be

limited by any law on compensation of a trustee of an express trust. The Company and each of the Guarantors, jointly and severally, shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services in accordance with any provision of this Indenture (including, without limitation, the reasonable compensation, expenses and disbursements of its counsel and of all agents and other persons not regularly in its employ (A) in connection with the preparation, execution and delivery of this Indenture, any waiver or consent hereunder, any modification or termination hereof, or any Event of Default or alleged Event of Default; (B) if an Event of Default occurs, in connection with such Event of Default and collection, bankruptcy, insolvency and other enforcement proceedings relating thereto; (C) in connection with the administration of the Trustee's rights pursuant hereto; or (D) in connection with any removal of the Trustee pursuant to Section 7.08 hereof), except such disbursements, advances and expenses as may be attributable to its negligence or bad faith.

The Company and each of the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees and agents against any and all losses, liabilities, obligations, damages, penalties, judgments, actions, suits, proceedings, reasonable costs and expenses (including reasonable fees and disbursements of counsel) of any kind whatsoever which may be incurred by the Trustee in connection with any investigative, administrative or judicial proceeding (whether or not such indemnified party is designated a party to such proceeding) arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company or the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company or any Holder or any other Person) or liability in connection with the exercise or performance of any of its duties or powers hereunder; provided, however, that the Company need not reimburse any expense or indemnify against any loss, obligation, damage, penalty, judgment, action, suit, proceeding, reasonable cost or expense (including reasonable fees and disbursements of counsel) of any kind whatsoever which may be incurred by the Trustee in connection with any investigative, administrative or judicial proceeding (whether or not such indemnified party is designated a party to such proceeding) in which it is determined that the Trustee acted with gross negligence or bad faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company or the Guarantors of any of their obligations hereunder. The Company and the Guarantors shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company and each of the Guarantors, jointly and severally, shall pay the reasonable fees and expenses of such counsel. The Company and the Guarantors need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company and the Guarantors under this Section 7.07 (including the reasonable fees and expenses of its agents and counsel) shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture and any rejection or termination under any Bankruptcy Law.

To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that

held in trust to pay principal, premium, if any, and interest and Liquidated Damages, if any, on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or (10) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of TIA ss. 313(b)(2) to the extent applicable.

SECTION 7.08. Replacement of Trustee

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a Custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of Notes who has been a Holder of a Note for at least six months, fails to comply with Section 7.10 hereof, such Holder of a Note may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

The Company shall give or cause to be given notice of each resignation and each removal of the Trustee to all Holders in the manner provided herein. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of Notes. The retiring Trustee shall promptly transfer, after payment of all amounts owing to the Trustee pursuant to Section 7.07 hereof, all property held by it as Trustee to the successor Trustee; provided that all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business (including the trust created by this Indenture) to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state or territory thereof or of the District of Columbia that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal, state, territorial or District of Columbia authorities and that has, or is a wholly owned subsidiary of a bank holding company that has, a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition.

If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.10 it shall resign immediately in the manner and with the effect specified in this Article 7.

This Indenture shall always have a Trustee who satisfies the requirements of the TIA, including TIA ss.ss. 310(a)(1), (2) and (5). The Trustee is subject to TIA ss. 310(b).

SECTION 7.11. Preferential Collection of Claims Against Company

The Trustee is subject to TIA ss. 311(a), excluding any creditor relationship listed in TIA ss. 311(b). A Trustee who has resigned or been removed shall be subject to TIA ss. 311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance

The Company may, at its option, evidenced by an Officers' Certificate, at any time, with respect to the Notes, elect to have either Section 8.02 or 8.03 hereof be applied to all Notes and Subsidiary Guarantees then outstanding upon compliance with the conditions set forth in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their respective obligations with respect to all Notes and Subsidiary Guarantees then outstanding on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Company and any Guarantor shall be deemed to have paid and discharged the entire Indebtedness represented by the Notes and any Subsidiary Guarantee then outstanding, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all their other obligations under such Notes and Subsidiary Guarantees, and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments prepared by the Company acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Notes then outstanding to receive solely from the trust fund described in Section 8.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, interest and Liquidated Damages, if any, on such Notes when such payments are due, or on the Redemption Date, as the case may be, (b) the Company's obligations with respect to such Notes under Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.10, 4.02 and 4.03 hereof, (c) the rights, powers, trusts, duties, indemnities and immunities of the Trustee hereunder and the Company's obligations in connection therewith and (d) this Article 8. Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof with respect to the Notes.

SECTION 8.03. Covenant Defeasance

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.04, 4.05, 4.06, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17 and 4.18 and Article 5 hereof with respect to the outstanding Notes and the Subsidiary Guarantees on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Notes and the Subsidiary Guarantees shall thereafter be deemed not to be "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed

"outstanding" for all other purposes hereunder (it being understood that such Notes and the Subsidiary Guarantees shall not be deemed outstanding for financial accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Subsidiary Guarantees, the Company and any Guarantor may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or Event of Default under Section 6.01(3), (4) or (5) hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(8) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal Defeasance or Covenant Defeasance

The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes and the Subsidiary Guarantees:

In order to exercise either Legal Defeasance or Covenant Defeasance, as applicable:

(a) the Company must irrevocably deposit, or cause to be deposited, with the Trustee, in trust, for the benefit of the Holders of Notes and without retaining any legal interest in the corpus of such trust, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, the principal of and premium, if any, interest and Liquidated Damages, if any, due on the outstanding Notes on the Stated Maturity thereof or on the applicable Redemption Date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular Redemption Date;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that (1) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (2) since the Closing Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance

and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(f) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others;

(h) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with; and

(i) the Trustee shall have received such other documents and assurances as the Trustee shall reasonably require.

SECTION 8.05. Deposited Money and Government Securities to be Held in Trust;
Other Miscellaneous Provisions

(a) Subject to the provisions of the last paragraph of Section 4.03 hereof and to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the Notes then outstanding shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, interest and Liquidated Damages, if any, but such money and Government Securities need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such

tax, fee or other charge which by law is for the account of the Holders of the Notes then outstanding. This Section 8.05(b) shall survive the termination of this Indenture, and the earlier removal or resignation of the Trustee.

SECTION 8.06. Repayment to Company

Subject to Sections 7.7 and 8.1 hereof, the Trustee shall deliver or pay to the Company from time to time upon receipt of a written Company Request any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof) accompanied by an Officers' Certificate, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.07. Reinstatement

If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided, however, that if the Company or any Guarantor makes any payment of principal of, premium, if any, or interest or Liquidated Damages, if any, on any Notes following the reinstatement of its obligations, the Company or such Guarantor shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENTS

SECTION 9.01. Without Consent of Holders

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder of a Note:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for assumption of the Company's or any Guarantor's obligations to the Holders of the Notes in the case of a merger, consolidation or sale of assets;

(4) to provide security for the Notes;

(5) to add a Guarantor under this Indenture;

(6) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder of the Notes in any material respect; or

(7) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA.

Upon the written request of the Company, and upon receipt by the Trustee of an Officers' Certificate and an Opinion of Counsel in compliance with Section 1.05 hereof, the Trustee shall join with the Company and the Guarantors in the execution of any amendment or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amendment or supplemental indenture that adversely affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. With Consent of Holders

Except as provided below in this Section 9.02, this Indenture, and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing default or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for the Notes).

Upon the request of the Company, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of an Officers' Certificate and an Opinion of Counsel in compliance with Section 1.05 hereof, the Trustee shall join with the Company and the Guarantors in the execution of such amendment or supplemental indenture unless such amendment or supplemental indenture adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amendment or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed supplemental indenture or amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail to the Holders of each Note affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the

Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of each Holder of Notes affected, an amendment or waiver may not (with respect to any Note held by a non-consenting Holder):

(1) reduce the principal amount of the Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the price to be paid, or the timing of redemption or payment, upon redemption of the Notes or, after the Company has become obligated to make a Change of Control Offer or an Asset Sale Offer, amend, change or modify the obligation of the Company to make or consummate such Change of Control Offer or Asset Sale Offer;

(3) reduce the rate of or change the time for payment of interest, or Liquidated Damages, if any, on any Note;

(4) waive a Default or Event of Default in the payment of principal of or premium, interest or Liquidated Damages, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in such Note;

(6) except pursuant to Section 12.06 hereof, release any Guarantor from its Subsidiary Guarantee;

(7) make any change in Section 12.04 or Article 10 hereof that adversely affects the rights of any Holder of any Notes in any material respect or any change to any other provision of this Indenture that adversely affects the rights of any Holder of Notes under Section 12.04 or Article 10 hereof in any material respect (it being understood that amendments to Section 4.09 hereof which may have the effect of increasing the amount of Senior Debt that the Company and its Restricted Subsidiaries may incur shall not, for purposes of this clause (7), be deemed to be a change that adversely affects in a material respect the rights of any Holder of Notes under Section 12.04 or Article 10 hereof;

(8) make any change in the foregoing amendment and waiver provisions of this Article 9.

SECTION 9.03. Compliance with Trust Indenture Act

Every amendment or supplement to this Indenture or the Notes shall be set forth in an amendment or supplemental indenture that complies with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to such Holder's Note or portion of such Note by written notice to the Trustee received before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder of Notes, except as provided in Section 9.02 hereof.

SECTION 9.05. Notation on or Exchange of Notes

The Trustee may, but shall not be required to, place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc.

The Trustee shall sign any amended or supplemental indenture or waiver authorized pursuant to this Article 9 if the amendment or supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign any amended or supplemental indenture or waiver, the Trustee shall be entitled to receive, if requested, an indemnity satisfactory to it and to receive and, subject to Section 7.01 hereof, shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture or waiver is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Company and the Guarantors in accordance with its terms. The Company may not sign an amendment or supplemental indenture or waiver until the Board of Directors of the Company approves it.

ARTICLE 10

SUBORDINATION

SECTION 10.01. Agreement to Subordinate

The Company agrees, and each Holder by accepting a Note agrees, that the payment (by setoff, redemption, repurchase or otherwise) of principal of, premium, if any, interest and Liquidated Damages, if any, on the Notes (including with respect to any repurchases of the Notes) shall be subordinated in right of payment, as set forth in this Article 10, to the prior payment in full in cash, or, at the option of the holders of Senior Debt of the Company, in Cash

Equivalents, of all Obligations in respect of Senior Debt of the Company, whether outstanding on the date hereof or hereafter incurred.

SECTION 10.02. Liquidation; Dissolution; Bankruptcy

Upon any distribution to creditors of the Company upon any liquidation, dissolution or winding up of the Company or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Company or its property, whether voluntary or involuntary, an assignment for the benefit of creditors or any marshalling of the Company's assets and liabilities, the holders of Senior Debt of the Company will be entitled to receive payment in full in cash, or, at the option of the holders of Senior Debt of the Company, in Cash Equivalents, of all Obligations due or to become due in respect of such Senior Debt (including interest after the commencement of any such proceeding, at the rate specified in the applicable Senior Debt) before the Holders of Notes will be entitled to receive any payment of principal of, premium, if any, or interest or Liquidated Damages, if any, on the Notes, and until all Obligations with respect to Senior Debt of the Company are paid in full in cash, or, at the option of the holders of Senior Debt of the Company, in Cash Equivalents, any distribution of any kind or character to which the Holders of Notes would be entitled shall be made to the holders of Senior Debt of the Company (except that Holders of Notes may receive Permitted Junior Securities and payments made from the trust described in Article 8 or Article 11 hereof).

SECTION 10.03. Default on Designated Senior Debt

The Company shall not, directly or indirectly, (x) make any payment of principal of, premium, if any, or interest or Liquidated Damages, if any, on the Notes (except in Permitted Junior Securities or from the trust described in Article 8 or Article 11 hereof if no default of the kind referred to in clause (i) below had occurred and was continuing, and no Payment Blockage Notice was in effect, at the time amounts were deposited with the Trustee as described therein) or (y) acquire any of the Notes for cash or property or otherwise or make any other distribution with respect to the Notes if:

(i) any default occurs and is continuing in the payment when due, whether at maturity, upon any redemption, by declaration or otherwise, of any principal of, premium, if any, or interest on, any Designated Senior Debt of the Company, or

(ii) any other default occurs and is continuing with respect to Designated Senior Debt of the Company that permits holders of the Designated Senior Debt of the Company as to which such default relates to accelerate its maturity and the Trustee receives a notice of such default (a "Payment Blockage Notice") from the holders of such Designated Senior Debt of the Company.

The Company may and shall resume payments on the Notes:

(a) in the case of a payment default, upon the date on which such default is cured or waived or otherwise has ceased to exist, and

(b) in the case of a nonpayment default, upon the earlier of the date on which such nonpayment default is cured or waived or otherwise has ceased to exist or 179 days

after the date on which the applicable Payment Blockage Notice is received, unless the maturity of any Designated Senior Debt of the Company has been accelerated and such acceleration remains in full force and effect.

No new period of payment blockage may be commenced unless and until 360 days have elapsed since the effectiveness of the immediately prior Payment Blockage Notice. No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such nonpayment default shall have been waived for a period of not less than 90 days.

The Company shall give prompt written notice to the Trustee of any default in the payment of any Senior Debt of the Company or any acceleration under any Senior Debt of the Company or under any agreement pursuant to which Senior Debt of the Company may have been issued. Failure to give such notice shall not affect the subordination of the Notes to the Senior Debt of the Company or the application of the other provisions provided in this Article 10.

SECTION 10.04. Acceleration of Notes

If the Company fails to make any payment on the Notes when due or within any applicable grace period, whether or not on account of the payment blockage provision referred to above, such failure shall constitute an Event of Default and shall entitle the Holders of Notes to accelerate the Maturity thereof. The Company shall promptly notify holders of Senior Debt of the Company and the Guarantors if payment of the Notes is accelerated because of an Event of Default.

SECTION 10.05. When Distribution Must be Paid Over

In the event that, notwithstanding the foregoing, the Trustee or any Holder receives, any payment of any principal, premium, interest or Liquidated Damages, if any, on the Notes at a time when such payment is prohibited by Section 10.02 or 10.03 hereof, such payment shall be held by the Trustee or such Holder, in trust for the benefit of, and shall be paid forthwith over and delivered to, upon written request, the holders of Senior Debt of the Company as their interests may appear or their representative under the indenture or other agreement (if any) pursuant to which Senior Debt of the Company may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Senior Debt of the Company remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt.

Each Holder by his acceptance of a Note irrevocably agrees that if any payment or payments shall be made pursuant to this Indenture and the amount or total amount of such payment or payments exceeds the amount, if any, that such Holder would be entitled to receive upon the proper application of the subordination provisions of this Article 10, such Holder agrees that it will be obliged to pay over the amount of the excess payment to the holders of Senior Debt

of the Person that made such payment or payments or their representative or representatives, as instructed in a written notice of such excess payment, within ten days of receiving such notice.

With respect to the holders of Senior Debt of the Company, the Trustee undertakes to perform only such obligations on the part of the Trustee as are specifically set forth in this Article 10, and no implied covenants or obligations with respect to the holders of Senior Debt of the Company shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt of the Company, and shall not be liable to any such holders if the Trustee shall pay over or distribute to or on behalf of Holders or the Company or any other Person, money or assets to which any holders of Senior Debt of the Company shall be entitled by virtue of this Article 10, except if such payment is made as a result of the willful misconduct or gross negligence of the Trustee.

SECTION 10.06. Notice by Company

The Company shall promptly notify the Trustee and the Paying Agent of any facts known to the Company that would cause a payment of principal of, premium, if any, interest or Liquidated Damages, if any, on the Notes to violate this Article 10, but failure to give such notice shall not affect the subordination of the Notes to Senior Debt as provided in this Article 10.

SECTION 10.07. Subrogation

After all Senior Debt of the Company is paid in full and until the Notes are paid in full in cash, Holders of Notes shall be subrogated (equally and ratably with all other Indebtedness *pari passu* with the Notes) to the rights of holders of Senior Debt of the Company to receive distributions applicable to Senior Debt of the Company to the extent that distributions otherwise payable to the Holders of Notes have been applied to the payment of Senior Debt of the Company. A distribution made under this Article 10 to holders of Senior Debt of the Company that otherwise would have been made to Holders of Notes is not, as between the Company and Holders, a payment by the Company on such Senior Debt.

If any payment or distribution to which the Holders of Notes would otherwise have been entitled but for the provisions of this Article 10 shall have been applied, pursuant to the provisions of this Article 10, to the payment of amounts payable under the Senior Debt of the Company, then and in such case the Holders shall be entitled to receive from the holders of such Senior Debt at the time outstanding any payments or distributions received by such holders of such Senior Debt in excess of the amount sufficient to pay all amounts payable under or respect of such Senior Debt in full; provided that such payments or distributions shall be paid first pro rata to Holders of Notes that previously paid amounts then pro rata to all Holders of Notes.

SECTION 10.08. Relative Rights

This Article 10 defines the relative rights of Holders of Notes and holders of Senior Debt of the Company. Nothing in this Indenture shall:

(1) impair, as between the Company and Holders of Notes, the obligation of the Company, which is absolute and unconditional, to pay principal of, premium, if any, interest and Liquidated Damages, if any, on the Notes in accordance with their terms;

(2) affect the relative rights of Holders of Notes and creditors of the Company other than their rights in relation to holders of Senior Debt of the Company; or

(3) prevent the Trustee or any Holder of Notes from exercising its available remedies upon a Default or an Event of Default, subject to the rights of holders and owners of Senior Debt of the Company to receive distributions and payments otherwise payable to Holders of Notes.

If the Company fails because of this Article 10 to pay principal of, premium, if any, interest or Liquidated Damages, if any, on, a Note on the due date, the failure is nevertheless a Default or an Event of Default.

SECTION 10.09. Subordination May Not be Impaired by Company

No right of any holder of Senior Debt of the Company to enforce the subordination of the Indebtedness evidenced by the Notes shall be impaired by any act or failure to act by the Company or any Holder or by the failure of the Company or any Holder to comply with this Indenture.

SECTION 10.10. Distribution or Notice to Representative

Whenever a distribution is to be made or a notice given to holders of Senior Debt of the Company, the distribution may be made and the notice given to their representative.

Upon any payment or distribution of assets of the Company referred to in this Article 10, the Trustee and the Holders of the Notes shall be entitled to conclusively rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of such representative or of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders of the Notes for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 10.

SECTION 10.11. Rights of Trustee and Paying Agent

Notwithstanding the provisions of this Article 10 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and the Paying Agent may continue to make payments on the Notes, unless a Responsible Officer of the Trustee shall have received at its Corporate Trust Office at least five Business Days prior to the date of such payment written notice of facts that would cause the payment of any principal of, premium, if any, interest or Liquidated Damages, if any, on, the Notes to violate this Article 10. Only the Company or a representative may give the notice. Nothing in this Article 10 shall impair the claims of, or payments to, the Trustee under or pursuant to Section 7.07 hereof.

The Trustee in its individual or any other capacity may hold Senior Debt with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

SECTION 10.12. Authorization to Effect Subordination

Each Holder of a Note by the Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 10, and appoints the Trustee to act as such Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 6.09 hereof at least 30 days before the expiration of the time to file such claim, a representative of Designated Senior Debt of the Company is hereby authorized to file an appropriate claim for and on behalf of the Holders of Notes.

ARTICLE 11

SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge of Indenture

This Indenture shall be discharged and will cease to be of further effect as to all Notes issued hereunder, except for Sections 7.07 and 8.05(b) hereof, which shall survive the satisfaction and discharge of this Indenture, when either

(a) all such Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation; or

(b) (i) all such Notes not theretofore delivered to the Trustee for cancellation have become due and payable, will become due and payable within one year or are to be called for redemption within one year under irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name and at the expense of the Company and the Company has irrevocably deposited or caused to be deposited with the Trustee, in trust, funds in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any, on) and interest and Liquidated Damages, if any, to the date of maturity or date of redemption,

(ii) the Company has paid or caused to be paid all sums payable by the Company under this Indenture, and

(iii) the Company has delivered an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

SECTION 11.02. Application of Trust Money

Subject to the provisions of the last paragraph of Section 4.03 all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to Persons entitled thereto, of the principal (and premium, if any) and interest and Liquidated Damages, if any, for whose payment such money has been deposited with the Trustee.

If the Trustee or Paying Agent is unable to apply any money in accordance with Section 11.01 hereof by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no such deposit had occurred pursuant to Section 11.01 hereof; provided that if the Company or any Guarantor has made any payment of principal of, premium, if any, or interest or Liquidated Damages, if any, on, any Notes following the reinstatement of its obligations, the Company or such Guarantor shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12

SUBSIDIARY GUARANTEES

SECTION 12.01. Subsidiary Guarantee

For value received, the Guarantors, jointly and severally, hereby unconditionally guarantee to the Holders of the Notes and to the Trustee the due and punctual payment of the principal of, premium, if any, and interest and Liquidated Damages, if any, (including interest and Liquidated Damages, if any, accruing on or after the filing of a petition in bankruptcy or reorganization relating to the Company, whether or not a claim for post-filing interest or Liquidated Damages is allowed in such proceeding) on, the Notes, and all other amounts payable by the Company under the Notes and under this Indenture (collectively, the "Guaranteed Obligations"), when and as the same shall become due and payable, whether at the stated maturity or by declaration of acceleration, call for redemption or otherwise, according to the terms of the Notes and this Indenture. Each Subsidiary Guarantee pursuant to this Article 12 constitutes a guarantee of payment in full when due and not merely a guarantee of collectibility. Notwithstanding the foregoing, each Guarantor's liability under this Section 12.01 shall be limited to the maximum amount that would not result in such Guarantor's Subsidiary Guarantee under this Section 12.01 constituting a fraudulent conveyance or fraudulent transfer under applicable law.

SECTION 12.02. Obligation of the Guarantors Unconditional

Except as provided in Section 12.06 hereof, the obligations of each Guarantor hereunder shall be as aforesaid absolute and unconditional, and shall not be impaired, modified, released or limited by any occurrence or condition whatsoever, including, without limitation, (i) any compromise, settlement, release, waiver, renewal, extension, indulgence or modification of, or

any change in, any of the obligations and liabilities of the Company contained in the Notes or this Indenture, (ii) any impairment, modification, release or limitation of the liability of the Company or its estate in bankruptcy, or any remedy for the enforcement thereof, resulting from the operation of any present or future provision of any applicable Bankruptcy Law, as amended, or other statute or from the decision of any court, (iii) the assertion or exercise by the Company, the Holders of Notes or the Trustee of any rights or remedies under the Notes or this Indenture or their delay in or failure to assert or exercise any such rights or remedies, (iv) the assignment or the purported assignment of any property as additional security for the Notes, including all or any part of the rights of the Company under this Indenture, (v) the extension of the time for payment by the Company of any payments or other sums or any part thereof owing or payable under any of the terms and provisions of the Notes or this Indenture or of the time for performance by the Company of any other obligations under or arising out of any such terms and provisions or the extension or the renewal of any thereof, (vi) the modification or amendment (whether material or otherwise) of any duty, agreement or obligation of the Company set forth in this Indenture or the Notes, (vii) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all of the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of, or other similar proceeding affecting, the Company, or any of the Guarantors or any of their respective assets, or the disaffirmance of this Subsidiary Guarantee pursuant to this Article 12 or the Notes or this Indenture in any such proceeding, (viii) the release or discharge of the Company from the performance or observance of any agreement, covenant, term or condition contained in any of such instruments by operation of law, (ix) the unenforceability of the Notes or this Indenture or any Subsidiary Guarantee pursuant to this Article 12, or (x) any other circumstance which might otherwise constitute a legal or equitable discharge of a surety or guarantor.

SECTION 12.03. Waiver Relating to Subsidiary Guarantees

Each Guarantor hereby (i) waives diligence, presentment, demand of payment, filing of claims with a court in the event of the merger, insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company or to realize on any collateral, protest or notice with respect to the Guaranteed Obligations and all demands whatsoever, (ii) acknowledges that any agreement, instrument or document evidencing the Guaranteed Obligations may be transferred and that the benefit of its obligations hereunder shall extend to each holder of any agreement, instrument or document evidencing the Guaranteed Obligations without notice to them, and (iii) covenants that its Subsidiary Guarantee pursuant to this Article 12 will not be discharged except pursuant to Section 12.05 hereof or by complete payment and performance of the Guaranteed Obligations and of its Subsidiary Guarantee pursuant to this Article 12.

SECTION 12.04. Subordination of Subsidiary Guarantees

Each Guarantee of a Guarantor under this Article 12 is subordinate and junior in right of payment to the prior payment in full, in cash, or at the option of the holders of Senior Debt of such Guarantor, in Cash Equivalents, of all Senior Debt of such Guarantor, including any Guarantee issued by such Guarantor that constitutes Senior Debt of such Guarantor, to the same extent and in the same manner to which the Notes are subordinated pursuant to Article 10 hereof

to the Senior Debt of the Company, and all provisions of Article 10 hereof applicable to the subordination of the Notes shall similarly apply to the subordination of the Subsidiary Guarantees pursuant to this Article 12.

SECTION 12.05. Guarantors May Consolidate, etc., on Certain Terms

Subject to Section 12.06 hereof, no Guarantor (including any existing or future Restricted Subsidiary that becomes an additional Guarantor) may consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, whether or not affiliated with such Guarantor, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to another Person, unless (i) the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a Person organized and existing under the laws of the United States of America, any state thereof, or the District of Columbia and expressly assumes all the obligations of such Guarantor, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee, under the Notes and this Indenture and (ii) immediately after giving effect to such transaction, no Default or Event of Default exists. In connection with any consolidation or merger contemplated by this Section 12.05, the Company shall deliver to the Trustee prior to the consummation of the proposed transaction an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation or merger and such supplemental indenture comply with this Article 12 and that all conditions precedent herein provided relating to such transaction have been complied with.

The provisions of clause (i) of the preceding paragraph shall not apply if the Person formed by or surviving the relevant consolidation or merger or to which the relevant sale, assignment, transfer, lease, conveyance or other disposition shall have been made is the Company, a Guarantor or a Person that is not, after giving effect to such transaction, a Restricted Subsidiary of the Company.

SECTION 12.06. Release of Subsidiary Guarantee

In the event of (i) a merger or consolidation to which a Guarantor is a party, then the Person formed by or surviving such merger or consolidation (if, after giving effect to such transaction, other than the Company or a Restricted Subsidiary of the Company) shall be released and discharged from the obligations of such Guarantor under its Subsidiary Guarantee, (ii) a sale or other disposition (whether by merger, consolidation or otherwise) of all of the Equity Interests of a Guarantor at the time owned by the Company and its Restricted Subsidiaries to any Person that, after giving effect to such transaction, is neither the Company nor a Restricted Subsidiary of the Company, or (iii) the release and discharge of a Guarantor from all obligations under Guarantees of (x) Obligations under the Credit Agreement and (y) any other Indebtedness of the Company or any of its Restricted Subsidiaries, then, in each such case, such Guarantor shall be released and discharged from its obligations under its Subsidiary Guarantee; provided that, in the case of each of clauses (i) and (ii) above, (A) the relevant transaction is in compliance with the terms of this Indenture and (B) the Person being released and discharged shall have been released and discharged from all obligations it might otherwise have under Guarantees of Indebtedness of the Company or any of its Restricted Subsidiaries and, in the case of each of

clauses (i), (ii) and (iii) above, immediately after giving effect to such transaction, no Default or Event of Default shall exist.

Upon any Guarantor ceasing to be a Guarantor pursuant to any provision of this Indenture, at the request of the Company which request shall be accompanied by an Officers' Certificate and an Opinion of Counsel, each certifying that no Event of Default (or event or condition which with the giving of notice or the passage of time would become an Event of Default) exists and is continuing and that all conditions precedent herein provided relating to this Section 12.06 have been complied with, the Trustee shall execute and deliver an appropriate instrument evidencing any such release. Any Guarantor not released from its obligations under its Guarantee shall remain liable for the full amount of principal of, premium, if any, and interest and Liquidated Damages, if any, on the Notes and for the other obligations of such Guarantor under this Indenture as and to the extent provided in this Indenture.

SECTION 12.07. Contribution of Guarantors

In the event that any Guarantor (such Guarantor being herein referred to as the "Funding Party") shall make a payment under its Subsidiary Guarantee pursuant to this Article 12, it shall be entitled to a contribution from each other Guarantor (each, a "Contributor") in the amount of such Contributor's pro rata share of the amount of such payment by such Funding Party so long as exercise of such right does not impair the rights of Holders of Notes under any Subsidiary Guarantee. The failure of a Contributor to discharge its obligations under this Section 12.07 shall not affect the obligations of any Guarantor under its Subsidiary Guarantee pursuant to this Article 12. The obligations under this Section 12.07 shall be unaffected by any of the events described in Section 12.02 or any comparable events pertaining to the Funding Party, its Subsidiary Guarantee or the undertakings in this Section 12.07.

SECTION 12.08. Reinstatement of Subsidiary Guarantees

Each Guarantee pursuant to this Article 12 shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of any of the Guaranteed Obligations is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any Holder of Notes or by the Trustee, whether as a "voidable preference," "fraudulent conveyance," "fraudulent transfer," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Guaranteed Obligations shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

SECTION 13.06. Legal Holidays

The Company will pay interest and Liquidated Damages, if any, semi-annually in arrears on May 15 and November 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided, further, that the first Interest Payment Date shall be May 15, 2002. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate equal to 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any (without regard to any applicable grace periods), from time to time on demand at the same rate to the extent lawful. 2. Method of Payment.

The Company will pay interest on the Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Notes at the close of business on the May 1 or November 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar.

Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may not act in any such capacity.

4. Indenture.

The Company issued the Notes under an Indenture dated as of November 21, 2001 (the "Indenture") among the Company, the Guarantors named on the signature pages thereto and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code ss.ss. 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are general obligations of the Company limited to \$300 million in aggregate principal amount.

5. Optional Redemption.

(a) Except as set forth in subparagraphs (b) and (c) of this Paragraph 5, the Company shall not have the option to redeem the Notes prior to May 15, 2004. Thereafter, the Company shall have the option to redeem the Notes, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the applicable redemption date, if redeemed during the twelve-month period beginning on May 15 of the years indicated below:

Year	Percentage
----	-----
2004	104.375%
2005	102.916%
2006	101.458%
2007 and thereafter	100.000%

(b) Notwithstanding the provisions of subparagraph (a) of this Paragraph 5, at any time on or prior to May 15, 2002, the Company may on one or more occasions redeem up to 35% of the aggregate principal amount of Notes theretofore issued under the Indenture at a redemption price of 108.75% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; provided that (i) at least 65% of the aggregate principal amount of Notes theretofore issued remains outstanding immediately following each such redemption and (ii) the redemption shall occur within 60 days of the closing of any such Equity Offering.

(c) In addition, at any time prior to May 15, 2004, following the occurrence of a Change of Control, the Notes will be subject to redemption at the option of the Company, in whole or in part, upon not less than 30 nor more than 60 days' notice given within 30 days following such Change of Control, at the Make-Whole Price, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the applicable Redemption Date.

6. Notice of Redemption.

A notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$1,000 may be redeemed in part but only in whole multiples of \$1,000. On and after the redemption date, unless the Company defaults in making the redemption payments, interest and Liquidated Damages, if any, ceases to accrue on Notes or portions thereof called for redemption.

7. Mandatory Redemption.

Except as set forth in paragraph 8 below, the Company shall not be required to make mandatory redemption payments with respect to the Notes.

8. Repurchase at Option of Holder.

(a) If there is a Change of Control, unless notice of redemption of the Notes in whole has been given pursuant to Sections 3.04 and 3.08 of the Indenture, the Company shall be required to make an offer (a "Change of Control Offer") to purchase all or any part (equal to \$1,000 or an integral multiple thereof) of each Holder's Notes at an offer price in cash equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase (the "Change of Control Payment"). Notice of a Change of Control Offer shall be mailed within 30 days following a Change of Control to each Holder of the Notes containing the information set forth in Section 4.17 of the Indenture.

(b) When the aggregate amount of Excess Proceeds from one or more Asset Sales exceeds \$10.0 million, the Company shall make an offer to all Holders of Notes (and holders of other Indebtedness of the Company to the extent required by the terms of such other Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and other such Indebtedness) that does not exceed the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate principal amount of Notes (and such other Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Notes (and such other Indebtedness) tendered exceeds the amount of Excess Proceeds, the Notes (and such other Indebtedness) to be purchased shall be selected on a pro rata basis.

9. Denominations, Transfer, Exchange.

The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in

part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before the day of any selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. Persons Deemed Owners.

The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement And Waiver.

Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes, and any existing default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes. Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or any Guarantor's obligations to Holders of the Notes in case of a merger, consolidation or sale of assets, to provide security for the Notes, to add a Guarantor, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder in any material respect, or to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act.

12. Events of Default And Remedies.

Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to, the Notes (whether or not prohibited by Article 10 of the Indenture); (ii) default in payment when due (whether payable at maturity, upon redemption or repurchase or otherwise) of principal of or premium, if any, on the Notes (whether or not prohibited by Article 10 of the Indenture); (iii) failure by the Company or its Restricted Subsidiaries to comply with the provisions of Article 5 of the Indenture; (iv) failure by the Company to comply with Sections 3.10, 4.16 or 4.17 of the Indenture (whether or not prohibited by Article 10 of the Indenture), other than a failure to purchase Notes pursuant to an offer commenced under such provisions, which shall be subject to clause (ii) above, for 30 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes; (v) failure by the Company or any of its Restricted Subsidiaries for 60 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes to comply with any of its other agreements in the Indenture or the Notes other than those referred to in clauses (i) through (iv) above; (vi) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Significant Subsidiaries (or the payment of which is guaranteed by the Company or any of its Significant Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Closing Date, which default (a) is caused by a failure to pay principal after final maturity of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default") or (b) results in the acceleration of such Indebtedness prior to its express maturity and, in each case, the principal amount of any such

Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$10 million or more without such Indebtedness being discharged or such acceleration having been cured, waived or rescinded within 30 days of acceleration; (vii) failure by the Company or any of its Significant Subsidiaries to pay final judgments aggregating in excess of \$10.0 million and either (a) any creditor commences enforcement proceedings upon any such judgment or (b) such judgments are not paid, discharged or stayed for a period of 60 days; (viii) except as permitted by the Indenture, any Guarantee of the Notes by a Significant Subsidiary shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any other reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, shall deny or disaffirm its obligations under its Subsidiary Guarantee; and (ix) certain events of bankruptcy or insolvency with respect to the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes and all other Obligations thereunder to be due and payable by notice in writing to the Company and the Trustee. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, interest or Liquidated Damages, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium and Liquidated Damages, if any, or interest on the Notes.

13. Subordination.

Each Holder by accepting a Note agrees that the payment (by set-off, redemption, repurchase or otherwise) of principal of, and premium, if any, and interest and Liquidated Damages, if any, on, the Notes (including with respect to any repurchases of the Notes) is subordinated in right of payment, to the extent and in the manner provided in Article 10 of the Indenture, to the prior payment in full in cash, or, at the option of holders of Senior Debt of the Company, in Cash Equivalents, of all Obligations in respect of Senior Debt of the Company, whether outstanding on the date of the Indenture or thereafter incurred.

3. We are acquiring the Notes or beneficial interest therein purchased by us for our own account or for one or more accounts (each of which is an institutional "accredited investor") as to each of which we exercise sole investment discretion.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) below have been complied with), the Issuer and the Guarantors shall (i) cause to be filed with the Commission on or prior to 60 days after the Closing Date, a Registration Statement under the Securities Act relating to the Exchange Notes and the Exchange Offer, (ii) use their commercially reasonable best efforts to cause such Registration Statement to be declared effective on or prior to 180 days after the Closing Date, (iii) in connection with the foregoing, (A) file all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to be declared effective, (B) if applicable, file a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Notes to be made under the Blue Sky laws of such jurisdictions as are necessary to permit consummation of the Exchange Offer and (iv) upon the effectiveness of such Registration Statement, commence and consummate the Exchange Offer. The Exchange Offer shall be on the appropriate form to permit registration of the Exchange Notes to be offered in exchange for the Transfer Restricted Securities and sales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers as contemplated by Section 3(c) below.

(b) The Issuer and the Guarantors shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer. The Issuer and the Guarantors shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Notes or any additional notes issued by the issuer under the Indenture prior to the consummation of the Exchange Offer shall be included in the Exchange Offer Registration Statement. The Issuer and the Guarantors shall use their respective commercially reasonable best efforts to issue, on or prior to, 60 days after the Exchange Offer Registration Statement is declared effective by the Commission, Exchange Notes in exchange for all Notes tendered prior thereto in the Exchange Offer.

(c) The Issuer shall indicate in a "Plan of Distribution" section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Restricted Broker-Dealer who holds Restricted Notes that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Issuer or one of its affiliates), may exchange such Restricted Notes pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an "underwriter" within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Notes received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such "Plan of Distribution" section shall also contain all other information with respect to such resales by Restricted Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such "Plan of Distribution" shall not name any such Broker-Dealer or disclose the amount of Notes held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

(d) The Issuer and the Guarantors shall use their respective best efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) below to the extent necessary to ensure that it is available for resales of Broker-Dealer Transfer Restricted Securities acquired by Restricted Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 30 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Restricted Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

(e) The Issuer and the Guarantors shall provide sufficient copies of the latest version of such Prospectus to Restricted Broker-Dealers promptly upon request at any time during such 30-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales.

SECTION 4. SHELF REGISTRATION

(a) Shelf Registration. If (i) the Issuer is not required to file the Exchange Offer Registration Statement or not permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) below have been complied with) or (ii) any Initial Purchaser that is a Holder of Transfer Restricted Securities notifies the Company prior to the 20th day following consummation of the Exchange Offer that (a) it is prohibited by law or Commission policy from participating in the Exchange Offer or (b) it may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales the Issuer and the Guarantors shall:

(1) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the "Shelf Registration Statement") as soon as practicable but in any event on or prior to 60 days after the obligation to file the Shelf Registration Statement arises (such date being the "Shelf Filing Deadline"), which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(2) use its commercially reasonable best efforts to cause such Shelf Registration Statement to be declared effective by the Commission on or prior to the 180th day after such obligation arises.

The Issuer and the Guarantors shall use their respective commercially reasonable best efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Notes by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years following the effective date of such Shelf Registration Statement (or shorter period that will terminate when all the Notes covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement or are otherwise no longer Transfer Restricted Securities).

(b) Provision by Holders of Certain Information in Connection with the Shelf Registration Statement. No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Issuer in writing, within 10 business days after receipt of a request therefor, such information as the Issuer may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Issuer all information required to be disclosed in order to make the information previously furnished to the Issuer by such Holder not materially misleading.

SECTION 5. LIQUIDATED DAMAGES

(a) If (i) any of the Registration Statements required by this Agreement is not filed with the Commission on or prior to the date specified for such filing in this Agreement, (ii) any of such Registration Statements has not been declared effective by the Commission on or prior to the date specified for such effectiveness in this Agreement, regardless of the reasonableness of any efforts made by or on behalf of the Issuer and the Guarantors to cause such Registration Statement to become effective), (iii) the Company and the Guarantors fail to consummate the Exchange Offer within 60 business days of the date the Exchange Offer Registration Statement was declared effective with respect to the Exchange Offer Registration Statement, or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for the periods specified in Sections 3(d) and 4(a) hereof without being succeeded immediately by a post-effective amendment to such

Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) through (iv), a "Registration Default"), then the Issuer will pay Liquidated Damages to each Holder of Transfer Restricted Securities, with respect to the first 90-day period immediately following the occurrence of the first Registration Default, in an amount equal to \$.05 per week per \$1,000 principal amount of Transfer Restricted Securities held by such Holder. The amount of the Liquidated Damages will increase by an additional \$.05 per week per \$1,000 principal amount of Transfer Restricted Securities with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of Liquidation Damages of \$.30 per week per \$1,000 principal amount of Transfer Restricted Securities. All accrued Liquidated Damages will be paid by the Issuer on each interest Payment Date in the manner specified by the Indenture for the payment of interest. Following the cure of all Registration Defaults, the accrual of Liquidated Damages will cease; provided, that no Holder of Transfer Restricted Securities who is not entitled to the benefits of a Shelf Registration statement shall be entitled to receive Liquidated Damages by reason of a Registration Default that pertains to a Shelf Registration Statement and no Holder of Transfer Restricted Securities or any other Holder of Transfer Restricted Securities who is entitled to the benefits of a Shelf Registration Statement shall be entitled to receive Liquidated Damages by reason of a Registration Default that pertains to an Exchange Offer.

(b) All obligations of the Issuer set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such Note shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) Exchange Offer Registration Statement. In connection with the Exchange Offer, the Issuer and the Guarantors shall comply with all of the applicable provisions of Section 6(c) below, shall use their respective commercially reasonable best efforts to effect such exchange to permit the sale of Broker-Dealer Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If in the reasonable opinion of counsel to the Issuer there is a question as to whether the Exchange Offer is permitted by applicable law, the Issuer and the Guarantors hereby agree to seek a no-action letter or other favorable decision from the Commission allowing the Issuer and the Guarantors to consummate an Exchange Offer for such Restricted Notes. The Issuer and the Guarantors hereby agree to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. The Issuer and the Guarantors hereby agree, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Issuer setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Issuer, prior to the Consummation thereof, a written representation to the Issuer and the Guarantors (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Issuer, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer and (C) it is acquiring the Exchange Notes in its ordinary course of business. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Issuer's preparations for the Exchange Offer. Each Holder shall acknowledge and agree that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Notes obtained by such Holder in exchange for Restricted Notes acquired by such Holder directly from the Issuer.

(b) Shelf Registration Statement. In connection with the Shelf Registration Statement, the Issuer and the Guarantors shall comply with all the provisions of Section 6(c) below and shall use their respective commercially reasonable best efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto the Issuer and the Guarantors will prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) General Provisions. In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Broker-Dealer Transfer Restricted Securities by Restricted Broker-Dealers), the Issuer and the Guarantors shall:

(i) use their respective commercially reasonable best efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 of this Agreement, as applicable; upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B)

not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Issuer shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use their respective commercially reasonable best efforts to cause such amendment to be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue in any material respect, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading in any material respect. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Issuer and the Guarantors shall use their respective best efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish without charge to each of the Initial Purchasers that are Holders of Transfer Restricted Securities covered by such Registration Statement and each of the

underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus, which documents will be subject to the review of such Initial Purchasers and underwriter(s), if any, for a period of at least five business days, and the Issuer and the Guarantors will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which any such Initial Purchaser or the underwriter(s), if any, shall reasonably object in writing within five business days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period). The objection of any such Initial Purchaser or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(v) a reasonable time prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, provide copies of such document to the Initial Purchasers which are selling Holders and to the underwriter(s), if any, and make the Issuer's and the Guarantors' representatives available for discussion of such document and other customary due diligence matters;

(vi) make available upon request at reasonable times for inspection by the Initial Purchasers which are selling Holders, any managing underwriter participating in any disposition pursuant to such Registration Statement, and any attorney or accountant retained by any of the underwriter(s) (the "Inspectors"), all financial and other records, pertinent corporate documents of the Issuer and the Guarantors and cause the Issuer's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such underwriter, attorney or accountant in connection with such Registration Statement subsequent to the filing thereof and prior to its effectiveness, provided however, that such Inspector shall first agree in writing with the Company that any information that is reasonably and in good faith designated by the Company in writing as confidential at the time of delivery of such information shall be kept confidential by such Inspectors, unless (a) disclosure of such information is required by court or administrative order or is necessary to respond to inquiries of regulatory authorities, (b) disclosure of such information is required by law (including any disclosure requirements pursuant to federal securities laws in connection with the filing of such Registration Statement or the use of any Prospectus), (c) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard such information by such Inspector or (d) such information becomes available to such Inspector from a source other than the Company and its subsidiaries and such source is not known, after due inquiry, by such Inspector to be bound by a confidentiality agreement; provided further, that the foregoing investigation shall be coordinated on behalf of such Inspectors by a limited number of representatives designated by and on behalf of such Inspectors and any such confidential information shall be available from such representatives to such Inspectors so long as any Inspector agrees to be bound by such confidentiality agreement;

(vii) if requested by the Initial Purchasers and the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Issuer is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) except with respect to the Exchange Offer, use their respective commercially reasonable best efforts to (a) if the Transfer Restricted Securities have been rated prior to the initial sale of such Transfer Restricted Securities, confirm such ratings will apply to the Transfer Restricted Securities covered by a Registration Statement, or (b) cause the Transfer Restricted Securities covered by a Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Notes covered thereby or the underwriter(s), if any;

(ix) furnish to each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(x) deliver to each selling Holder and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Issuer and the Guarantors hereby consent to the use (in accordance with law) of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be reasonable requested in writing by any Initial Purchaser that is a selling Holder or by any underwriter in connection with any sale or resale of Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement; and the Issuer and the Guarantors shall:

(A) upon written request furnish to each underwriter, if any, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the

Consummation of the Exchange Offer and, if applicable, the effectiveness of the Shelf Registration Statement:

(1) a certificate of the Issuer, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed by the Chief Executive Officer and Chief Financial Officer of the Issuer, and a certificate of each Guarantor, signed by two authorized officers of such Guarantor, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, as of the date thereof, the matters set forth in Section 8 (a) of the Purchase Agreement but applying, mutatis mutandis, to the Shelf Registration Statement in each place where reference is made to the Offering Memorandum in such Section 8(a), and to the filing date of the Shelf Registration Statement in each place where reference is made to "the Closing Date" or "the date hereof" in such Section 8(a), and such other matters as such parties may reasonably request;

(2) a customary opinion, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for the Issuer and the Guarantors covering the matters set forth in Section 8(b) of the Purchase Agreement and such other matter as such parties may reasonably request; and

(3) a customary comfort letter, dated as of the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, from the Issuer's and the Guarantors' independent accountants, in the customary form and covering matters of the type customarily covered in comfort letters by underwriters in connection with primary underwritten offerings, and affirming the matters set forth in the comfort letters delivered pursuant to Section 8 of the Purchase Agreement, as they relate to the Shelf Registration Statement without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested in writing by such parties to evidence compliance with clause (A) above and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Issuer and the Guarantors pursuant to this clause (xi), if any.

(xii) If the representations and warranties of the Issuer and the Guarantors contemplated in clause (A)(1) above cease to be true and correct in any material respect,

the Issuer and the Guarantors shall so advise the Initial Purchasers which are selling Holders and the underwriter(s), if any, promptly and, if requested by such Persons, shall confirm such advice in writing;

(xiii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders or underwriter(s) may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; provided, however, that the Issuer and the Guarantors shall not be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xiv) shall issue, upon the request of any Holder of Restricted Notes covered by the Shelf Registration Statement, Exchange Notes, having an aggregate principal amount at maturity equal to the aggregate principal amount at maturity of Restricted Notes surrendered to the Issuer by such Holder in exchange therefor or being sold by such Holder; such Exchange Notes to be registered in the name of such Holder or in the name of the purchaser(s) of such Notes, as the case may be; in return, the Restricted Notes held by such Holder shall be surrendered to the Issuer for cancellation;

(xv) in connection with any sale of Transfer Restricted Securities that will result in such securities no longer being Transfer Restricted Securities, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request in writing at least two business days prior to such sale of Transfer Restricted Securities made by such underwriter(s);

(xvi) use their respective commercially reasonable best efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in clause (xiii) above;

(xvii) if any fact or event contemplated by clause (c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material

fact or omit to state any material fact necessary to make the statements therein not misleading

(xviii) provide a CUSIP number for all Transfer Restricted Securities not later than the effective date of the Registration Statement and provide the Trustee under the Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with The Depository Trust Company;

(xix) cooperate and assist in any filings required to be made with the NASD and in the performance of any due diligence investigation by any underwriter (including any "qualified independent underwriter") that is required to be retained in accordance with the rules and regulations of the NASD, and use their respective reasonable best efforts to cause such Registration Statement to become effective and approved by such governmental agencies or authorities as may be necessary to enable the Holders selling Transfer Restricted Securities to consummate the disposition of such Transfer Restricted Securities;

(xx) otherwise use their respective commercially reasonable best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Issuer's first fiscal quarter commencing after the effective date of the Registration Statement;

(xxi) cause the Indenture to be qualified under the TIA not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Notes to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the TIA; and execute and use their respective commercially reasonable best efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xxii) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Issuer of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof (a "Suspension Notice"), such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvii) hereof, or until it is advised in writing (the "Advice") by the Issuer that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental

filings that are incorporated by reference in the Prospectus. If so directed by the Issuer, each Holder hereby agrees it will deliver to the Issuer (at the Issuer's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Issuer shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such Suspension Notice to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvii) hereof or shall have received the Advice; however, no such extension shall be taken into account in determining whether Liquidated Damages is due pursuant to Section 5 hereof or the amount of such Liquidated Damages, it being agreed that the Issuer's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5.

SECTION 7. REGISTRATION EXPENSES

(a) All expenses incident to the Issuer's and the Guarantors' performance of or compliance with this Agreement will be borne by the Issuer regardless of whether a Registration Statement becomes effective, including without limitation: (i) all registration and filing fees and expenses (including filings made by the Initial Purchasers or Holders with the NASD (and, if applicable, the fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and regulations of the NASD)); (ii) all fees and expenses of compliance with federal securities and state Blue Sky or securities laws; (iii) all expenses of printing (including printing certificates for the Exchange Notes to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Issuer and the Guarantors and, subject to Section 7(b) below, the Holders of Transfer Restricted Securities; and (v) all fees and disbursements of independent certified public accountants of the Issuer and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

The Issuer and the Guarantors will, in any event, bear their respective internal expenses (including, without limitation, all salaries and expenses of their respective officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Issuer and the Guarantors.

Each Holder shall pay all commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Notes.

(b) In connection with any Shelf Registration Statement required by this Agreement, the Issuer and the Guarantors will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being registered pursuant to the Shelf Registration Statement for the reasonable fees and disbursements of not more than one counsel, who shall be Kramer Levin Naftalis & Frankel LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Shelf Registration Statement is being prepared.

SECTION 8. INDEMNIFICATION

(a) The Issuer and the Guarantors agree, jointly and severally, to indemnify and hold harmless (i) each Holder and (ii) each person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the persons referred to in this clause (ii) being hereinafter referred to as a "controlling person") and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an "Indemnified Holder"), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including without limitation and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable fees and expenses of counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (in each case, including the documents incorporated by reference therein), or in any supplement thereto or amendment thereof, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Issuer by any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability which the Issuer and the Guarantors may otherwise have, including this Agreement.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Issuer and the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Issuer in writing (provided, that the failure to give such notice shall not relieve the Issuer and the Guarantors of their respective obligations pursuant to this Agreement). Such Indemnified Holder shall have the right to employ its own counsel in any such action and the fees and expenses of such counsel shall be paid, as incurred, by the Issuer and the Guarantors. The Issuer and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Issuer and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Issuer's prior written consent, which consent shall not be withheld unreasonably, and the Issuer and the Guarantors agree to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Issuer. The Issuer and the Guarantors shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim,

litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless (i) the Issuer and the Guarantors, (ii) each person, if any, who controls the Issuer or any of the Guarantors within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and (iii) the officers, directors, partners, employees, representatives and agents of the Issuer or the Guarantors to the same extent as the foregoing indemnity from the Issuer and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Issuer and the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Issuer and the Guarantors and the Issuer and the Guarantors or their respective directors or officers or such controlling person shall have the rights and duties given to each Holder by the preceding paragraph. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the proceeds received by such Holder upon the sale of the Transfer Restricted Securities giving rise to such indemnification obligation.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or Section 8(b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Issuer and the Guarantors on the one hand and the Holders on the other hand from the Initial Placement (which in the case of the Issuer and the Guarantors shall be deemed to be equal to the total gross proceeds from the Initial Placement as set forth on the cover page of the Offering Memorandum), the amount of Liquidated Damages which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Issuer and the Guarantors on the one hand and of the Indemnified Holder on the other in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Issuer and the Guarantors on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or by the Indemnified Holder and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a), any legal or other fees or expenses

reasonably incurred by such party in connection with investigating or defending any action or claim.

The Issuer and the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Restricted Notes exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount at maturity of Restricted Notes held by each of the Holders hereunder and not joint.

SECTION 9. RULE 144A

The Issuer and the Guarantors hereby agree with each Holder, for so long as any Transfer Restricted Securities remain outstanding and during any period in which the Issuer or such Guarantor (i) is not subject to Section 13 or 15(d) of the Exchange Act, to make available, upon request of any Holder, to such Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities designated by such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A, and (ii) is subject to Section 13 or 15(d) of the Exchange Act, to make all filings required thereby in a timely manner in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144.

SECTION 10. PARTICIPATION IN UNDERWRITTEN REGISTRATIONS

No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. SELECTION OF UNDERWRITERS

The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker or investment bankers and manager or managers that will administer the offering will be selected by the Issuer and the Guarantors.

SECTION 12. MISCELLANEOUS

(a) Remedies. The Issuer and the Guarantors agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) No Inconsistent Agreements. The Issuer and the Guarantors will not, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The Issuer and the Guarantors have not previously entered into any agreement granting any registration rights with respect to its securities to any Person. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Issuer's and the Guarantors' securities under any agreement in effect on the date hereof.

(c) Adjustments Affecting the Notes. Subject to the foregoing provisions of this Agreement, the Issuer will not take any action, or permit any change to occur, with respect to the Notes that would materially and adversely affect the ability of the Holders to consummate the Exchange Offer.

(d) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Issuer and the Guarantors have obtained the written consent of Holders of a majority of the outstanding principal amount at maturity of Transfer Restricted Securities. Re: 8 3/4% Senior Subordinated Notes due 2009 of Vail
Resorts, Inc. and related Guarantees

Ladies and Gentlemen:

We have acted as counsel for Vail Resorts, Inc. (the "Company"), GHTV, Inc., Gillett Broadcasting, Inc., Rockresorts LLC, Rockresorts Casa Madrona, LLC, Rockresorts Cheeca, LLC, Rockresorts International, LLC, Rockresorts LaPosada, LLC, Rockresorts Rosario, LLC, and VA Rancho Mirage Resort, L.P. (collectively, the "Delaware Guarantors" and, together with Company, the "Delaware Issuers") in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by the Company, the Delaware Guarantors and the other subsidiaries of the Company named therein as guarantors (the "Additional Guarantors" and together with the Delaware Guarantors, the "Guarantors") with the Securities and Exchange Commission (the "Commission") for registration under the Securities Act of 1933, as amended (the "Act"), of (i) \$160,000,000 aggregate principal amount of 8 3/4% Senior Subordinated Notes due 2009 of the Company (the "Exchange Notes") and (ii) the unconditional guarantee of the Exchange Notes (the "Guarantees," and together with the Exchange Notes, the "Securities") by each of the Guarantors. The Securities will be issued pursuant to an indenture dated as of November 21, 2001 (as supplemented by the First Supplemental Indenture dated as of January 16, 2002, the "Indenture"), among the Company, the Guarantors and The Bank of New York, as trustee, in connection with the exchange offer set forth in the Registration Statement (the "Exchange Offer") pursuant to which the Securi-

ties will be issued for a like principal amount of the Company's outstanding 8 3/4% Senior Subordinated Notes due 2009. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Registration Statement.

In connection therewith, we have examined, among other things, originals or copies, certified or otherwise identified to our satisfaction, of the Certificates of Incorporation of the Delaware Issuers, resolutions of the Boards of Directors of the Delaware Issuers with respect to the filing of the Registration Statement and such other documents as we have deemed necessary or appropriate for the purpose of rendering this opinion.

In our examination of documents, instruments and other papers, we have assumed the genuineness of all signatures on original and certified documents and the conformity to original and certified documents of all copies submitted to us as conformed, photostatic or other copies. As to matters of fact, we have relied upon representations of officers of the Delaware Issuers.

Based upon the foregoing, and subject to the qualifications stated herein, it is our opinion that:

1. The Exchange Notes have been duly authorized by all necessary corporate action on the part of the Company and, when executed and delivered in accordance with the provisions of the Indenture and the Exchange Offer (assuming due authorization, execution and delivery of the Indenture by the Trustee and due authentication and delivery of the Exchange Notes by the Trustee in accordance with the Indenture), will be entitled to the benefits of the Indenture and will be legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms, (x) subject to (A) applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws now or hereafter in effect affecting creditors' rights and remedies generally and (B) general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity) and (y) except that the waiver contained in Section 4.07 of the Indenture may be deemed unenforceable.

2 The guarantees of the Exchange Notes have been duly, authorized by each of the Delaware Guarantors and, when issued and delivered by such Delaware Guarantors and upon the due authentication and issuance of the Exchange Notes in accordance with the Indenture and the Exchange Offer (assuming due

authorization, execution and delivery of the Indenture by the Trustee and due authentication and delivery of the Exchange Notes by the Trustee in accordance with the Indenture), will be legal, valid and binding obligations of the Delaware Guarantors, enforceable against each of the Delaware Guarantors in accordance with their terms, (X) subject to (A) applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws now or hereafter in effect affecting creditors' rights and remedies generally and (B) general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is

sought in a proceeding at law or in equity) and (y) except that the waiver contained in Section 4.07 of the Indenture may be deemed unenforceable.

We are attorneys admitted to practice in the State of New York. We express no opinion concerning the laws of any jurisdiction other than the laws of the State of New York, the Delaware General Corporation Law and the Federal laws of the United States of America.

We hereby consent to the reference to our firm in the Registration Statement under the caption "Legal Matters," and to the inclusion of this opinion as an exhibit to the Registration Statement. Our consent to such reference does not constitute a consent pursuant to Section 7(a) of the Securities Act and in consenting to such reference we have not certified any part of the Registration Statement and do not otherwise come within the categories of persons whose consent is required under Section 7(a) or under the rules and regulations of the Commission thereunder.

Re: 8 3/4% Senior Subordinated Notes due 2009 of Vail Resorts, Inc
and related Guarantees

Ladies and Gentlemen:

I am General Counsel for Vail Resorts, Inc. (the "Company") and the guarantors listed on Exhibit I hereto (collectively, the "Guarantors" and, together with Company, the "Issuers") in connection with the Registration Statement on Form S-4 (the "Registration Statement") filed by, among others, the Company and the Guarantors with the Securities and Exchange Commission (the "Commission") for registration under the Securities Act of 1933, as amended (the "Act"), of (i) up to \$160,000,000 aggregate principal amount of 8 3/4% Senior Subordinated Notes due 2009 of the Company (the "Exchange Notes"), and (ii) the Guarantors' unconditional guarantee of the Exchange Notes (the "Guarantees," and together with the Exchange Notes, the "Securities"). The Securities will be issued pursuant to an indenture dated as of November 21, 2001 (the "Indenture"), between the Company, the Guarantors, and The Bank of New York, as trustee, in connection with the exchange offer (the "Exchange Offer") pursuant to which the Securities will be issued for a like principal amount of the Company's outstanding 8 3/4% Senior Subordinated Notes due 2009. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Registration Statement.

In connection therewith, I have examined, among other things, originals or copies, certified or otherwise identified to my satisfaction, of the Certificates of Incorporation of the Issuers, resolutions of the Boards of Directors of the Issuers with respect to the filing of the Registration Statement and such other documents as I have deemed necessary or appropriate for the purpose of rendering this opinion.

In my examination of documents, instruments and other papers, I have assumed the genuineness of all signatures on original and certified documents and the conformity to original and certified documents of all copies submitted to me as conformed, photo-

static or other copies. As to matters of fact, I have relied upon representations of officers of the Issuers.

I am admitted to the Bar of the State of Colorado. I express no opinion as to the laws of any jurisdiction other than the laws of the State of Colorado and the Federal laws of the United States of America. With respect to The Village at Breckenridge Acquisition Corp., Inc. and Property Management Acquisition Corp., Inc., for all purposes hereunder I have assumed that Tennessee law is identical to Colorado law. With respect to Rockresorts Equinox, Inc., for all purposes hereunder I have assumed that Vermont law is identical to Colorado law. With respect to Grand Teton Lodge Company, Jackson Hole Golf and Tennis Club, Inc., JHL&S LLC and Teton Hospitality Services, Inc., for all purposes hereunder I have assumed that Wyoming law is identical to Colorado law.

Based upon the foregoing, and subject to the qualifications stated herein, it is our opinion that:

(i) The Exchange Notes have been duly authorized for issuance by the Company and, when duly executed, authenticated and delivered in exchange for the Initial Notes in accordance with the terms of the Exchange Offer and the Indenture as contemplated by the Registration Statement, will constitute valid and legally binding obligations of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms except that the enforcement thereof may be subject to (i) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and (ii) general principles of equity and the discretion of the court before which any proceeding therefor may be brought.

(ii) The Guarantees of the Guarantors have been duly authorized by the Guarantors and, when the Exchange Notes have been duly executed, authenticated and delivered in accordance with the terms of the Exchange Offer and the Indenture as contemplated by the Registration Statement and the Guarantees of the Guarantors have been duly executed and delivered, the Guarantees of the Guarantors will constitute valid and legally binding obligations of the Guarantors, entitled to the benefits of the Indenture and enforceable against the Guarantors in accordance with their terms except that the enforcement thereof may be subject to (i) bankruptcy, insolvency, reorganization, fraudulent

conveyance, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and (ii) general principles of equity and the discretion of the court before which any proceeding therefor may be brought.

I hereby consent to any reference required by law to the undersigned as the Company's general or legal counsel in the Registration Statement under the caption "Legal Matters," and to the inclusion of this opinion as an exhibit to the Registration Statement. My consent to such reference does not constitute a consent under Section 7 of the Securities Act and in consenting to such reference I have not certified any part of the Registration Statement

and do not otherwise come within the categories of persons whose consent is required under Section 7 or under the rules and regulations of the Commission thereunder.
